Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority

Consolidated Appropriations Act, 2022, Pub. L. No. 117-103, 136 Stat. 49, 121

Consolidated Appropriations Act, 2023, Pub. L. No: 117-328, 136 Stat. 4459, 4529

About this OVW program

This program is authorized by Consolidated Appropriations Act, 2022, Pub. L. No. 117-103 and Consolidated Appropriations Act, 2023, Pub. L. No. 117-328 (CDA #16.027). Beginning in 2012, Congress appropriated funds for a national clearinghouse to provide Training and Technical Assistance (TTA) on issues related to sexual assault of American Indian and Alaska Native (AI/AN) women, designed to improve victim services for AI/AN sexual assault victims as well as increase offender accountability for such crimes. For additional information about OVW technical assistance performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Funds under this program must be used for one or more of the following purposes:

1. Develop and maintain a website
2. Provide TTA, including web-based training, regional or national technical assistance, and/or on-site training to a variety of audiences such as tribal and non-tribal victim service providers/organizations that work with significant numbers of AI/AN populations, both in Indian country and in urban areas (e.g., hospitals, schools, courts, victim and social services, law enforcement, prosecution offices, etc.).
3. Develop a project that addresses the unique cultural and traditional needs of AI/AN sexual assault victims.
4. Develop and/or strengthen effective training to improve tribal medical responses (e.g., SANE programs), sexual assault advocacy, systemic responses to sexual assault (CCR, SAR, etc.) and criminal justice responses.

Note: Applicants must be willing to work closely with OVW on the implementation of their projects, including the possibility of modifying project activities to more appropriately meet the needs of tribal communities and AI/AN victims.

OVW Priority Areas

In FY 2023, OVW has five programmatic priorities, of which the priority area(s) identified below are applicable to this program.

1. Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.
2. Improve outreach, services, civil and criminal justice responses, prevention, and support for survivors of sexual assault, domestic violence, dating violence, and stalking from underserved communities, particularly LGBTQ and immigrant communities.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Any activities that compromise victim safety and recovery or undermine offender accountability will need to be removed from the application prior to final approval by OVW. Please note that OVW will support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be supported by this program's funding. Any out-of-scope activities will need to be removed from the application prior to final approval by OVW. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the [Solicitation Companion Guide](#).
2. Direct victim services and justice system interventions. OVW's national tribal clearinghouse funds cannot support law enforcement activities, legal representation, direct services, or other interventions.
3. Applications focused on a single state, region, or local geographic community.
4. Project activities that do not address sexual assault, promote access to justice, build trust between law enforcement and communities (tribal and nontribal), or the specific cultural and traditional needs of AI/AN women.

Applications that propose activities deemed to be substantially out-of-scope may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to three percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the [Solicitation Companion Guide](#) to ensure that the activity does not qualify as human subjects research. The [Solicitation Companion Guide](#) also provides additional information on federal requirements related to research, assessments, and surveys.

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future.

Type of Award

Awards will be made as cooperative agreements. Cooperative agreements are a form of award under which OVW expects to have ongoing substantial involvement in award activities. For this program, the substantial involvement includes participating in project meetings, developing and approving final agendas, reviewing and approving faculty, products, and curricula, and identifying participants. Recipients must be willing to work closely with OVW on the implementation of their project and be willing to modify project activities at OVW's request in order to address the needs of grantees and/or emerging issues.

Award Period and Amounts

The award period is 24 months. Budgets must reflect 24 months of project activity, and the total "estimated funding" on the SF-424 must reflect 24 months. OVW anticipates that the award period will start on October 1, 2023.

Awards under this invitation to apply for FY 2023 will be made for up to \$800,000 for IAFN and up to \$200,000 for MIWSAC for the entire 24 months.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Mandatory Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored training and technical assistance (TTA).
2. Collection and reporting of performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative webpage](#).
3. OVW may conduct a program assessment or evaluation necessitating grantee involvement. Therefore, recipients may be expected to dedicate some OVW-funded time and resources to participating in an assessment or evaluation.
4. Participation in a start-up planning period with OVW to plan and direct the project, ensuring the proposed project adequately addresses Alaska tribal issues, provides training for a variety of professions, and effectively reaches the intended national audience.
5. Development and delivery of a project outreach plan that includes a specific focus on engaging and supporting the LGBTQ/Two-Spirit community.

Eligibility Information

Eligible Applicants

The following entities are eligible to apply for this program:

1. International Association of Forensic Nurses (IAFN); and
2. Minnesota Indian Women's Sexual Assault Coalition (MIWSAC).

Ineligible Entities and Disqualifying Factors

Applications submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding. In addition, an application deemed deficient in one or more of the following categories may not be considered for funding: 1. activities that compromise victim safety, 2. out-of-scope activities, 3. unallowable costs, 4. pre-award risk assessment, 5. completeness of application contents, and 6. timeliness. Failure to comply fully with all applicable unique entity identifier and SAM requirements (see Application and Submission section for more information on these requirements) will result in removal from consideration. An applicant with past performance issues, long-standing open audits, or an open criminal investigation also may not be considered for funding.

Note: Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from this program. See 34 U.S.C. § 12291(b)(15)(B)(ii).

Cost Sharing or Matching

This program has no matching or cost-sharing requirement.

Other Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applicants for this program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2023 solicitation.

Required Partnerships: All applicants must demonstrate a meaningful partnership with a (1) nonprofit, nongovernmental Indian sexual assault victim services provider, such as a shelter program that provides sexual assault services or a rape crisis center; or (2) a nonprofit, nongovernmental tribal sexual assault coalition. Any tribal coalition applicant must partner with a nonprofit, nongovernmental Indian sexual assault victim services provider. A meaningful partnership must be demonstrated through a Memorandum of Understanding (MOU) and described in the Proposal Narrative. At a minimum, the required partner must participate in the development of project deliverables and provide input about emerging issues and how any shifts in approach may impact AI/AN sexual assault victims, services, and tribal community responses. Victim service providers must provide direct services to victims of sexual assault as one of their primary purposes and have a demonstrated history of effective work in this field.

Definition of victim service provider: A victim service provider is a nonprofit, nongovernmental or tribal organization or rape crisis center, including a state or tribal domestic violence and/or sexual assault coalition, that assists or advocates for domestic violence, dating violence, sexual assault, or stalking victims, including a domestic violence shelter, faith-based organization or other organization, with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking. 34 U.S.C. § 12291(a)(50).

Limit on Number of Applications

OVW will consider only one application per organization for the same service area. In addition, if an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

Information to Complete the Application for Federal Assistance (SF-424)

Application for Federal Assistance (SF-424)

The amount of federal funding requested in the “Estimated Funding” section of this form (box 18a) must match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as “**Authorized Representative**” (box 21) must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation (“funding opportunity”) is not subject to Intergovernmental Review under Executive Order (E.O.) 12372. In completing the SF-424, when answering question 19 by selecting the following response: “Program is not covered by E.O. 12372.”

Disclosure of Lobbying Activities (SF-LLL)

All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. **Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.**

Standard Applicant Information (JustGrants 424 and General Agency Information)

This section in the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. Applicants are required to review the Standard Applicant Information and make edits as needed, confirm the Authorized Representative, verify the legal name and address, and enter the ZIP code(s) for the areas affected by the project.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Applicants must not summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

Proposal Narrative

The Proposal Narrative may not exceed 10 pages, double-spaced. The Proposal Narrative must include the sections below. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Purpose of the Proposal

This section must:

1. Summarize the current project vision and state how this proposal will enhance the work that has been implemented in the field of sexual assault prevention and response.
2. Describe the expected impact of the proposed project, and how the project may have a role in building capacity and response for tribal populations.

What Will Be Done

The application must provide a clear link between the proposed activities and the need identified in the "Purpose of the Proposal" section above. The application must not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. List current project goals and objectives, describe the implementation status for each and identify which ones will be continued or revised for the proposed project.
2. List and explain any new activities the proposed project will include, describing how the additions complement or enhance the work that has already been accomplished.
3. Describe how this proposed project will improve awareness and outreach efforts, including development and delivery of a project outreach plan that includes a specific focus on engaging and supporting the LGBTQ/Two-Spirit Community.
4. Describe how this proposed project will address prevention, victim services, and civil and criminal justice responses through website content, research, handout materials, and online training opportunities.
5. Describe the communities served, including, but not limited to, traditionally underserved populations, such as communities of color, individuals with disabilities, individuals who are Deaf or hard of hearing, persons with limited English proficiency, older adults, and LGBTQ+/two spirited communities.

Who Will Implement the Proposal

This section must:

1. Identify the key individuals and organizations, including project partners, involved in the proposed project. Note if any of the individuals are new to the project.
2. Demonstrate that the individuals and organizations identified have the capacity to successfully implement the proposed

- project activities.
3. Provide the qualifications of key staff and consultants identified to implement the project, including their knowledge of and experience addressing tribal communities.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below under each heading. OVW strongly encourages the use of a spreadsheet (e.g., excel, numbers, etc.) for the budget attachments. Failure to include the associated documentation may result in a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Attach in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the [OVW website](#). Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount The award period is 24 months. OVW estimates that it will make two awards for an estimated \$1,000,000 for the entire 24 months. OVW estimates that it will make an award of up to \$800,000 to IAFN and an award of up to \$200,000 to MIWSAC.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the sample Budget Detail Worksheet on the [OVW website](#).
3. Include sufficient funds to fully provide language access or describe other resources available to the applicant to ensure meaningful access for persons who are limited in their English proficiency because of their national origin. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
4. Include sufficient funds to fully provide access for individuals with disabilities or who are Deaf/hard of hearing or describe other resources available to the applicant to ensure meaningful access for such individuals. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
5. Compensate survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) who participate as consultants, in an advisory capacity, in focus groups, or in other work activities.
6. Include funds to attend OVW-sponsored TTA in the amount of \$20,000. This amount is for the entire 24 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
7. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the [OVW website](#).

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](#).

Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets.

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the conference. Recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Examples of when OVW might grant such approval include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Budget clearance does not constitute prior approval of food and beverage costs. Recipients must seek approval of these costs through the OVW conference approval process.

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Budget clearance does not constitute prior approval to hold a conference. Recipients must seek approval of these costs through the conference approval process.

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments that receive more than \$35 million in direct federal funding per year) that do not have a current negotiated (including provisional) rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Financial Management Questionnaire (including applicant disclosure of high-risk status)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation (if applicable)

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the [OVW website](#).

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Supporting Documents

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities among two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU **must** be a single document and **must** be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may prevent OVW from making an award. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample MOU is available on the [OVW website](#).

The MOU must clearly:

Additional Application Components

The following components must be included with the application. Failure to supply this information will result in a delay in access to funding. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letter of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the [OVW website](#).

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Summary of Other Federal Funding

Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that closed within the 12 months before the date this solicitation closes, the information must be provided in a table using the sample format found on the [OVW website](#). The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient.

Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2023 **to do similar work**. Provide this information in a table using the sample format found on the [OVW website](#). Both tables, if applicable, should be uploaded as attachments in JustGrants.

Pre-Award Risk Assessment

Each applicant must submit, as an attachment, the Pre-Award Risk Assessment and respond to each question. **Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed in the questionnaire.** This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.

4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the [DOJ Financial Guide](#) for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/ experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the names(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Summary Data Sheet

Each applicant must submit, as an attachment, the Summary Data Sheet, which should be one to four pages in length and may be single or double spaced. The Summary Data Sheet does not count toward the 10-page limit for the Proposal Narrative. 5. Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time for federal funding must complete a multi-step registration process. Applicants must register with the systems listed below to successfully submit an application.

1. SAM. Registration with SAM includes receiving a UEI. (**Average registration completion time – 2-3 weeks**)
2. Grants.gov (**Average registration completion time – 1 week**)
3. JustGrants. Registration with SAM and Grants.gov must be completed before an applicant can register with JustGrants. (**Average registration completion time – 3 days**)

Note: registration time frames are estimates. Applicants experiencing registration challenges (including lengthy registration wait times) should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed."

Please see the [Solicitation Companion Guide](#) for additional details regarding SAM, Grants.gov, and JustGrants registration.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the responsibility of the applicant to ensure that they are properly registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by August 1, 2023. Failure to do so may result in the application being removed from consideration for funding.

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.
Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.
Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

Additionally, applicants experiencing technical difficulties with any of the systems listed above during the registration, account update, or application submission processes that may result in missing the application deadline should refer to the "OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes" section of this solicitation for guidance on how to proceed.

Submission Dates and Time

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: the Grants.gov deadline is 3 days before the JustGrants application deadline.** If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the JustGrants application deadline.** Applicants experiencing technical difficulties should refer to the contact information above for assistance with Grants.gov and JustGrants.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may prevent OVW from making an award or result in a delay in access to funds. See the OVW Policy on Late Submission [below](#).

Submission Information and Other Submission Requirements

Applications will be submitted to OVW in two steps:

Step 1: The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov - <https://www.grants.gov/web/grants/forms/sf-424-family.html>.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov). To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OVW encourages applicants to review the [Solicitation Companion Guide](#) and the JustGrants website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy on Late Submission

To ensure timely award processing, the applicant must submit the application by **9:00 pm ET on August 17, 2023 – JustGrants deadline**. Applicants anticipating late submission should contact OVW at Jenny.Mills2@usdoj.gov or 202-307-6026 to provide an explanation for the delay and an anticipated submission date. Submitting the application after the deadline may prevent OVW from making an award or result in a delay in access to funds.

Application Review Information

Review Criteria

This is a non-competitive solicitation; therefore, applications are not subject to peer review. Applications are subject, however, to a programmatic review to ensure that the application is complete and meets applicable statutory, regulatory, and other program requirements as described in this solicitation. Applicants must submit all information requested in the Application Contents and Additional Required Information sections of this solicitation. If any required elements are missing, OVW will contact the applicant to request prompt submission of relevant documents. Failure to include required information at the time of submission may prevent OVW from making an award or result in a delay in funding.

Each OVW grantee agrees to follow the financial and administrative requirements in the [DOJ Financial Guide](#) as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the [DOJ Financial Guide](#), the grantee may experience a delay in funding or may have additional conditions placed on its award under this solicitation.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2023.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

Terms and conditions for OVW awards are available on the [OVW website](#). These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency because of their national origin have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to individuals with

disabilities, including those with physical or cognitive disabilities, as well as individuals who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are fully accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Appropriate performance report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in FAPIIS, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

Public Reporting Burden-Paper Work Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
