Ref: The Department of Justice Review of the Paramount Consent Decrees August 2018  
(United States v. Paramount Pictures, Inc 334 U.S. 131 (1948))

The Cumberland Drive-In Theatre, LLC is a small business that operates a single screen drive-in movie theater in Newville, PA., and we are the only theater within a 30 mile diameter. I would like to comment on the above mentioned Review of the Paramount Decrees.

I support the Comments by the United Drive-In Theatre Owners Association and the Comments of the Independent Cinema Alliance as they pertain to the Paramount Decrees. Thank you for the opportunity to comment.

Sincerely,
