Hi William,

I will process the actions using the AO 52s manually, and return the RDEs.

Thanks,

Valerie,

The Defender and I are in DC for training. The corrected forms has now been submitted via HRMIS.

Does that resolve the issue?

Thanks

Bill

Good Morning,

The RDE Personnel Actions on Caryn Strickland and Jared Martin Martin was returned due to an incorrect NOA

code. Since these employees are going from a graded position to ungraded position, the NOA Code should be 894B - Pay Adjustment, Change in Pay Plan. Please submit an AO 193, with the correct NOA Code on both employees no later than today for this pay period processing.

Please let me know if you have any further questions.
