But the people in it are another matter... welcome to Little Rock.

Fri, Dec 15, 10:53 AM

He's going to take it. No firm commitment but he's def on board.

Tue, Dec 19, 2:53 PM

I just sent you an email. I hate to be paranoid but I'd like to have this in writing

np

Done. And yes, a little paranoid, but that instinct will serve you well with gov't

Thank you!

From JC: Looked at the order in our appeal and it didn't list a specific limit. It described it as a "memorandum opening brief" rather than a "motion" so I would presume that the limit for briefs applies (13,000) rather than the limit for motions (5200)

Let's do the large conf room for this one

Tue, Jan 2, 2:18 PM

We're in a 15 minute recess and then our hearing is next

Awesome, thanks for letting me know

Thu, Jan 4, 5:52 PM

Caryn

Thu, Jan 4, 5:52 PM

Just got your voicemail—not sure I have a lot of help to give but happy to talk if it's not too late

Thanks I appreciate, I plan on being in tomorrow though and we can talk about it more then. Prosecutor is offering low end guideline plus three months home confinement and further supervision

I feel like home confinement is not gonna do it - some kind of in patient mental health treatment would be better. But I'm not sure what the options are for that

Btw I can go meet rich tomorrow morning if needed

Caryn

tomorrow morning it needed

Sounds good. I will be running ragged in the AM but around all afternoon

Sadly few options with USPO, we will need to dig for our own options.

If you want to take the Rich beast by the horns, I won't stop you... I'm about to kill the mofo. He literally tried to give me the Jerry McGuire speech on the phone today.

Lol

He may need a healthy dose of Peter tho

Actually said "show me the money"

Caryn

Haha Peter is exactly what he needs...

I concur. Keep those fingers crossed 🙏

Thu, Jan 25, 8:37 AM

Downstairs when you're ready

K on my way

Tue, Feb 27, 10:16 AM

Ann says you just need to sign the sign in sheet

Thu, Mar 8, 8:33 PM

Hey do you ever worry about crime around here? I think I'm prob just being paranoid but I've seen a couple things lately and someone was breaking in

Caryn

couple of incidents where
people were knocking on my
door and it just doesn't feel
right to me. I am going to
report to apt complex

Glad to hear it (the being fine
part, not the creep knocking).
Sounds like a good idea to
report. CMPD has a crime map
on their website too... doesn't
look like anything near you any
time recently so probably just
someone forgetting what
apartment they're looking for.

Fri, Mar 9, 6:28 PM

Carrie says Amnesty
International was going around
knocking on doors yesterday.

Haha this guy didn't look like
that...but maybe he was

Caryn

Maybe he was the one who needed amnesty?

Maybe so...haha

Btw I have a temporary tag I'm gonna take pictures tomorrow

Subaru actually wrapped it in plastic

I feel like you should drive to work on Monday. No reason.

Apropos of nothing, what are you doing Monday night at approximately 9:30?

Haha ok. Um probably hanging out with my cat why?

Hanging out with your cat at an intersection about 1/2 mile

CD

Caryn

out with my cat why?

Hanging out with your cat at an intersection about 1/2 mile from little caesar's on the west side of town?

I may have to tell her to take a rain check

Not that I am implying you should allow us to attach evidence to your new car and use it as a mobile prop for a suppression hearing.

Hahaha no you are not ;)

Heaven forfend! But you know, now that you bring it up...

Yeah but I'm all seriousness I'm willing to help however . Just haven't thought it through

Caryn

Yeah but I'm all seriousness I'm willing to help however . Just haven't thought it through

I'm mostly joking. Mostly.

I mean, who knows if Terra is free then ;)

Haha well unfortunately my temp tag looks a lot better than most so prob not a good comparison. Like, you can actually read it

Mon, Mar 12, 3:37 PM

Hey I think I got out earlier than you. Going to suck it up and walk back

You just missed me

Came down about 3:25 and

Caryn

Came down about 3:25 and decided to see one more since you were still going.

No prob. I am back at office now

Also let me know when you want to talk about rd. I am free all day tomorrow

Or this afternoon

Either works for me I will be back in about two minutes then have to make a phone call but other than that I'm free.

Ok just let me know when you're done with your call

I'm free now if you still want to do this afternoon.

Caryn

Wed, Mar 14, 1:33 PM

Last call for the jail train

I'm good, thanks for checking
in tough

Though

"Checking in tough" sounds
like a super hit from the 80s

Haha I know I was like maybe I
should leave it

You know how we roll.

Caryn

Can't remember if I sent you a gin pic...

CD

Caryn

Better one of the bottle

Tom Cat, how appropriate.

Alright, now we have to throw
down for real!

Yeah but you need to get a full
bottle first :)

CD

Caryn

Hey at least I KNOW how mine tastes ;)

Lol, I am jealous!! What if it is a tie??

We'll just have to make sure none of the gin gets out alive, I guess....

Tue, Mar 20, 9:01 AM

Quick question when does the defendant stand with judge Whitney?

Caryn

Does he stand the whole time
I'm arguing for sentence?

At the beginning when being
asked procedural questions
then sit once you start
argument. Stand again for
allocation and again for
imposition of sentence.

Ok thanks, I had it backwards
haha

No worries, you'll work it out

Yeah small details

Tue, Mar 20, 11:46 AM

FYI don't know when we are
doing psr review but court is
running late

CD

Caryn

It's at 1 -- hope you're not running that late. But then again this is FDW so nothing will shock me.

Kevin is in the middle of a contested hearing. My hearing was supposed to be 30 minutes ago. I'm going to try to fit it in before lunch if at all possible

K keep me posted.

Just got back

Good timing

Want to come over here and we'll call him?

I'll be there in a min

Caryn

Wed, Mar 21, 1:02 PM

Let me know when you want to
leave for jeweler

Oops keesler

Meet you up front in 5

Fri, Mar 23, 5:59 PM

You still here?

Fri, Mar 23, 7:30 PM

So my real license plate just
came in the mail! Woo hoo! Will
bring in the temp tag next week
to add to the collection

Also do you think it is douchey
or cool to have a duke plate on
the front of my car?

Sweet!

CD

Caryn

Sweet!

Uhm... I think it's kind of cool
but 3/4 of the city of Charlotte
will think it's douchey.

But fuck them, they have no
taste

Lol. I am a contrarian so that
actually seems like a good
reason to do it

I approve! Contrarians... unite?

(Psst- your line is "I disagree!")

Of course! I mean no way!

It was good!

Good, glad you liked it!
Anytime.

Wed, Apr 4, 5:58 PM

Do you need a ride?

Thanks but I drove today

Never mind, you're already
gone.

Ah-- Just realized you didn't
bike when I was walking out

Just got off the phone with Bill.
He will be back Friday pm after
all and is planning on taking
care of you then

Caryn

bike when I was walking out

Just got off the phone with Bill. He will be back Friday pm after all and is planning on taking care of you then.

He is skeptical that it can be done this way so come armed with your source.

Thank you so much for doing that. I appreciate it

Not sure what he is skeptical of? But I'm happy to show him everything he needs

I think that it can be done before life event? But he also says worst that happens is we send it in and they sit on it until it's timely.

Caryn

Yeah health insurance can be
done 30 days before

Life insurance is effective the
date of but I just thought I
would submit paperwork early

He said OPM once retroactively
honored the submission date
on life insurance for a dude
who died so I reckon you'll be
aight.

Ok thanks, I really appreciate
you following up on that

No prob, bob.

Thu, Apr 5, 10:46 AM

FYI we are running behind in
court

Unarchived, Checked, Lost

Caryn

I am shocked. Shocked I say.
Let me know if you think it'll run
you past noon.

Fri, Apr 6, 12:45 PM

That looks like my guitar haha

That IS your guitar, yo.

Caryn

That is your guitar, yo.

Just in they said...

I told them it would be hilarious if I got to play it before you did, but they just looked at me disapprovingly.

Haha they do have good inventory though

Did you play any of them?

Si. Very strongly thinking about getting the Martin 15E Retro

Cool!

Also my played a \$7000 one because I did not understand the price tag.

*I played

Caryn

lol I think I know which one
your talking about. Not a 7000
sound in my opinion:p

100% agree. I was worried the
dude would think I was an idiot
for saying that, but he was like
"yeah, I really don't like that
one either."

And I seem to be winning either way... ;)

Fri, Apr 27, 11:52 AM

Caryn

Fri, Apr 27, 11:52 AM

In eating lunch at zen with my family and judge Mullen is here. Lol

Also my mom and I ran into judge cayer the other day. I think she is very impressed ahah

That's awesome. You're a Charlotte fixture now. Did DSC tell her you're kicking ass?

He said I was doing a great job and she should be proud. It was sweet

Also his car flooded so that sucks

He is correct. You can tell your mom that we agree.

Caryn

Tue, May 8, 2:06 PM

I'm good to go see Mr. M whenever you are. No rush, tho — just let me know when you want to head down.

I am working on that draft email to judges, almost done and then I'll stop by

Sounds good, I'll be here.

Thu, May 10, 11:22 AM

Should I plan on meeting you at the pd office or are you planning on walking over

I JUST got out of the jail and am running back to the office but you should probably head on down. I'll meet you there.

Caryn

Headed down now. Save me a seat if you can.

No worries we are just getting here

Mon, May 14, 3:03 PM

I'm at the jail and can meet with Mr. Mobley now. Can do it on my own or wait for you if you want to be here.

Sorry I just saw this. I really need to keep working on my cross, sorry

Don't be sorry, I was only offering in case you actively wanted to be here. He's fine. Headed back to the ranch now, let's catch up when I get there.

Caryn

Mon, May 14, 7:18 PM

We just got more Brady/Giglio.
Forwarded to you, take a look.

Tue, May 15, 1:22 PM

Where you at?

Tue, May 29, 2:27 PM

Just went by your office and
you weren't there. I am going
for a short walk and I'll be back

K take your time. Trial is
supposed to start soon but we
are second witness.

Actually we just got delayed
again so I'm headed back to
the office. Just come on by
whenever you're back and
ready.

Caryn

Tue, May 29, 4:41 PM

Think you left your shirt in my office

Thu, May 31, 7:56 PM

Hey, sounds like Jeff got a bit upset today when Peter talked to him about your role on Dixon. I expect he will reach out to you if he hasn't already.

I know you want no part with drama and will handle this well. If you do need any advice or anything, please feel free to reach out.

Ok thanks

Thu, Jun 7, 8:13 AM

I'll meet you up front.

Caryn

Thu, Jun 14, 11:34 AM

You don't have to stick around
for this unless you want to

Fri, Jun 15, 4:13 PM

Hey, I wanted to touch base
with you on rd stuff but you're
not here. Feel free to give me a
call I'll just be sitting in traffic

Just getting out of the jail and
heading back in case you're
still around. Otherwise will call
in a little.

Fri, Jun 15, 5:44 PM

Hey, just tried to call and
missed you. Feel free to give
me a call back whenever.

Thu, Jun 21, 6:44 PM

Caryn

Thu, Jun 21, 6:44 PM

It is currently raining.

Last chance for a ride, tough girl...

Fri, Jun 22, 5:02 PM

How would you feel about handling a sentencing hearing for illegal reentry where client has already served into GLR and therefore likely undisputed?

Fri, Jun 29, 7:43 AM

JP, I am feeling sick today. I will not be making it in but I will try to finish my appeal brief from home

Ok. Can we reschedule our meeting for Monday?

Caryn

Fri, Jun 29, 7:43 AM

JP, I am feeling sick today. I will not be making it in but I will try to finish my appeal brief from home

Ok. Can we reschedule our meeting for Monday?

My plan was to meet with Jeff's clients on Monday. Is there a particular time you were thinking?

I am free all day, including early morning, lunch and evening. I'm hoping this will be helpful for you, please don't be over-anxious about it.

Ok how about 3pm?

Monday at 3 is fine, got it
