The combination and conspiracy engaged in by the defendant and its co-conspirators was in unreasonable restraint of interstate and foreign trade and commerce in violation of Section 1 of the Sherman Act (15 U.S.C. § 1).

- (f) supply choline chloride to various customers located throughout the United States at non-competitive prices and receive compensation therefore.

4. For the purpose of forming and carrying out the charged combination and conspiracy, the defendant and co-conspirators did those things that they combined and conspired to do, including, among other things:

- (a) participating in meetings and conversations in the United States and elsewhere to discuss the prices and volume of choline chloride sold in the United States and elsewhere;

- (b) agreeing, during those meetings and conversations, to charge prices at specified levels and otherwise to fix, increase, and maintain prices of choline chloride sold in the United States and elsewhere;
- (c) agreeing, during those meetings and conversations, to allocate among the defendant and corporate conspirators the approximate volume of choline chloride to be sold by the defendant and each corporate conspirator in the United States and elsewhere;
- (d) agreeing, during those meetings and conversations, to allocate among the defendant and corporate conspirators customers of choline chloride in the United States and elsewhere;
- (e) agreeing, during those meetings and conversations, to divide markets worldwide for choline chloride among themselves;
- (f) agreeing, during those meetings and conversations, to restrict choline chloride producing capacity among the defendant and corporate conspirators;
- (g) exchanging sales and customer information for the purpose of monitoring and enforcing adherence to the above-described agreement;
- (h) issuing price announcements and price quotations in accordance with the agreements reached;
- (i) discussing among co-conspirators the submission of prospective bids to supply choline chloride to customers located throughout the United States;
- (j) designating whether the defendant or another corporate

conspirator would be the designated low bidder for contracts to supply choline chloride to customers located throughout the United States;

(k) discussing and agreeing upon prices to be contained within the bids for contracts to supply choline chloride to customers in the United States;
