**AFFIDAVIT OF PROBABLE CAUSE
FOR ARREST WARRANT FOR**

JOHN PARKER KEMPF

- (1) Medicaid Fraud 56 O.S. § 1006.B.1**
- (2) Identify Theft § 21 O.S. 1533.1**
- (3) Violation of the Computer Crimes Act 21 O.S. § 1953.A.2**

Agent Joshua Lacy, being of lawful age and after having been affirmed upon his oath to tell the truth, states as follows:

I am a certified Peace Officer in Oklahoma, currently employed as an Agent in the Oklahoma Attorney General's Office (OAG), Medicaid Fraud Control Unit (MFCU). My responsibilities include investigating allegations of fraud, abuse, neglect, exploitation, and drug diversion by providers in long-term board and care facilities.

Mosaic Therapy, located at 5320 S Western Ave, Ste 215, Oklahoma City, OK 73109 made a complaint to Oklahoma MFCU. The complaint alleged Licensed Behavioral Health Counselor, John **KEMPF** [**KEMPF**] (Provider Number [REDACTED]) billed Medicaid for purportedly providing counseling services to Medicaid clients, but the services were not provided.

Based on this allegation, your Affiant interviewed witnesses, reviewed medical records, medical billing data and conducted other investigative activities. Your affiant interviewed Medicaid client [REDACTED]. [REDACTED] acknowledged receiving some telehealth counseling services from **KEMPF**. When performed, the telehealth services were conducted through FaceTime. FaceTime is Apple's internet calling service for one-to-one or group video/audio conversations. [REDACTED] provided your Affiant with the FaceTime call logs of the counseling sessions. As part of the investigation, the call logs were cross-referenced with claims **KEMPF** submitted to Oklahoma Medicaid through electronic health records (EHR) systems. Based on this analysis, MFCU identified (85) false claims totaling (\$6,470.20) made to Oklahoma Medicaid between April 1, 2023, and September 13, 2024, for services not provided.

Your Affiant also interviewed Medicaid client [REDACTED]. [REDACTED] advised they did not know **KEMPF** and had not received any telehealth counseling sessions from **KEMPF**. A review of Oklahoma Medicaid data and EHR records, indicated between July 1, 2024, and October 31, 2024, **KEMPF** caused the submission of (15) false claims totaling (\$1,141.80) for counseling services purportedly provided to [REDACTED].

Your Affiant interviewed Medicaid client [REDACTED] stated they did not know **KEMPF** and did not receive counseling services from **KEMPF**. W.A. further advised they had not received any type of counseling services since 2011. A review of Medicaid data and EHR records, indicated between September 1, 2021, and October 31, 2024, **KEMPF** caused the submission of (279) false claims totaling (\$21,153.52) for counseling services purportedly provided to W.A.

Additionally, **KEMPF** used the personal identification information of Medicaid clients to fraudulently obtain Medicaid funds. Specifically, **KEMPF** used the individual Medicaid client identification numbers belonging to [REDACTED] to bill Oklahoma Medicaid for services that did not occur from September 1, 2021, through October 31, 2024. **KEMPF** caused claims to be billed to Oklahoma Medicaid with the intent of receiving Medicaid funds as reimbursement for services that were never provided.

KEMPF documented the purported counseling sessions through web based EHR systems Chart Caddy and Milan Medical. These EHR platforms are accessed through web browsers on computers, tablets or smartphones. **KEMPF** entered false information into these computer systems resulting in false claims for payment to Oklahoma Medicaid.

In sum, from September 1, 2021, through October 31, 2024, **KEMPF** caused the submission of false claims to Oklahoma Medicaid totaling (\$28,765.52) by fraudulently using Medicaid Client ID's, computer systems and falsely billing for counseling services not provided.

Your Affiant requests, upon probable cause, that the Court issue a warrant for the arrest of John Parker Kempf, one count of **Medicaid Fraud** 56 O.S. § 1006.B.1., one count of **Identity Theft** § 21 O.S. 1533.1, and one count of **Violations of the Computer Crimes Act** 21 O.S. § 1953.A.2.

Further your affiant sayeth not.
