Two	05-13-25	“Oh, I’m not just watching!! Either Trump is dead and in the ground by 2026 or I am hunting him down and putting him there. Do you hear that FBI and any other organization that wants to show up at my fucking door? 📱 Put the enemy of the United States in a fucking body bag or I will.”

Three	05-15-25	<p>“Cause and effect. Trump being a monster to humanity caused this family suffering, and they might never choose to have children because of him Affect we’re going to fucking kill Trump on public television so the world sees what we do to fucking monsters and then we’re gonna hang him from the Statue of Liberty until his pathetic bloated corpse rots off falls in the ocean, and I swept out the to see with humanities trash  After what I just heard if Trump is not dead by 2026 I’m going to Mar-a-Lago and I’m going after myself.”</p>
Four	05-15-25	<p>“That’s not a threat that’s a fucking promise and I don’t have Trump arrangement syndrome. The bullshit they made up. I’m going after him for taking my second amendment rights on constitutionally for calling him the Russian asset that he is! Cause and fucking affect!!!’ I’m going after him because I’m an actual fucking patriot. By the way, if there’s any arrangement syndrome caused by Trump it’s what his cult is inflicting on the rest of us!!!! That is going to end up going down in the psychological history books Including the bullshit that is Trump arrangement syndrome. I have very good reason to threaten his life and to go after it whether I have my second amendment rights or not. If the people that are supposed to have not gone after him by the new year, I am hear Trump I’m coming for you you little bitch.”</p>

Five	05-30-25	“If others have not taken care of you before the end of the year, Trump, I will, and I won’t make the mistake of not knowing where the fuck you are when I come for you. I’ll make sure you’re at Mar-a-Lago when I burn it to the fucking ground.”
Six	05-30-25	“And you shouldn’t have listened to my father when he said I wasn’t dangerous. I burned a house to the ground once in my life on accident when I burn you to the ground, it will very much be by intention, and I will revel in it instead of regret it for the rest of my life.”
Seven	06-14-25	“Because killing is not wrong defending your life or putting down a predator you see taking others through murder. Which is why I’m coming for you, Trump. You’ve killed millions of people by proxy. And you’re a monster to fucking humanity and it is my mission in this life to end your fucking existence. And I won’t be murdering you I will be executing a monster. I will be fulfilling my constitutional duty to execute a criminal citizen that’s committed high treason just like the constitution tells me too, tells us all fucking too.”
