CONSENT ORDER

I. INTRODUCTION

The United States of America (“United States”) and Citadel Federal Credit Union (“Citadel”) (collectively, the “Parties”) jointly submit this Consent Order for approval and entry by the Court. This Consent Order resolves all claims by the United States that from at least 2017 through 2021, Citadel engaged in a pattern or practice of unlawful redlining in violation of the Fair Housing Act (“FHA”), 42 U.S.C. §§ 3601–3619, and the Equal Credit Opportunity Act (“ECOA”), 15 U.S.C. §§ 1691–1691f, and its implementing Regulation B, 12 C.F.R. § 1002.1–1002.16, by discriminating on the basis of race, color, or national origin. Specifically, the United States alleges that Citadel engaged in illegal redlining by avoiding providing home loans and other mortgage services in majority-Black and Hispanic neighborhoods in its “Market Area,” which includes Bucks, Chester, Delaware, Lancaster, Montgomery, and Philadelphia Counties, Pennsylvania. The United States further alleges that Citadel also engaged in discriminatory conduct that would discourage mortgage applications from applicants and prospective applicants who are residents of, or seeking credit in, majority-Black and Hispanic neighborhoods in Citadel’s Market Area.

Critically, more than 75 percent of all majority-Black and Hispanic neighborhoods within Citadel's Market Area are in Philadelphia County. Citadel has disputed all the allegations made by the United States.

The Court has jurisdiction over the Parties and subject matter of this action. There have been no factual findings or adjudications in this case. The Parties enter into this Consent Order to voluntarily resolve all claims arising from the conduct alleged in the Complaint. Entry of this Consent Order is in the public interest. The Parties agree that the goal of this Consent Order is to remedy the harm alleged by increasing access to credit in majority-Black and Hispanic neighborhoods in Citadel's Market Area, and particularly in Philadelphia County, and that the full implementation of the terms in this Consent Order will provide a resolution to the claims asserted in the Complaint in a manner consistent with Citadel's legitimate business interests.

II. DEFINITIONS

The following definitions apply to this Consent Order:

- i. **"Effective Date"** means the date on which the Court enters this Consent Order.
- ii. Citadel's **"Market Area"** is Bucks, Chester, Delaware, Lancaster, Montgomery, and Philadelphia Counties, Pennsylvania.
- iii. **"Majority-Black and Hispanic neighborhood"** or **"Majority-Black and Hispanic census tract"** is one within the Market Area where more than 50 percent of the residents identify as either "Black or African American" or "Hispanic or Latino" based on the United States Census.
- iv. **"Majority-White neighborhood"** or **"Majority-White census tract"** is one within the Market Area where more than 50 percent of the residents identify

as “non-Hispanic White” based on the United States Census.

- v. “**Residential mortgage credit**” is credit secured by a residential property that will serve as the borrower’s primary residence, including home purchase, home refinance, and home improvement loans as well as home equity loans and lines of credit.

III. BACKGROUND

Citadel is a federal credit union headquartered in Exton, Pennsylvania. As a federal credit union, Citadel is a member-owned, not-for-profit institution subject to the regulatory authority of the National Credit Union Administration. Citadel has offered business and personal banking, mortgage and other home loan products, wealth management and retirement services, and insurance to its members. The United States alleges that in 2020, Citadel was the eighteenth largest lender in its Market Area and the second largest credit union in Greater Philadelphia. Citadel currently maintains twenty-four (24) branches within its Market Area, none of which is in Philadelphia County. As of June 2024, Citadel had over 263,000 members, and its total assets equaled approximately \$6.0 billion.

In November 2021, the United States notified Citadel that it was opening an investigation into whether Citadel had engaged in unlawful redlining in violation of the FHA and ECOA. After an investigation, the United States contends that, from at least 2017 through 2021, Citadel avoided serving the credit needs of majority-Black and Hispanic neighborhoods in Citadel’s Market Area, and particularly in Philadelphia County. The United States also alleges that Citadel discouraged those residing or seeking credit in majority-Black and Hispanic neighborhoods in Citadel’s Market Area, and particularly those in Philadelphia County, from obtaining mortgage loans. The United States contends that by undertaking this conduct in majority-Black and

Hispanic neighborhoods while acting to serve the credit needs for mortgage loans in majority-White neighborhoods, Citadel engaged in unlawful redlining.

A Qualified Applicant may not obtain loan subsidy funds, on their own or through a co-applicant, for more than one (1) loan origination.

34. Citadel will annually evaluate the effectiveness of its Loan Subsidy Fund program and its progress in deploying funds to Qualified Applicants to identify any needed changes to the program to better reach residents of majority-Black and Hispanic census tracts in Philadelphia County. H. Community Development Partnership Program

37. Citadel will partner with one (1) or more community-based or governmental organizations that provide the residents of majority-Black and Hispanic census tracts in Citadel's Market Area with services related to credit, consumer financial education, homeownership, and/or foreclosure prevention. The proposal will include an explanation of its proposed partner(s) and, to the extent available, Citadel's plans to implement the partnership(s) and a description of how the partnership(s) will be used to meet the credit needs identified in the Community Credit Needs Assessment. The proposal will be subject to non-objection by the United States.

39. Citadel will evaluate the partnership(s) outlined in Paragraph 37 annually, including by considering the Community Credit Needs Assessment, to identify any needed changes to the program or better assist residents of majority-Black and Hispanic census tracts in the Citadel Market Area in obtaining credit. Citadel will present a summary of its evaluation and

any proposed changes to the United States as part of its annual reporting requirement under Section V. Any proposed changes will be subject to non-objection by the United States.

better assist residents of majority-Black and Hispanic census tracts in its Market Area in obtaining credit. Citadel will present a summary of its evaluation and any proposed changes to the United States as part of its annual reporting requirement under Section V. Any proposed changes will be subject to non-objection by the United States. In the annual report required by Subsection V, Citadel will also include all advertising, outreach, promotional, and educational materials distributed each year pursuant to this Section.

a. Advertising

43. Citadel will endeavor to effectively advertise its residential loan products, including products for which the Loan Subsidy Fund outlined in Section IV.G will be applied, to majority-Black and Hispanic census tracts in its Market Area to generate mortgage loan applications from Qualified Applicants in these census tracts. Citadel's advertising may include print media, radio, digital advertising, television, direct mail, social media, and any other appropriate medium non-objectioned to by the United States in writing. These advertisements must include similar information to other advertisements by Citadel. Citadel may develop and provide the seminars in conjunction with the community-based or governmental organizations described in Section IV.H.

48. Within sixty (60) days of the Effective Date, Citadel will submit to the United States for non-objection a list of its planned consumer education events for the first twelve (12) months of this Consent Order, specifying the program, date, location, any associated community partners, and identifying whether the events will be in-person or virtual. Beginning twelve (12) months after the Effective Date, Citadel will submit to the United States a list of its planned consumer education seminars, specifying whether those events will be in-person or virtual, as part of its annual reporting requirement under Section V. 55. The requirements of this Consent Order will remain in effect for five (5) years, except as provided in Paragraph 57.

56. If, within three (3) years of the Effective Date, it does not appear that Citadel will be able to distribute all money in the Loan Subsidy Fund described in Section IV.G., then Citadel and the United States will work to develop alternate methods of distributing the Fund that are agreeable to both parties, including by potentially changing the definition of "Qualified Applicant" or approving additional methods of distribution in accordance with Paragraph 33(e).

57. If Citadel has not distributed the Loan Subsidy Fund within five (5) years of the Effective Date, this Consent Order will remain in full effect until three (3) months after Citadel has invested all the money in the Loan Subsidy Fund and has submitted a final report to the United States that demonstrates the fulfillment of this obligation.

58. Any time limits for performance may be extended by mutual written agreement of the Parties. Other modifications may be made only upon approval of the Court, by motion of any party. If there are changes in material factual circumstances, the Parties will work cooperatively to discuss and attempt to agree to proposed modifications to this Consent Order.

59. If disputes arise about the interpretation of, or compliance with, this Consent Order, the Parties will endeavor in good faith to resolve any dispute before bringing it to the Court for resolution. If Citadel is in material non-compliance with any provision of this Consent Order or has a material failure to perform an act required by this Consent Order, the United States may move the Court to impose any remedy authorized by law or equity, including attorneys' fees and costs.

60. If the United States objects to any submission, the Parties will have thirty (30) days to confer and resolve their differences. The Parties may mutually agree to additional time to confer, if necessary. If the Parties are unable to resolve their differences, either party may bring the dispute to the Court for resolution.

61. Nothing in this Consent Order excuses Citadel's compliance with any current, or subsequently effective, provision of law or order of a regulator.

62. The United States may take steps reasonably necessary to monitor Citadel's compliance with this Consent Order.

63. Citadel will notify the United States of any development that may materially affect compliance obligations arising under this Consent Order, including but not limited to, a dissolution, assignment, sale, merger, or other action that would result in the emergence of a successor company; the creation or dissolution of a subsidiary, parent, or affiliate that engages in any acts or practices subject to this Consent Order; the filing of any bankruptcy or insolvency

proceeding by or against Citadel; a change in Citadel's field of membership; or a change in Citadel's name or main office address. Citadel will provide this notice as soon as practicable but, in any case, at least thirty (30) days before the occurrence of such event or, if applicable, the full execution of a definitive written agreement with respect to such event.

64. This Consent Order is binding on Citadel, including all its officers, agents, servants, employees, and all other persons in active concert or participation with them who have actual notice of this Consent Order, assignees, and successors in interest. If Citadel seeks to transfer or assign all or part of its operations to a successor or assign that intends to carry on the same or similar business, Citadel will obtain the written agreement of the successor or assign to obligations under this Consent Order as a condition of sale, merger, or other transfer.

65. The Parties agree that litigation is not reasonably foreseeable. If any party implemented a litigation hold to preserve information, the party is no longer required to maintain it. Nothing in this Paragraph relieves either party of any other obligations imposed by this Consent Order.

66. Except as provided in Paragraph 59, the Parties will bear their own costs and attorneys' fees.

67. The Court will retain jurisdiction over this civil action to enforce the terms of this Consent Order.

IT IS SO ORDERED this ____ day of _____, 2024.
