Subject: Don't Do It

My name is Tom Peyton and I am a lifelong musician currently writing songs in LA. I have had the privilege of working with many talented people over the last few years and had my music heard around the world. Taking away my say in how my music is used and licensed based on differences in PRO affiliation is a profound infringement on my capacity to do what I do. It doesn't make any sense creatively or financially. Please don't do it.

Sincerely,
Tom
