iPhone XR review: The best iPhone value in years - CNET
<https://www.cnet.com/reviews/apple-iphone-xr-later-review>

Apple iPhone XR

The iPhone XR is the best iPhone delivering most of the advantages for hundreds less.

★★★★☆	8.9
PERFORMANCE	10
BATTERY	10
CAMERA	8
DESIGN	9

- ✓ The less expensive iPhone XR X and XS features, including screen in a comfortable body, Face ID and wireless charging, mostly as good as the iPhone
- ⊖ The iPhone XR's single rear camera zoom and has a limited portrait screen, while large, bright and below the iPhone XS' OLED in aluminum XR is slightly less costly.

\$599

iPhone XR

The iPhone XR delivers fast performance cameras and longer battery life phones, all in a colorful and affordable

★★★★☆ 4.5

- ✓ Fastest processor in a phone
- ✓ Very long battery life
- ✓ Excellent camera performance
- ✓ Big, bright and colorful LCD
- ✓ Superb audio quality
- ✓ Great flagship value
- ⊖ Single rear camera lacks 2x optical zoom
- ⊖ Portrait mode works only with 2x zoom
