Dear Tony,

Now that I am picking up SRVs and potentially going to pick up more trial work in the near future, I was hoping we could meet sometime soon to discuss what the transition to an AFPD position will look like. I would like to know your expectations for my caseload and responsibilities and a rough timeline of how my duties may evolve. I am eager to continue the conversation and to work with you to reach my full potential as an attorney. I also am very grateful for all the support and training I have gotten so far.

I look forward to meeting with you, please let me know when would be a good time for you.

Best,

Caryn
