Subject: BMI & ASCAP Consent Decrees

Good Day DOJ Team,

I am writing to ask that you preserve the Consent Decrees for both ASCAP and BMI.

During this difficult time we are trying to provide a great experience for our guests. The inclusion of music is a plus for the artists as well as our guests. We understand the reason behind compensating artists when their music is played for the public, but to allow 2 organizations to have total control of the fees to broadcast a huge percentage of the artists' works.

Please consider this request when reviewing these consent decrees.

Best Regards,
