JUDGE: Hon. Royce C. Lamberth

DECK TYPE: Antitrust

DATE STAMPED:

**JOINT MOTION TO ESTABLISH NOTICE AND COMMENT
PROCEDURES AND TO MODIFY THE MODIFIED FINAL JUDGMENT**

Plaintiff, United States of America, and defendant, Cemex, S.A.B. de C.V. ("Cemex"), jointly and concurrently move this Court under the Federal Rules of Civil Procedure 60(b)(5) and Section XI of the Modified Final Judgment ("MFJ") entered in this matter on November 28, 2007, to establish notice and comment procedures for the modification of the MFJ and to modify the MFJ to allow Cemex to reacquire Rinker Group Limited's ("Rinker") Kennedy Plant, located at 1406 Atlanta Avenue, Orlando, Florida 32806, which was divested to CRH plc ("CRH") pursuant to the MFJ.

In support of this motion, the parties state as follows:

1. Cemex and CRH propose to exchange two ready mix concrete plants located in Orlando, Florida. The two plants – Cemex's Division Avenue facility and CRH's Kennedy Plant – are located near downtown Orlando and serve the same geographic area. Cemex currently leases the land used by its downtown Division Avenue facility under a lease that expires on April 30, 2009. As a result of an acquisition that occurred close in time to the entry of the MFJ, CRH

now owns the land that Cemex leases, and it wants to displace Cemex and move its Kennedy Plant concrete operations to this site in order to take advantage of economies that can be realized by consolidating various aggregate and concrete operations there. The most efficient place for Cemex to relocate its operations in order to maintain its current ready mix concrete production capacity in downtown Orlando would be the Kennedy Plant site that Cemex previously divested to CRH, as CRH wishes to vacate and transfer its lease for the Kennedy Plant site to another party when it relocates to Division Avenue. However, Cemex is currently barred from reacquiring the Kennedy Plant site pursuant to Section XI of the MFJ. The proposed modification to Section XI of the MFJ will provide for Cemex's reacquisition of the Kennedy Plant to preserve Cemex's existing production capacity in downtown Orlando following CRH's move to Division Avenue. In the view of the United States the proposed modification is in the public interest.

2. The United States tentatively has agreed to modification of the MFJ, but as a matter of policy does not consent to the modification of judgments without public notice and an opportunity for public comment. A Proposed Order, attached hereto as Exhibit 1, may be entered by the Court forthwith, without further notice to any other party or any other proceedings in order to establish the following notice and comment procedures for the modification of the MFJ:

- a. that Cemex publish at its own expense a notice of the proposed modification of the MFJ, in the form attached hereto as Exhibit 2, in two consecutive issues of (a) The Washington Post and (b) The Orlando Sentinel and file proof of such publication with the Court;
- b. that the United States publish a notice, in the form attached hereto

as Exhibit 3, in the Federal Register the Joint Motion to Modify the Modified Final Judgment, the reasons for modifying the MFJ, and the opportunity to file comments;

- c. that copies of all comments received by the United States within 30 days after the last publication of the notices described in paragraphs 3(a) and 3(b), and the United States's responses to those comments, be filed with this Court by the United States within a reasonable period of time after the conclusion of the 30-day comment period; and
- d. that this Court will not enter the proposed Second Modified Final Judgment, a proposed form which is attached hereto as Exhibit 4, until the United States has filed such comments and its responses to those comments or the United States notifies the Court that no

comments were received and the United States moves that the
Proposed Second Modified Final Judgment should be entered by
the Court.

Take notice that a Joint Motion to Establish Notice and Comment Procedures and to Modify the Modified Final Judgment, a Memorandum of Plaintiff United States in Support of Joint Motion to Establish Notice and Comment Procedures and to Modify the Modified Final Judgment have been filed, and a proposed Order to Establish Notice and Comment Procedures for the Modification of the Modified Final Judgment has been entered, in the United States District Court for the District of Columbia in United States v. Cemex, S.A.B. de C.V. and Rinker Group Limited, Civil No. 1:07-cv-00640. The Modified Final Judgment, entered on November 28, 2007, required Cemex to divest 39 ready mix concrete, concrete block, and aggregate plants that served metropolitan areas in Florida and Arizona, including the Orlando, Florida area. On November 30, 2007, Cemex divested these assets to CRH plc ("CRH"). The current proposed modification would allow Cemex to reacquire Rinker's Kennedy ready mix concrete plant, located at 1406 Atlanta Avenue, Orlando, Florida 32806, which was one of the plants divested to

CRH. Cemex's reacquisition of the Kennedy plant from CRH is conditioned on CRH's acquisition of Cemex's own plant in Orlando, which is located only one-half mile away from the Kennedy plant.

UNITED STATES v. CEMEX, S.A.B. de C.V. and RINKER GROUP LIMITED

Proposed Modification of the Modified Final Judgment

Take notice that a Joint Motion to Establish Notice and Comment Procedures and to Modify the Modified Final Judgment, a Memorandum of Plaintiff United States in Support of Joint Motion to Establish Notice and Comment Procedures and to Modify the Modified Final Judgment have been filed, and a proposed Order to Establish Notice and Comment Procedures for the Modification of the Modified Final Judgment has been entered, in the United States District Court for the District of Columbia in United States v. Cemex, S.A.B. de C.V. and Rinker Group Limited, Civil No. 1:07-cv-00640. On April 4, 2007, the United States filed a Complaint (and an Amended Complaint on May 2, 2007) alleging that Cemex, S.A.B. de C.V.'s ("Cemex") proposed acquisition of Rinker Group Limited ("Rinker") would violate Section 7 of the Clayton Act, 15 U.S.C. § 18, by substantially lessening competition in the production and distribution of ready mix concrete in the metropolitan areas of Fort Walton Beach/Panama City/Pensacola, Jacksonville, Orlando, Tampa/St. Petersburg, Fort Myers/Naples, Florida, and the metropolitan areas of Flagstaff and Tucson, Arizona. In addition, the acquisition would have substantially lessened competition in the production and distribution of concrete block in metropolitan Tampa/St. Petersburg and Fort Myers/Naples, Florida. Finally, the acquisition would have substantially lessened competition in the production and distribution of aggregate in metropolitan Tucson, Arizona.

The Modified Final Judgment, entered on November 28, 2007, required Cemex to divest 39 ready mix concrete, concrete block, and aggregate plants that served metropolitan areas in Florida and Arizona, including the Orlando, Florida area. On November 30, 2007, Cemex divested these assets to CRH plc ("CRH"). The current proposed modification would allow Cemex to reacquire Rinker's Kennedy ready mix concrete plant, located at 1406 Atlanta Avenue, Orlando, Florida 32806, which was one of the plants divested to CRH. Cemex's reacquisition of the Kennedy plant is conditioned on CRH's acquisition of Cemex's own plant in Orlando, which is located only one-half mile away from the Kennedy plant.

III. Applicability

A. The provisions of this Second Modified Final Judgment, apply to Cemex, as defined above, and all other persons in active concert or participation with Cemex who receive actual notice of this Second Modified Final Judgment by personal service or otherwise.

B. Cemex shall require, as a condition of the sale or other disposition of all or substantially all of its assets or of lesser business units that include the Divestiture Assets, that the purchaser agrees to be bound by the provisions of this Second Modified Final Judgment.

IV. Divestitures

A. Cemex is ordered and directed, within one hundred twenty (120) calendar days after the Divestiture Trigger, or five (5) days after notice of the entry of the Modified Final Judgment by the Court, whichever is later, to divest the Divestiture Assets in a manner consistent with the Modified Final Judgment to an Acquirer or Acquirers acceptable to the United States in its sole discretion. The United States, in its sole discretion, may agree to one or more extensions of this time period, not to exceed in total sixty (60) calendar days, and shall notify the Court in each such circumstance. Cemex agrees to use its best efforts to divest the Divestiture Assets as expeditiously as possible.

B. In accomplishing the divestitures ordered by the Modified Final Judgment, Cemex promptly shall make known, by usual and customary means, the availability of the Divestiture Assets. Cemex shall inform any person making inquiry regarding a possible purchase of the Divestiture Assets that they are being divested pursuant to the Modified Final Judgment and provide that person with a copy of the Modified Final Judgment. Unless the United States otherwise consents in writing, Cemex shall offer to furnish to all prospective Acquirers, subject to customary confidentiality assurances, all information and documents relating to the Divestiture Assets that customarily are provided in a due diligence process except such information or documents subject to the attorney-client or work-product privilege. Cemex shall make available

such information to the United States at the same time that such information is made available to any other person.

C. Unless the United States otherwise consents in writing, Cemex shall provide the Acquirer or Acquirers and the United States information relating to personnel involved in production, operations, and sales at the Divestiture Assets to enable the Acquirer or Acquirers to make offers of employment. Cemex will not interfere with any negotiations by the Acquirer or Acquirers to employ any employee of the Divestiture Assets whose primary responsibility is production, operations, or sales at the Divestiture Assets.

D. Unless the United States otherwise consents in writing, Cemex shall permit prospective Acquirers of the Divestiture Assets to have reasonable access to personnel and to make inspections of the physical facilities of the Divestiture Assets; access to any and all environmental, zoning, and other permit documents and information; and access to any and all financial, operational, and other documents and information customarily provided as part of a due diligence process.

E. Cemex shall warrant to the Acquirer or Acquirers that those Divestiture Assets owned by Cemex prior to an acquisition of Rinker will be operational on the date of the divestiture. In addition, with respect to those Divestiture Assets owned by Rinker prior to an acquisition by Cemex, Cemex shall warrant to the Acquirer or Acquirers that those Divestiture Assets will be operational on the date of the divestiture, if they were operational on the date Cemex acquires a number of shares of Rinker stock in excess of 50 percent of the outstanding shares of Rinker.

F. Cemex shall not take any action that will impede in any way the permitting, operation, or divestiture of the Divestiture Assets.

G. Cemex shall warrant to the Acquirer or Acquirers that there are no material defects in the environmental, zoning, or other permits pertaining to the operation of those Divestiture Assets owned by Cemex prior to an acquisition of Rinker. In addition, with respect to those Divestiture Assets owned by Rinker prior to an acquisition by Cemex, Cemex shall warrant to the Acquirer or Acquirers that there are no material defects in the environmental, zoning, or other permits pertaining to the operation of those Divestiture Assets, if there are no material defects in the environmental, zoning, or other permits pertaining to the operation of those Divestiture Assets on the date Cemex acquires a number of shares of Rinker stock in excess of 50 percent of the outstanding shares of Rinker. Cemex shall not undertake, directly or indirectly, any challenges to the environmental, zoning, or other permits relating to the operation of the Divestiture Assets.

H. If for any reason Cemex is unable within the time period required by paragraph IV(A) to divest any of the Divestiture Assets or make any of the Divestiture Assets available for sale by the trustee appointed pursuant to Section V, or if for any reason Cemex does not make the warranties in paragraphs IV(E) and (G) with respect to the assets owned by Rinker prior to an acquisition by Cemex, for each such asset, the United States, in its sole discretion, may select one or more alternative assets owned by Cemex that are located or used in the same geographic area (as identified in boldface type in section II(E)) to be divested in lieu of the Divestiture Asset that could not be divested. Unless the United States consents otherwise in writing, divestiture of an

alternative Cemex asset shall include all tangible and intangible assets associated with that asset, as defined in paragraph II(E).

I. Unless the United States otherwise consents in writing, any divestiture pursuant to Section IV, or by trustee appointed pursuant to Section V, of this Final Judgment, shall include the entire Divestiture Assets, and shall be accomplished in such a way as to satisfy the United States, in its sole discretion, that the Divestiture Assets can and will be used by the Acquirer or Acquirers as viable, ongoing businesses engaged in producing and distributing ready mix concrete, concrete block, and/or aggregate, that the Divestiture Assets will remain viable, and that the divestiture of such assets will remedy the competitive harm alleged in the Amended Complaint. The sale of the Divestiture Assets may be made to one or more Acquirers, so long as: (1) all of the ready mix concrete plants in a geographic area (as identified in boldface type in section II(E)) are divested to a single Acquirer; (2) all of the concrete block plants in a geographic area are divested to a single Acquirer; (3) both aggregate plants listed in paragraph II(E)(3) are divested to the same Acquirer that acquires the ready mix concrete plants listed in paragraphs II(E)(1)(g)(i)-(iii); and (4) in each instance it is demonstrated in a manner acceptable to the United States in its sole discretion that the Divestiture Assets will remain viable and the divestiture of such Divestiture assets will remedy the competitive harm alleged in the Amended Complaint. The divestitures, whether pursuant to Section IV or Section V of the Modified Final Judgment,

1. shall be made to an Acquirer or Acquirers that, in the United States's sole judgment, has the intent and capability (including the necessary managerial, operational, technical and financial capability) to compete

effectively in the production and distribution of ready mix concrete, concrete block, and/or aggregate; and

2. shall be accomplished so as to satisfy the United States, in its sole discretion, that none of the terms of any agreement between an Acquirer or Acquirers and Cemex gives Cemex the ability to unreasonably raise the Acquirer's costs, to lower the Acquirer's efficiency, or otherwise to interfere in the ability of the Acquirer to compete effectively in the production and distribution of ready mix concrete, concrete block, and/or aggregate.

J. If Cemex does not acquire a number of shares of Rinker stock in excess of 50 percent of the outstanding shares of Rinker, Cemex shall divest all its interest in Rinker within six months from the date the Modified Final Judgment is signed by the Court. Pending such divestiture, Cemex shall not, directly or indirectly: (1) exercise dominion or control over, or otherwise seek to influence, the management, direction, or supervision of the business of Rinker; (2) seek or obtain representation on the Board of Directors of Rinker; (3) exercise any voting rights attached to the shares; (4) seek or obtain access to any confidential or proprietary information of Rinker; or (5) take any action or omit to take any action that would have an effect different than if Cemex's interest in Rinker were that of a purely passive investor.

V. Appointment of Trustee to Effect Divestitures

A. If Cemex has not divested the Divestiture Assets within the time period specified in paragraph IV(A), Cemex shall notify the United States of that fact in writing. Upon

application of the United States, the Court shall appoint a trustee selected by the United States and approved by the Court to effect the divestiture of the Divestiture Assets.

B. After the appointment of a trustee becomes effective, only the trustee shall have the right to sell the Divestiture Assets. The trustee shall have the power and authority to accomplish the divestiture to an Acquirer acceptable to the United States at such price and on such terms as are then obtainable upon reasonable effort by the trustee, subject to the provisions of Sections IV, V, and VI of the Modified Final Judgment, and shall have such other powers as this Court deems appropriate. Subject to paragraph V(D) of the Modified Final Judgment, the trustee may hire at the cost and expense of Cemex any investment bankers, attorneys, or other agents, who shall be solely accountable to the trustee, reasonably necessary in the trustee's judgment to assist in the divestiture.

C. Cemex shall not object to a sale by the trustee on any ground other than the trustee's malfeasance. Any such objection by Cemex must be conveyed in writing to the United States and the trustee within ten (10) calendar days after the trustee has provided the notice required under Section VI.

D. The trustee shall serve at the cost and expense of Cemex, on such terms and conditions as plaintiff approves, and shall account for all monies derived from the sale of the assets sold by the trustee and all costs and expenses so incurred. After approval by the Court of the trustee's accounting, including fees for its services and those of any professionals and agents retained by the trustee, all remaining money shall be paid to Cemex and the trust shall then be terminated. The compensation of the trustee and any professionals and agents retained by the trustee shall be reasonable in light of the value of the Divestiture Assets and based on a fee

arrangement providing the trustee with an incentive based on the price and terms of the divestiture and the speed with which it is accomplished, but timeliness is paramount.

E. Cemex shall use its best efforts to assist the trustee in accomplishing the required divestiture. The trustee and any consultants, accountants, attorneys, and other persons retained by the trustee shall have full and complete access to the personnel, books, records, and facilities of the business to be divested, and Cemex shall develop financial and other information relevant to such business as the trustee may reasonably request, subject to reasonable protection for trade secrets or other confidential research, development, or commercial information. Cemex shall take no action to interfere with or to impede the trustee's accomplishment of the divestiture.

F. After its appointment, the trustee shall file monthly reports with the United States and the Court setting forth the trustee's efforts to accomplish the divestiture ordered under the Modified Final Judgment. To the extent such reports contain information that the trustee deems confidential, such reports shall not be filed in the public docket of the Court. Such reports shall include the name, address, and telephone number of each person who, during the preceding month, made an offer to acquire, expressed an interest in acquiring, entered into negotiations to acquire, or was contacted or made an inquiry about acquiring the Divestiture Assets, and shall describe in detail each contact with any such person. The trustee shall maintain full records of all efforts made to divest the Divestiture Assets.

G. If the trustee has not accomplished such divestiture within six months after its appointment, the trustee shall promptly file with the Court a report setting forth: (1) the trustee's efforts to accomplish the required divestiture; (2) the reasons, in the trustee's judgment, why the required divestiture has not been accomplished; and (3) the trustee's recommendations. To the

extent such report contains information that the trustee deems confidential, such report shall not be filed in the public docket of the Court. The trustee shall at the same time furnish such report to the plaintiff, who shall have the right to make additional recommendations consistent with the purpose of the trust. The Court thereafter shall enter such orders as it shall deem appropriate to carry out the purpose of the Modified Final Judgment, which may, if necessary, include extending the trust and the term of the trustee's appointment by a period requested by the United States.

VI. Notice of Proposed Divestiture

A. Within two (2) business days following execution of a definitive divestiture agreement, Cemex or the trustee, whichever is then responsible for effecting the divestiture required herein, shall notify the United States of any proposed divestiture required by Section IV or V of the Modified Final Judgment. If the trustee is responsible, it shall similarly notify Cemex. The notice shall set forth the details of the proposed divestiture and list the name, address, and telephone number of each person not previously identified who offered or expressed an interest in or desire to acquire any ownership interest in the Divestiture Assets, together with full details of the same.

B. Within fifteen (15) calendar days of receipt by the United States of such notice, the United States may request from Cemex, the proposed Acquirer or Acquirers, any other third party, or the trustee, if applicable, additional information concerning the proposed divestiture, the proposed Acquirer or Acquirers, and any other potential Acquirer. Cemex and the trustee shall furnish any additional information requested within fifteen (15) calendar days of the receipt of the request, unless the parties shall otherwise agree.

C. Within thirty (30) calendar days after receipt of the notice, or within twenty (20) calendar days after the United States has been provided the additional information requested from Cemex, the proposed Acquirer or Acquirers, any third party, or the trustee, whichever is later, the United States shall provide written notice to Cemex and the trustee, if there is one, stating whether or not it objects to the proposed divestiture. If the United States provides written notice that it does not object, the divestiture may be consummated, subject only to Cemex's limited right to object to the sale under paragraph V(C) of the Modified Final Judgment. Absent written notice that the United States does not object to the proposed Acquirer or upon objection by the United States, a divestiture proposed under Section IV or Section V shall not be consummated. Upon objection by Cemex under paragraph V(C), a divestiture proposed under Section V shall not be consummated unless approved by the Court.

VII. Financing

Cemex shall not finance all or any part of any purchase by an Acquirer of any Divestiture Asset pursuant to Section IV or V of the Modified Final Judgment.

VIII. Hold Separate

Until the divestiture required by the Modified Final Judgment has been accomplished, Cemex shall take all steps necessary to comply with the Amended Hold Separate Stipulation and Order entered by this Court. Cemex shall take no action that would jeopardize the divestiture ordered by this Court.

IX. Affidavits

A. Within twenty (20) calendar days of the Divestiture Trigger, and every thirty (30) calendar days thereafter until the divestitures have been completed under Section IV or V,

Cemex shall deliver to the United States an affidavit as to the fact and manner of its compliance with Section IV or V of the Modified Final Judgment. Each such affidavit shall include the name, address, and telephone number of each person who, during the preceding thirty days, made an offer to acquire, expressed an interest in acquiring, entered into negotiations to acquire, or was contacted or made an inquiry about acquiring, any interest in the Divestiture Assets, and shall describe in detail each contact with any such person during that period. Each such affidavit shall also include a description of the efforts Cemex has taken to solicit buyers for the Divestiture Assets, and to provide required information to any prospective Acquirer, including the limitations, if any, on such information. Assuming the information set forth in the affidavit is true and complete, any objection by the United States to information provided by Cemex, including limitations on the information, shall be made within fourteen (14) calendar days of receipt of such affidavit.

B. Within twenty (20) calendar days of the filing of the Amended Complaint in this matter, Cemex shall deliver to the United States an affidavit that describes in reasonable detail all actions Cemex has taken and all steps Cemex has implemented on an ongoing basis to comply with Section VIII of the Modified Final Judgment. Cemex shall deliver to the United States an affidavit describing any changes to the efforts and actions outlined in Cemex's earlier affidavits filed pursuant to this section within fifteen (15) calendar days after the change is implemented.

C. Cemex shall keep all records of all efforts made to preserve and divest the Divestiture Assets until one year after such divestitures have been completed.

X. Compliance Inspection

A. For the purposes of determining or securing compliance with this Second Modified Final Judgment, or of determining whether the Second Modified Final Judgment should be modified or vacated, and subject to any legally recognized privilege, from time to time duly authorized representatives of the United States Department of Justice, including consultants and other persons retained by the United States, shall, upon written request of a duly authorized representative of the Assistant Attorney General in charge of the Antitrust Division, and on reasonable notice to Cemex, be permitted:

1. access during Cemex's office hours to inspect and copy, or at plaintiff's option, to require Cemex to provide copies of, all books, ledgers, accounts, records and documents in the possession, custody, or control of Cemex, relating to any matters contained in this Second Modified Final Judgment; and
2. to interview, either informally or on the record, Cemex's officers, employees, or agents, who may have their individual counsel present, regarding such matters. The interviews shall be subject to the reasonable convenience of the interviewee and without restraint or interference by Cemex.

B. Upon the written request of a duly authorized representative of the Assistant Attorney General in charge of the Antitrust Division, Cemex shall submit written reports or responses to written interrogatories, under oath if requested, relating to any of the matters contained in this Second Modified Final Judgment as may be requested.

C. No information or documents obtained by the means provided in this section shall be divulged by the United States to any person other than an authorized representative of the

executive branch of the United States, except in the course of legal proceedings to which the United States is a party (including grand jury proceedings), or for the purpose of securing compliance with this Second Modified Final Judgment, or as otherwise required by law.

D. If, at the time information or documents are furnished by Cemex to the United States, Cemex represents and identifies in writing the material in any such information or documents to which a claim of protection may be asserted under Rule 26(c)(7) of the Federal Rules of Civil Procedure, and Cemex marks each pertinent page of such material, "Subject to claim of protection under Rule 26(c)(7) of the Federal Rules of Civil Procedure," then the United States shall give Cemex ten (10) calendar days notice prior to divulging such material in any legal proceeding (other than a grand jury proceeding).

XI. No Reacquisition

Cemex may not reacquire any part of the Divestiture Assets during the term of this Second Modified Final Judgment, except that Cemex may reacquire Rinker's Kennedy plant, located at 1406 Atlanta Avenue, Orlando, Florida 32806, provided that it simultaneously divests and does not subsequently reacquire its Division Avenue plant located at 2201 Division Avenue, Orlando, Florida.

XII. Retention of Jurisdiction

This Court retains jurisdiction to enable any party to this Second Modified Final Judgment to apply to this Court at any time for further orders and directions as may be necessary or appropriate to carry out or construe this Second Modified Final Judgment, to modify any of its provisions, to enforce compliance, and to punish violations of its provisions.

XIII. Expiration of Final Judgment

Unless this Court grants an extension, this Second Modified Final Judgment shall expire on November 28, 2017.

XIV. Public Interest Determination

Entry of this Second Modified Final Judgment is in the public interest.
