ORDER GRANTING JOINT MOTION TO MODIFY SUBPOENA

Both parties in this matter seek a modification of the original subpoena sought by the Immigration and Employee Rights Section, Civil Rights Division of the Department of Justice (IER) and issued by the undersigned on January 14, 2024. The subpoena ordered Stevens Transport, Inc. (STI) to “appear and provide information at an investigative interview” to be held on February 4, 2025.

On January 29, 2025, STI attempted to file a Motion to Quash IER’s Subpoena via electronic mail, however, the Court rejected the filing, as the matter was not approved for electronic filing with the Court. No attempt was made to refile the Motion to Quash.

On February 4, 2025, the parties filed a Joint Motion to Modify Subpoena. Through the motion, the parties indicate that although they disagree “regarding the propriety and accuracy of STI’s Motion to Quash,” were the Court to “modify the Subpoena and order that the investigative interview take place on March 11 instead of February 4, 2025, at the same location and start date,” such a ruling “would moot the pending Motion to Quash.” Joint Mot. Modify 2.

Here, since both parties have consented to modify the subpoena, and the proposed modification would resolve the parties’ dispute regarding a potential motion to quash, the Court finds modification appropriate in this instance. Accordingly, the parties’ joint motion is GRANTED, and STI is ordered to appear and provide information at an investigative interview to be held on March 11, 2025, at 9:30am CST.

SO ORDERED.

Dated and entered on February 4, 2025.
