Subject: [EXTERNAL] Proposed merger of UHC and Amedisys
Date: Sunday, August 24, 2025 8:13:28 PM

Our healthcare is the highest priced in the world. Distressingly, our outcomes for these prices are worse than most of the world's outcomes—particularly other so-called developed countries. Why then, would we continue to allow mega-corporations, adding to our costs by eliminating competitors? This is absolutely NOT in the public interest.

Sincerely,

Wendy Fast
