**Date:** Thursday, August 21, 2025 12:10:48 PM

---

There needs to be reform to the US healthcare!  
Doctors get paid more if their patients stay sick. They are taught to just prescribe drugs rather than heal!  
Find the reason for the sickness.  
Other countries get paid when their patients are well!  
Stop the greed!

Regards,  
Lois
