<sup>1</sup> On 3/23/12, FY 2000 through FY 2009 statistics were adjusted in the following categories: (1) Total Investigations Initiated, by Primary Type of Conduct; (2) Total Preliminary Inquiries: Criminal, Civil Non-Merger, and Merger; (3) Merger Investigations; (4) Non-Merger Investigations; (5) Total Civil Cases; (6) Restraint of Trade – Civil (Sherman 1); (7) Monopoly – Civil (Sherman 2); and (8) Other Civil. Previously some categories counted investigations each time they entered a new phase of the investigation (e.g., after compulsory process issued). Matters are now counted only once, even if they moved through several stages of investigation. In addition, all civil investigations were reviewed to ensure correct categorization.

<sup>2</sup> Statistics reflect only the primary type of conduct under investigation at the outset of the investigation; this report does not reflect whether a matter investigated a potential violation of an additional statute(s), or whether the primary violation changed during the pendency of the investigation. See “District Court Antitrust Cases” for numbers of cases by offense. Does not include business reviews, judgment modification or termination investigations, or premerger notifications, but includes investigations initiated as a result of premerger notifications.

<sup>3</sup> This category reflects both civil and criminal investigations.

<sup>4</sup> This category includes investigations of potential violations of Clayton §§ 3, 7A, and 8, the Robinson-Patman Act, and Title 18, among other statutes.

<sup>5</sup> Every investigation, with the exception of certain criminal matters that open as grand jury investigations, opens as a preliminary inquiry. Matters exit the preliminary inquiry phase by closing; in the case of criminal preliminary inquiries, becoming grand jury investigations; or in the case of civil preliminary inquiries, through the issuance of Civil Investigative Demands. This category only addresses investigations in the civil or criminal preliminary inquiry stage. Investigations opened with the purpose of exploring judgment modification or termination are not included here in the total number of preliminary inquiries initiated. Such judgment modification/termination investigations are addressed separately under the Judgment Enforcement sections.

<sup>13</sup> Dollar figures are amounts imposed during the fiscal year.

<sup>14</sup> Does not include fines “agreed to” by defendants in plea agreements during the fiscal year but not yet imposed by the court.

<sup>15</sup> Frequently restitution is not sought in criminal antitrust cases, as damages are obtained through treble damage actions filed by the victims.
