Subject: [EXTERNAL] Break Up Big Medicine
Date: Thursday, August 21, 2025 11:54:20 AM

The government has to really start caring about people because the way things are going people have to choose food or medicines should not be happening. It is bad enough there is no cap on how much CEO's can make even if it hurts people who cannot afford high priced medicines.

Thank you for taking the time to read this letter.

Sincerely,

Brenda
