Subject: [EXTERNAL] United Healthcare's acquisition of Amedisys
Date: Thursday, August 21, 2025 12:37:05 PM

Dear Department of Justice:

I am opposed to this acquisition. I think too much of our healthcare system has been bought up by big business in order to turn healthcare dollars into corporate profits rather than actual care for people, and that this merger is another example of this awful trend. United Healthcare does not have a good track record of putting care delivery ahead of profits.

Thank you for your attention to this matter. I enjoin you to bust up these bloated, corrupt healthcare conglomerates and return healthcare dollars to hard working direct care providers, and local systems benefiting communities they serve.
