ERRATA

On June 11, 2010, the United States filed with this Court its Response to Public Comments as well as a copy of each of the submissions it received during the public comment period for this matter (Document #19 in this docket). The United States inadvertently omitted from that filing page three of Mr. Nelson M. Stewart’s comment and page six of Attachment C to the comment. A corrected, complete copy of Mr. Stewart’s submission is attached.
