INFORMATION

The United States of America, acting through its attorneys, charges:

I

DESCRIPTION OF THE OFFENSE

1. John Kennedy is hereby made a defendant on the charge stated below.
2. Beginning at least as early as January 1988 and continuing until at least September 29, 1998, the exact dates being unknown to the United States, the defendant and co-conspirators entered into and participated in a combination and conspiracy to suppress and eliminate competition by fixing the price of, allocating customers for, and the volume of, choline chloride sold in the United States and elsewhere. The combination and conspiracy engaged in by the defendant and

co-conspirators was in unreasonable restraint of interstate and foreign trade and commerce in violation of Section 1 of the Sherman Act (15 U.S.C. § 1).

3. The charged combination and conspiracy consisted of a continuing agreement, understanding, and concert of action among the defendant and co-conspirators, the substantial terms of which were:

- (a) to agree to fix and maintain prices and to coordinate price increases for the sale of choline chloride in the United States and elsewhere;
- (b) to agree to allocate among the corporate conspirators the volume of sales of choline chloride in the United States and elsewhere;
- (c) to agree to allocate among the corporate conspirators customers of choline chloride in the United States and elsewhere;
- (d) to allocate among the corporate conspirators all or part of certain contracts to supply choline chloride to various customers located throughout the United States;

- (e) to refrain from submitting bids, or to submit collusive, non-competitive, and rigged bids to supply choline chloride to various customers located in the United States; and
- (f) to supply choline chloride to various customers located throughout the United States at non-competitive prices and receive compensation therefore.

4. For the purpose of forming and carrying out the charged combination and conspiracy, the defendant and co-conspirators did those things that they combined and conspired to do, including, among other things:

- (a) participating in meetings and conversations in the United States and elsewhere to discuss the prices and volume of choline chloride sold in the United States and elsewhere;
- (b) agreeing, during those meetings and conversations, to charge prices at specified levels and otherwise to increase and maintain prices of choline chloride sold in the United States and elsewhere;

- (c) agreeing, during those meetings and conversations, to allocate among the corporate conspirators the approximate volume of choline chloride to be sold by each corporate conspirator in the United States and elsewhere;
- (d) agreeing, during those meetings and conversations, to allocate among the corporate conspirators customers of choline chloride in the United States and elsewhere;
- (e) agreeing, during those meetings and conversations, to divide markets worldwide for choline chloride among the corporate conspirators;
- (f) agreeing, during those meetings and conversations, to restrict choline chloride producing capacity among the corporate conspirators;
- (g) exchanging sales and customer information for the purpose of monitoring and enforcing adherence to the above-described agreement;
- (h) issuing price announcements and price quotations in accordance with the agreements reached;
- (i) discussing among co-conspirators the submission of prospective bids to supply choline chloride to customers located throughout the United States;

- (j) designating which corporate conspirator would be the designated low bidder for contracts to supply choline chloride to customers located throughout the United States;
- (k) discussing and agreeing upon prices to be contained within the bids for contracts to supply choline chloride to customers in the United States;
- (l) refraining from bidding or submitting intentionally high, complementary bids for the contracts to supply choline chloride to customers in the United States; and
- (m) supplying choline chloride to various customers in the United States at non-competitive prices and receiving compensation therefore.

II

BACKGROUND

5. Choline chloride is a vitamin of the B-complex group. Choline chloride, or vitamin B4, is sold by manufacturers and resellers to customers in the animal nutrition industry. Choline chloride is an ingredient necessary for the proper growth and development of animals.

III
