**Subject:** [EXTERNAL] UnitedHealth Group Settlement  
**Date:** Thursday, August 21, 2025 1:06:45 PM

---

U.S. District Judge James Bredar must use his authority under the 1974 Tunney Act to scrutinize the Justice Department's proposed settlement to block the acquisition of Amedisys by UnitedHealth Group in the best interest of the public. Healthcare conglomerates drive costs up, quality down, and independent providers out of business and trusting trusting Big Medicine to put the public's interests above its own, despite decades of evidence to the contrary.

Sincerely,

Rachel Casparian
