Subject: [EXTERNAL] United Health Group proposed acquisition Of Amedisys
Date: Thursday, August 21, 2025 12:35:04 PM

I am really appalled to learn that the Justice Department is planning to allow this acquisition to go forward. We need to be breaking up Health "monopolies", not expanding them. Given United Health's track record refusing patient care, it is especially concerning that the company may be rewarded for very poor service to the general public. Please do not allow this acquisition to go forward!
