Subject: [EXTERNAL] UnitedHealth's Acquisition of Amedysis
Date: Thursday, August 21, 2025 12:02:01 PM

Healthcare costs are skyrocketing and outpace those of most developed nations. Press reports say overhead costs of companies such as UnitedHealth range about 30% versus other developed countries at 3 to 5%. Mergers like the one proposed here will only increase costs to citizens and should not be allowed. We need what little competition still exists to keep costs in check. Please do not agree to the settlement and merger.
