>[[ A friend of mine owns/operates an ISP (on Suns :-)). Anyway, we
    received this cold "form letter" from Microsoft, looking to give
    away some of their free software. Just an FYI. --jk ]]

>> be able to work together. Can you route this to your owner, business
                                                                       CONFIDENTIAL
>> or marketing person?
>> Thanks
>>
        I would like to have you distribute Internet Explorer for
>>
>> Win 95, Win 3.1 and Macintosh to your customers. We will license those
>> products to you free of charge.
>> I am also offering a copy of Internet Information Server which,
>> I think, you as an ISP will find adds value to your service. The
>> Internet Explorer offers you reduced browser costs, which should
>> help you to differentiate your service, while allowing you to
>> provide your customers with a great browser.
>>
>> I would also hope that you could help us figure out how we might work
>> better together. If you'd like, reply to this mail and I'll send you
>> the information on licensing IE and the software mentioned.
>>
>> Can you help me as follows:
>>
>> A. Be sure to send me your physical address so we can ship the product.
>>
>> B. Let me know more about who you are and how we can be of help.
>>
         1) Nature of your business: Access, Web design etc?
>>
>>
        2) Territory covered?
>>
>>
        3) Number of subcribers?
>>
>>
         4) Do you distribute a browser today? Who's? Interest level in IE?
>>
>>
        5) UNIX or NT platform?
>>
>>
        Anything specific that we could help you out on?
>> C.
>>
>>
>>
