APPENDIX A

Re: Final Judgment in United States v. Golden Gate Sportfishers, Inc., Civil no. C78-1608 WWS

Dear Sir:

Enclosed herewith is a copy of a Final Judgment entered , 1978, in United States v. Golden Gate Sportfishers, Inc., Civil No. C78-1608 WWS. The terms of the Final Judgment require that a copy of said Judgment as well as this letter be served upon you. You should read the terms of the Final Judgment carefully and note that you as a member of the association are bound by its provisions. The purpose of this letter is to enable you to better understand those provisions.

The essence and intent of the Final Judgment is that you should make your own pricing and profit decisions without consulting with any other sportfishing boats or organization of such boats. This includes not only the price of passage, but also any discounts, or concessions in the charges for rental fishing equipment, tackle, or bait. Prices should not be a subject of agreement. Nor should you attempt to influence the prices charged by others, whether such influence be in the form of persuasion or coercion.
