Dear

This letter sets forth the terms and conditions of an agreement between the Antitrust Division of the United States Department of Justice and "Applicant"), in connection with or other conduct constituting a criminal violation of Section 1 of the Sherman Act, 15 U.S.C. § 1, involving

This Agreement is conditional and depends upon Applicant (1) establishing that it is eligible for leniency as it represents in paragraph 1 of this Agreement, and (2) cooperating in the Antitrust Division’s investigation as required by paragraph 2 of this Agreement. After Applicant establishes that it is eligible to receive leniency and provides the required cooperation, the Antitrust Division will notify Applicant in writing that it has been granted unconditional leniency. It is further agreed that disclosures made by counsel for Applicant in furtherance of the leniency application will not constitute a waiver of the attorney-client privilege or the work-product privilege. Applicant represents that it is fully familiar with the Antitrust Division’s Corporate Leniency Policy dated August 10, 1993 (attached), which is incorporated by reference herein.¹

AGREEMENT

1. Eligibility: Applicant desires to report to the Antitrust Division, or other conduct constituting a criminal violation of Section 1 of the Sherman Act involving ("the anticompetitive activity being reported"). Applicant represents to the Antitrust Division that it is eligible to receive leniency in that, in connection with the anticompetitive activity being reported, it:

(a) took prompt and effective action to terminate its participation in the anticompetitive activity being reported upon discovery of the activity; and

(b) did not coerce any other party to participate in the anticompetitive activity being reported and was not the leader in, or the originator of, the activity.

Applicant agrees that it bears the burden of proving its eligibility to receive leniency, including the accuracy of the representations made in this paragraph, and that it fully understands the consequences that might result from a revocation of leniency as explained in paragraph 3 of this Agreement. As used in this Agreement, discovery of the anticompetitive activity being reported means discovery by the authoritative representatives of Applicant for legal matters, either the board of directors or counsel representing Applicant.

2. Cooperation: Applicant agrees to provide full, continuing, and complete cooperation to the Antitrust Division in connection with the anticompetitive activity being reported, including, but not limited to, the following:

(a) providing a full exposition of all facts known to Applicant relating to the anticompetitive activity being reported;

(b) providing promptly, and without requirement of subpoena, all documents, information, or other materials in its possession, custody, or control, wherever located, not privileged under the attorney-client privilege or work-product privilege, requested by the Antitrust Division in connection with the anticompetitive activity being reported, to the extent not already produced;

(c) using its best efforts to secure the ongoing, full, and truthful cooperation of the current directors, officers, and employees of Applicant (collectively “covered employees”), and encouraging such persons voluntarily to provide the Antitrust Division with any information they may have relevant to the anticompetitive activity being reported;

(d) facilitating the ability of covered employees to appear for such interviews or testimony in connection with the anticompetitive activity being reported as the Antitrust Division may require at the times and places designated by the Division;

(e) using its best efforts to ensure that covered employees who provide information to the Antitrust Division relevant to the anticompetitive activity being reported respond completely,
candidly, and truthfully to all questions asked in interviews and
grand jury appearances and at trial;

(f) using its best efforts to ensure that covered employees who provide
information to the Antitrust Division relevant to the
anticompetitive activity being reported make no attempt either
falsely to protect or falsely to implicate any person or entity; and

(g) making all reasonable efforts, to the satisfaction of the Antitrust
Division, to pay restitution to any person or entity injured as a
result of the anticompetitive activity being reported, in which
Applicant was a participant. However, Applicant is not required to
pay restitution to victims whose antitrust injuries are independent
of any effects on United States domestic commerce proximately
caused by the anticompetitive activity being reported.

3. Corporate Leniency: Subject to verification of Applicant’s representations in
paragraph 1 above, and subject to its full, continuing, and complete cooperation, as
described in paragraph 2 above, the Antitrust Division agrees conditionally to accept
Applicant into Part A of the Corporate Leniency Program, as explained in the attached
Corporate Leniency Policy. Pursuant to that policy, the Antitrust Division agrees not to
bring any criminal prosecution against Applicant for any act or offense it may have
committed prior to the date of this letter in connection with the anticompetitive activity
being reported. The commitments in this paragraph are binding only upon the Antitrust
Division, although, upon request of Applicant, the Division will bring this Agreement to
the attention of other prosecuting offices or administrative agencies. If at any time before
Applicant is granted unconditional leniency the Antitrust Division determines that
Applicant (1) contrary to its representations in paragraph 1 of this Agreement, is not
eligible for leniency or (2) has not provided the cooperation required by paragraph 2 of
this Agreement, this Agreement shall be void, and the Antitrust Division may revoke the
conditional acceptance of Applicant into the Corporate Leniency Program. Before the
Antitrust Division makes a final determination to revoke Applicant’s conditional
leniency, the Division will notify counsel for Applicant in writing of the recommendation
of Division staff to revoke the conditional acceptance of Applicant into the Corporate
Leniency Program and will provide counsel an opportunity to meet with the Division
regarding the potential revocation. Should the Antitrust Division revoke the conditional
acceptance of Applicant into the Corporate Leniency Program, the Antitrust Division
may thereafter initiate a criminal prosecution against Applicant in connection with the
anticompetitive activity being reported, without limitation. Should such a prosecution be
initiated, the Antitrust Division may use against Applicant in any such prosecution any
documents, statements, or other information provided to the Division at any time
pursuant to this Agreement by Applicant or by any of its current directors, officers, or
employees. Applicant understands that the Antitrust Division’s Leniency Program is an
exercise of the Division’s prosecutorial discretion, and Applicant agrees that it may not,
and will not, seek judicial review of any Division decision to revoke its conditional
leniency unless and until it has been charged by indictment or information for engaging in the anticompetitive activity being reported.

4. Non-Prosecution Protection For Corporate Directors, Officers, And Employees: Subject to verification of Applicant's representations in paragraph 1 above, and subject to Applicant's full, continuing, and complete cooperation as described in paragraph 2 above, the Antitrust Division agrees that covered employees who admit to the Division their knowledge of, or participation in, and fully and truthfully cooperate with the Division in its investigation of the anticompetitive activity being reported, shall not be prosecuted criminally by the Antitrust Division for any act or offense committed during their period of employment at Applicant prior to the date of this letter in connection with the anticompetitive activity being reported. Such full and truthful cooperation shall include, but not be limited to:

(a) producing in the United States all documents and records, including personal documents and records, and other materials, wherever located, not privileged under the attorney-client privilege or work-product privilege, requested by attorneys and agents of the United States in connection with the anticompetitive activity being reported;

(b) making himself or herself available for interviews in the United States upon the request of attorneys and agents of the United States in connection with the anticompetitive activity being reported;

(c) responding fully and truthfully to all inquiries of the United States in connection with the anticompetitive activity being reported, without falsely implicating any person or intentionally withholding any information, subject to the penalties of making false statements (18 U.S.C. § 1001) and obstruction of justice (18 U.S.C. § 1503 et seq.);

(d) otherwise voluntarily providing the United States with any materials or information, not requested in (a) - (c) of this paragraph and not privileged under the attorney-client privilege or work-product privilege, that he or she may have relevant to the anticompetitive activity being reported; and

(e) when called upon to do so by the United States, testifying in trial and grand jury or other proceedings in the United States, fully, truthfully, and under oath, subject to the penalties of perjury (18 U.S.C. § 1621), making false statements or declarations in grand jury or court proceedings (18 U.S.C. § 1623), contempt (18 U.S.C. §§ 401-402), and obstruction of justice (18 U.S.C. § 1503 et seq.), in connection with the anticompetitive activity being reported.
The commitments in this paragraph are binding only upon the Antitrust Division, although, upon the request of Applicant, the Division will bring this Agreement to the attention of other prosecuting offices or administrative agencies. In the event a covered employee fails to comply fully with his or her obligations hereunder, this Agreement as it pertains to such individual shall be void, and any conditional leniency, immunity, or non-prosecution (hereinafter "conditional non-prosecution protection") granted to such individual under this Agreement may be revoked by the Antitrust Division. The Antitrust Division also reserves the right to revoke the conditional non-prosecution protection of this Agreement with respect to any covered employee who the Division determines caused Applicant to be ineligible for leniency under paragraph 1 of this Agreement, who continued to participate in the anticompetitive activity being reported after Applicant took action to terminate its participation in the activity and notified the individual to cease his or her participation in the activity, or who obstructed or attempted to obstruct an investigation of the anticompetitive activity being reported at any time, whether the obstruction occurred before or after the date of this Agreement. Absent exigent circumstances, before the Antitrust Division makes a final determination to revoke an individual's conditional non-prosecution protection, the Division will notify counsel for such individual and Applicant's counsel in writing of the recommendation of Division staff to revoke the conditional non-prosecution protection granted to the individual under this Agreement and will provide counsel an opportunity to meet with the Division regarding the potential revocation. Should any conditional non-prosecution protection granted to an individual under this Agreement be revoked, the Antitrust Division may thereafter prosecute such individual criminally in connection with the anticompetitive activity being reported, without limitation, and may use against such individual in such prosecution any documents, statements, or other information which was provided to the Division at any time pursuant to this Agreement by Applicant or by any of its current directors, officers, or employees, including such individual. Judicial review of any Antitrust Division decision to revoke any conditional non-prosecution protection granted to an individual under this Agreement is not available unless and until the individual has been charged by indictment or information for engaging in the anticompetitive activity being reported.

Before the Antitrust Division makes a final determination to revoke Applicant’s conditional leniency, the Division will notify counsel for Applicant in writing of the recommendation of Division staff to revoke the conditional acceptance of Applicant into the Corporate Leniency Program and will provide counsel an opportunity to meet with the Division regarding the potential revocation. Should the Antitrust Division revoke the conditional acceptance of Applicant into the Corporate Leniency Program, the Antitrust Division may thereafter initiate a criminal prosecution against Applicant, without limitation. Should such a prosecution be initiated, the Antitrust Division may use against Applicant in any such prosecution any documents, statements, or other information provided to the Division at any time pursuant to this Agreement by Applicant or by any of its covered employees. Applicant understands that the Antitrust Division’s Leniency Program is an exercise of the Division’s prosecutorial discretion, and Applicant agrees that it may not, and will not, seek judicial review of any Division decision to revoke its conditional leniency unless and until it has been charged by indictment or information for engaging in the anticompetitive activity being reported.

4. **Non-Prosecution Protection For Covered Employees**: Subject to verification of Applicant’s representations in paragraph 1 above, and subject to Applicant’s full, continuing, and complete cooperation as described in paragraph 2 above, the Antitrust Division agrees that covered employees who admit to the Division their knowledge of, or participation in, and fully and truthfully cooperate with the Division in its investigation of, the anticompetitive activity being reported, shall not be prosecuted criminally by the Antitrust Division for any act or offense committed during their period of employment at Applicant prior to the date of this letter in connection with the anticompetitive activity being reported. The non-prosecution protections granted in this paragraph do not apply to former directors, officers, or employees of Applicant who are not covered employees.
Such full and truthful cooperation shall include, but not be limited to:

(a) producing in the United States all documents and records, including personal documents and records, and other materials, wherever located, not privileged under the attorney-client privilege or work-product privilege, requested by attorneys and agents of the United States in connection with the anticompetitive activity being reported;

(b) making himself or herself available for interviews in the United States upon the request of attorneys and agents of the United States in connection with the anticompetitive activity being reported;

(c) responding fully and truthfully to all inquiries of the United States in connection with the anticompetitive activity being reported, without falsely implicating any person or intentionally withholding any information, subject to the penalties of making false statements (18 U.S.C. § 1001) and obstruction of justice (18 U.S.C. § 1503 et seq.);

(d) otherwise voluntarily providing the United States with any materials or information, not requested in (a) - (c) of this paragraph and not privileged under the attorney-client privilege or work-product privilege, that he or she may have relevant to the anticompetitive activity being reported; and

(e) when called upon to do so by the United States, testifying in trial and grand jury or other proceedings in the United States, fully, truthfully, and under oath, subject to the penalties of perjury (18 U.S.C. § 1621), making false statements or declarations in grand jury or court proceedings (18 U.S.C. § 1623), contempt (18 U.S.C. §§ 401-402), and obstruction of justice (18 U.S.C. § 1503 et seq.), in connection with the anticompetitive activity being reported.

The commitments in this paragraph are binding only upon the Antitrust Division, although, upon the request of Applicant, the Division will bring this Agreement to the attention of other prosecuting offices or administrative agencies. In the event a covered employee fails to comply fully with his or her obligations hereunder, this Agreement as it pertains to such individual shall be void, and any conditional leniency, immunity, or non-prosecution (hereinafter “conditional non-prosecution protection”) granted to such individual under this Agreement may be revoked by the Antitrust Division. The Antitrust Division also reserves the right to revoke the conditional non-prosecution protection of this Agreement with respect to any covered employee who the Division determines caused Applicant to be ineligible for leniency under paragraph 1 of this Agreement, who continued to participate in the anticompetitive activity being reported after Applicant took action to terminate its participation in the activity and notified the individual to cease his or her participation in the activity, or who obstructed or attempted to obstruct an investigation of the anticompetitive activity being reported at any time, whether the obstruction occurred before or after the date of this Agreement. Absent exigent circumstances, before the Antitrust Division makes a final determination to revoke an individual’s conditional non-prosecution protection, the Division will notify counsel for such individual and Applicant’s
counsel in writing of the recommendation of Division staff to revoke the conditional non-prosecution protection granted to the individual under this Agreement and will provide counsel an opportunity to meet with the Division regarding the potential revocation. Should any conditional non-prosecution protection granted to an individual under this Agreement be revoked, the Antitrust Division may thereafter prosecute such individual criminally, without limitation, and may use against such individual in such prosecution any documents, statements, or other information which was provided to the Division at any time pursuant to this Agreement by Applicant or by any covered employees, including such individual. Judicial review of any Antitrust Division decision to revoke any conditional non-prosecution protection granted to an individual under this Agreement is not available unless and until the individual has been charged by indictment or information for engaging in the anticompetitive activity being reported.

5. **Entire Agreement:** This letter constitutes the entire agreement between the Antitrust Division and Applicant, and supersedes all prior understandings, if any, whether oral or written, relating to the subject matter herein. This Agreement cannot be modified except in writing, signed by the Antitrust Division and Applicant.

6. **Authority And Capacity:** The Antitrust Division and Applicant represent and warrant each to the other that the signatories to this Agreement on behalf of each party hereto have all the authority and capacity necessary to execute this Agreement and to bind the respective parties hereto.

The signatories below acknowledge acceptance of the foregoing terms and conditions.

Sincerely,
Dear

This letter sets forth the terms and conditions of an agreement between the Antitrust Division of the United States Department of Justice and ("Applicant"), in connection with or other conduct constituting a criminal violation of Section 1 of the Sherman Act, 15 U.S.C. § 1, in

This Agreement is conditional and depends upon Applicant (1) establishing that it is eligible for leniency as it represents in paragraph 1 of this Agreement, and (2) cooperating in the Antitrust Division's investigation as required by paragraph 2 of this Agreement. After Applicant establishes that it is eligible to receive leniency and provides the required cooperation, the Antitrust Division will notify Applicant in writing that it has been granted unconditional leniency. It is further agreed that disclosures made by counsel for Applicant in furtherance of the leniency application will not constitute a waiver of the attorney-client privilege or the work-product protection. Applicant represents that it is fully familiar with the Antitrust Division's Corporate Leniency Policy dated August 10, 1993 (attached), which is incorporated by reference herein.¹

AGREEMENT

1. Eligibility: Applicant desires to report to the Antitrust Division or other conduct constituting a criminal violation of Section 1 of the Sherman Act in the (defined as "the anticompetitive activity being reported"). Applicant represents to the

Antitrust Division that it is eligible to receive leniency in that, in connection with the anticompetitive activity being reported, it:

(a) took prompt and effective action to terminate its participation in the anticompetitive activity being reported upon discovery of the activity; and

(b) did not coerce any other party to participate in the anticompetitive activity being reported and was not the leader in, or the originator of, the activity.

Applicant agrees that it bears the burden of proving its eligibility to receive leniency, including the accuracy of the representations made in this paragraph and that it fully understands the consequences that might result from a revocation of leniency as explained in paragraph 3 of this Agreement. As used in this Agreement, discovery of the anticompetitive activity being reported means discovery by the authoritative representatives of Applicant for legal matters, either the board of directors or counsel representing Applicant.

2. **Cooperation:** Applicant agrees to provide full, continuing, and complete cooperation to the Antitrust Division in connection with the anticompetitive activity being reported, including, but not limited to, the following:

(a) providing a full exposition of all facts known to Applicant relating to the anticompetitive activity being reported;

(b) providing promptly, and without requirement of subpoena, all documents, information, or other materials in its possession, custody, or control, wherever located, not privileged under the attorney-client privilege or work-product protection, requested by the Antitrust Division in connection with the anticompetitive activity being reported, to the extent not already produced;

(c) using its best efforts to secure the ongoing, full, and truthful cooperation of the current directors, officers, and employees of Applicant, and encouraging such persons voluntarily to provide the Antitrust Division with any information they may have relevant to the anticompetitive activity being reported;

(d) facilitating the ability of current directors, officers, and employees to appear for such interviews or testimony in connection with the anticompetitive activity being reported as the Antitrust Division may require at the times and places designated by the Division;
(e) using its best efforts to ensure that current directors, officers, and employees who provide information to the Antitrust Division relevant to the anticompetitive activity being reported respond completely, candidly, and truthfully to all questions asked in interviews and grand jury appearances and at trial;

(f) using its best efforts to ensure that current directors, officers, and employees who provide information to the Antitrust Division relevant to the anticompetitive activity being reported make no attempt either falsely to protect or falsely to implicate any person or entity; and

(g) making all reasonable efforts, to the satisfaction of the Antitrust Division, to pay restitution to any person or entity injured as a result of the anticompetitive activity being reported, in which Applicant was a participant. However, Applicant is not required to pay restitution to victims whose antitrust injuries are independent of any effects on United States domestic commerce proximately caused by the anticompetitive activity being reported.

3. **Corporate Leniency**: Subject to verification of Applicant’s representations in paragraph 1 above, and subject to its full, continuing, and complete cooperation, as described in paragraph 2 above, the Antitrust Division agrees conditionally to accept Applicant into Part B of the Corporate Leniency Program, as explained in the attached Corporate Leniency Policy. Pursuant to that policy, the Antitrust Division agrees not to bring any criminal prosecution against Applicant for any act or offense it may have committed prior to the date of this letter in connection with the anticompetitive activity being reported. The commitments in this paragraph are binding only upon the Antitrust Division, although, upon request of Applicant, the Division will bring this Agreement to the attention of other prosecuting offices or administrative agencies. If at any time before Applicant is granted unconditional leniency the Antitrust Division determines that Applicant (1) contrary to its representations in paragraph 1 of this Agreement, is not eligible for leniency or (2) has not provided the cooperation required by paragraph 2 of this Agreement, this Agreement shall be void, and the Antitrust Division may revoke the conditional acceptance of Applicant into the Corporate Leniency Program. Before the Antitrust Division makes a final determination to revoke Applicant’s conditional leniency, the Division will notify counsel for Applicant in writing of the recommendation of Division staff to revoke the conditional acceptance of Applicant into the Corporate Leniency Program and will provide counsel an opportunity to meet with the Division regarding the potential revocation. Should the Antitrust Division revoke the conditional acceptance of Applicant into the Corporate Leniency Program, the Antitrust Division may thereafter initiate a criminal prosecution against Applicant, without limitation. Should such a prosecution be initiated, the Antitrust Division may use against Applicant in any such prosecution any documents, statements, or other information provided to the
Division at any time pursuant to this Agreement by Applicant or by any of its current
directors, officers, or employees. Applicant understands that the Antitrust Division’s
Leniency Program is an exercise of the Division’s prosecutorial discretion, and Applicant
agrees that it may not, and will not, seek judicial review of any Division decision to
revoke its conditional leniency unless and until it has been charged by indictment or
information for engaging in the anticompetitive activity being reported.

4. Non-Prosecution Protection for Corporate Directors, Officers, and
Employees: Subject to verification of Applicant’s representations in paragraph 1 above,
and subject to Applicant’s full, continuing, and complete cooperation as described in
paragraph 2 above, the Antitrust Division agrees that current directors, officers, and
employees of Applicant who admit to the Division their knowledge of, or participation in,
and fully and truthfully cooperate with the Division in its investigation of, the
anticompetitive activity being reported, shall not be prosecuted criminally by the
Antitrust Division for any act or offense committed during their period of employment at
Applicant prior to the date of this letter in connection with the anticompetitive activity
being reported. The non-prosecution protections granted in this paragraph do not apply
to former directors, officers, or employees of Applicant.

Such full and truthful cooperation shall include, but not be limited to:

(a) producing in the United States all documents and records,
including personal documents and records, and other materials,
wherever located, not privileged under the attorney-client privilege
or work-product protection, requested by attorneys and agents of
the United States in connection with the anticompetitive activity
being reported;

(b) making himself or herself available for interviews in the United
States upon the request of attorneys and agents of the United States
in connection with the anticompetitive activity being reported;

(c) responding fully and truthfully to all inquiries of the United States
in connection with the anticompetitive activity being reported,
without falsely implicating any person or intentionally withholding
any information, subject to the penalties of making false statements
(18 U.S.C. § 1001) and obstruction of justice (18 U.S.C. 00A7
1503 et seq.);

(d) otherwise voluntarily providing the United States with any
materials or information, not requested in (a) - (c) of this paragraph
and not privileged under the attorney-client privilege or work-
product protection, that he or she may have relevant to the
anticompetitive activity being reported; and
when called upon to do so by the United States, testifying in trial
and grand jury or other proceedings in the United States, fully,
truthfully, and under oath, subject to the penalties of perjury (18
U.S.C. § 1621), making false statements or declarations in grand
jury or court proceedings (18 U.S.C. § 1623), contempt (18 U.S.C.
§§ 401-402), and obstruction of justice (18 U.S.C. § 1503 et seq.),
in connection with the anticompetitive activity being reported.

The commitments in this paragraph are binding only upon the Antitrust Division,
although, upon the request of Applicant, the Division will bring this Agreement to the
attention of other prosecuting offices or administrative agencies. In the event a current
director, officer, or employee of Applicant fails to comply fully with his or her
obligations hereunder, this Agreement as it pertains to such individual shall be void, and
any conditional leniency, immunity, or non-prosecution (hereinafter “conditional non-
prosecution protection”) granted to such individual under this Agreement may be revoked
by the Antitrust Division. The Antitrust Division also reserves the right to revoke the
conditional non-prosecution protection of this Agreement with respect to any current
director, officer, or employee of Applicant who the Division determines caused Applicant
to be ineligible for leniency under paragraph 1 of this Agreement, who continued to
participate in the anticompetitive activity being reported after Applicant took action to
terminate its participation in the activity and notified the individual to cease his or her
participation in the activity, or who obstructed or attempted to obstruct an investigation of
the anticompetitive activity being reported at any time, whether the obstruction occurred
before or after the date of this Agreement. Absent exigent circumstances, before the
Antitrust Division makes a final determination to revoke an individual’s conditional non-
prosecution protection, the Division will notify counsel for such individual and
Applicant’s counsel in writing of the recommendation of Division staff to revoke the
conditional non-prosecution protection granted to the individual under this Agreement
and will provide counsel an opportunity to meet with the Division regarding the potential
revocation. Should any conditional non-prosecution protection granted to an individual
under this Agreement be revoked, the Antitrust Division may thereafter prosecute such
individual criminally, without limitation, and may use against such individual in such
prosecution any documents, statements, or other information which was provided to the
Division at any time pursuant to this Agreement by Applicant or by any of its current
directors, officers, or employees, including such individual. Judicial review of any
Antitrust Division decision to revoke any conditional non-prosecution protection granted
to an individual under this Agreement is not available unless and until the individual has
been charged by indictment or information for engaging in the anticompetitive activity
being reported.

5. **Entire Agreement:** This letter constitutes the entire agreement between the
Antitrust Division and Applicant, and supersedes all prior understandings, if any, whether
oral or written, relating to the subject matter herein. This Agreement cannot be modified except in writing, signed by the Antitrust Division and Applicant.

6. Authority and Capacity: The Antitrust Division and Applicant represent and warrant each to the other that the signatories to this Agreement on behalf of each party hereto have all the authority and capacity necessary to execute this Agreement and to bind the respective parties hereto.

The signatories below acknowledge acceptance of the foregoing terms and conditions.

Sincerely,
