

Response to Comments in  
*United States v. Village Voice Media*

Exhibit D

February 8, 2003

James R. Wade, Chief  
Litigation III, Antitrust Division  
US Department of Justice  
325 Seventh St. NW Suite 300  
Washington, D.C. 20530-0001

Dear Sir:

Thank you for stopping the monopolistic tendencies exhibited by New Times and the Village Voice. These kinds of collusion to prevent competition in the newspaper field can only encourage further monopoly of other media outlets if not stopped in its tracks.

Sincerely,

A handwritten signature in cursive script, appearing to read "Denise D'Anne".
