APPLICABILITY

A. The provisions of this Final Judgment apply to the defendant, its successors and assigns, its subsidiaries, affiliates, directors, officers, managers, agents, and employees, and all other persons in active concert or participation with any of them who shall have received actual notice of this Final Judgment by personal service or otherwise.

B. BFI shall require, as a condition of the sale or other disposition of all or substantially all of the Divestiture Assets, that the acquiring party or parties agree to be bound by the provisions of this Final Judgment.

C. Nothing contained in this Final Judgment is or has been created for the benefit of any third party, and nothing herein shall be construed to provide any rights to any third party.

D. Unless otherwise stated herein, BFI's obligations become effective upon its ownership of more than 50.0 percent of the ordinary shares of Attwoods plc.

IV

DIVESTITURE OF ASSETS

A. BFI is hereby ordered and directed, within 90 days following the date a majority of the Attwoods Board of Directors is elected or appointed by BFI, but in no event later than March 30, 1995, to divest all of the Divestiture Assets, unless the United States, after consultation with Florida and Maryland, consents that only some portion of the Divestiture Assets need be divested. BFI is further ordered and directed to notify plaintiffs in writing immediately when it has elected or appointed a majority of the Attwoods Board of Directors.

B. Unless the United States, after consultation with Florida and Maryland, otherwise consents, divestiture under Section IV.A, or by the trustee appointed pursuant to Section V, shall be accomplished in such a way as to satisfy the United States, in its sole determination after consultation with Florida and Maryland, that the Honey Brook Assets, the All Jax Assets, the Frederick Assets, and the Salisbury Assets can and will be operated by the purchaser or purchasers as viable, ongoing businesses engaged in solid waste hauling in their respective areas. Divestiture under Section IV.A or by the trustee, shall be made to a purchaser or purchasers for whom it is demonstrated to the satisfaction of the United States, after consultation with Florida and Maryland, that

(1) the purchase or purchases is or are for the purpose of competing effectively in at least small container solid waste hauling and (2) the purchaser or purchasers has or have the managerial, operational, and financial capability to compete effectively in at least small container solid waste hauling.

C. BFI shall not require of the purchaser or purchasers, as a condition of sale, that any current employee of the Divestiture Assets be offered or guaranteed continued employment after the divestiture.

D. BFI shall take all reasonable steps to accomplish quickly the divestiture contemplated by this Final Judgment.

V

APPOINTMENT OF TRUSTEE

A. In the event that BFI has not divested all of its interest required by Section IV.A by the time set forth in Section IV.A, the Court shall, on application of the United States, after consultation with Florida and Maryland, appoint a trustee selected by the United States to effect the remainder of the divestiture required by Section IV.A. After the appointment of a trustee becomes effective, only the trustee shall have the right to sell the assets required to be divested pursuant to Section IV.A. The trustee shall have the power and authority to accomplish the divestiture at the best price then obtainable upon a reasonable effort by the trustee, subject to the provisions of Section VI of this Final Judgment, and shall have such other powers as the Court shall deem appropriate. Defendant shall not object to a sale by

the trustee on any grounds other than the trustee's malfeasance, or on the grounds that the sale is contrary to the express terms of this Final Judgment. Any such objections by defendant must be conveyed in writing to plaintiffs and the trustee within ten (10) days after the trustee has provided the notice required under Section VI.

B. The trustee shall serve at the cost and expense of BFI, on such terms and conditions as the Court may prescribe, and shall account for all monies derived from the sale of the assets sold by the trustee and all costs and expenses so incurred. After approval by the Court of the trustee's accounting, including fees for its services, all remaining money shall be paid to BFI and the trust shall then be terminated. The compensation of such trustee shall be reasonable and based on a fee arrangement providing the trustee with an incentive based on the price and terms of the divestiture and the speed with which it is accomplished.

C. BFI shall use its best efforts to assist the trustee in accomplishing the required divestiture. The trustee and any consultants, accountants, attorneys, and other persons retained by the trustee shall have full and complete access to the personnel, books, records, and facilities of the Divestiture Assets, and defendant shall develop financial or other information relevant to such assets as the trustee may reasonably request, subject to reasonable protection for trade secret or other confidential research, development, or commercial information. Defendant shall take no action to interfere with or to impede the trustee's accomplishment of the divestiture.

D. After its appointment, the trustee shall file monthly reports with the parties and the Court setting forth the trustee's efforts to accomplish the divestiture ordered under this Final Judgment. If the trustee has not accomplished such divestiture within six (6) months after its appointment, the trustee shall thereupon promptly file with the Court a report setting forth (1) the trustee's efforts to accomplish the required divestiture, (2) the reasons, in the trustee's judgment, why the required divestiture has not been accomplished, and (3) the trustee's recommendations. The trustee shall at the same time furnish such report to the parties, who shall each have the right to be heard and to make additional recommendations consistent with the purpose of the trust. The Court shall thereafter enter such orders as it shall deem appropriate in order to carry out the purpose of the trust, which may, if necessary, include extending the trust and the term of the trustee's appointment by a period requested by the United States, after consultation with Florida and Maryland.

E. Defendant shall give 45 days' notice to the United States, to Florida and to Maryland prior to:

- (1) acquiring any interest in any assets other than in the ordinary course of business of any person that, at any time during the 12 months immediately preceding the acquisition, was engaged in the solid waste hauling industry in Maryland, Florida, Delaware or Pennsylvania where that person had small container revenues in excess of \$500,000 per year or total revenues in excess of \$1 million per year;

(2) acquiring any capital stock, or any other securities with voting rights of any supplier of solid waste hauling services, that at any time during the twelve (12) months immediately preceding the acquisition had been engaged in the solid waste hauling industry in Maryland, Florida, Delaware or Pennsylvania where that person had small container revenues in excess of \$500,000 per year or total revenues in excess of \$1 million per year;

(3) selling or transferring to any firm engaged in the solid waste hauling industry in the United States any of defendant's assets other than in the ordinary course of business that at any time during the 12 months immediately preceding the sale or transfer were used in the solid waste hauling industry in Maryland, Florida, Delaware or Pennsylvania where the assets are small container assets that generated in excess of \$500,000 in revenues per year or where total revenues are in excess of \$1 million per year;

(4) selling or transferring to any firm engaged in the solid waste hauling industry in Maryland, Florida, Delaware or Pennsylvania any of defendant's equity securities or any other securities with voting rights if the sale would give control over a solid waste hauling operation that generated small

container revenues in excess of \$500,000 per year or total revenues of \$1 million per year.

F. Defendant shall give 45 days' notice to the United States and to Maryland prior to:

(1) acquiring any interest in any assets other than in the ordinary course of business of any person that, at any time during the 12 months immediately preceding the acquisition, was engaged in the solid waste hauling industry in Maryland, Delaware or the counties of Pennsylvania contiguous to Maryland, where the revenues of that person, when aggregated with the revenues of any person or persons acquired in the previous 6 months, exceed the revenue limits of paragraph E (1) above;

(2) acquiring any capital stock, or any other securities with voting rights of any supplier of solid waste hauling services, that at any time during the 12 months immediately preceding the acquisition had been engaged in the solid waste hauling industry in Maryland, Delaware or the counties of Pennsylvania contiguous to Maryland, where the revenues of that person, when aggregated with the revenues of any person or persons acquired in the previous 6 months, exceed the revenue limits of paragraph E (2) above.

G. Defendant shall give 45 days' notice to the United States and to Florida prior to:

(1) acquiring any interest in any assets other than in the ordinary course of business of any person that, at

any time during the 12 months immediately preceding the acquisition, was engaged in the solid waste hauling industry in Florida, where the revenues of that person, when aggregated with the revenues of any person or persons acquired in the previous 6 months, exceed the revenue limits of paragraph E (1) above;

(2) acquiring any capital stock, or any other securities with voting rights of any supplier of solid waste hauling services, that at any time during the 12 months immediately preceding the acquisition had been engaged in the solid waste hauling industry in Florida, where the revenues of that person, when aggregated with the revenues of any person or persons acquired in the previous 6 months, exceed the revenue limits of paragraph E (2) above.

H. The purchaser or purchasers of the Divestiture Assets, or any of them, shall not, without the prior written consent of the United States, after consultation with Florida and Maryland, sell any of those assets to, or combine any of those assets with, those of BFI during the life of this decree. Furthermore, the purchaser or purchasers of the Divestiture Assets, or any of them, shall notify plaintiffs 45 days in advance of any proposed sale of all or substantially all of the assets, or control over those assets, acquired pursuant to this Final Judgment.

NOTIFICATION

A. BFI or the trustee, whichever is then responsible for effecting the divestiture required herein, shall notify plaintiffs of any proposed divestiture required by Section IV or V of this Final Judgment. If the trustee is responsible, it shall similarly notify BFI. The notice shall set forth the details of the proposed transaction and list the name, address, and telephone number of each person not previously identified who offered or expressed an interest or desire to acquire any ownership interest in the Divestiture Assets or any of them, together with full details of the same. Within fifteen (15) days after receipt of the notice, plaintiffs may request additional information concerning the proposed divestiture, the proposed purchaser, and any other potential purchaser. BFI or the trustee shall furnish the additional information within fifteen (15) days of the receipt of the request. If the United States fails to object within the period specified, or if the United States notifies in writing BFI and the trustee, if there is one, that it does not object, then the divestiture may be consummated, subject only to BFI's limited right to object to the sale under Section V.A. Upon objection by the United States, after consultation with Florida and Maryland, or by

BFI under Section V.A, the proposed divestiture shall not be accomplished unless approved by the Court.

B. Thirty (30) days from the date when BFI elects or appoints a majority of the Board of Directors of Attwoods, but in no event later than December 30, 1994, and every thirty (30) days thereafter until the divestiture has been completed, BFI shall deliver to plaintiffs a written report as to the fact and manner of compliance with Section IV of this Final Judgment. Each such report shall include, for each person who during the preceding thirty (30) days made an offer, expressed an interest or desire to acquire, entered into negotiations to acquire, or made an inquiry about acquiring any ownership interest in the Divestiture Assets or any of them, the name, address, and telephone number of that person and a detailed description of each contact with that person during that period. BFI shall maintain full records of all efforts made to divest the Divestiture Assets or any of them.
