INFORMATION

The United States of America, acting through its attorneys, charges:

I.

DESCRIPTION OF THE OFFENSE

1. Cajun Chemical, Inc. is hereby made a defendant on the charge stated below.
2. Beginning at least as early as 1990 and continuing thereafter until at least mid-1996, the exact dates being unknown to the United States, the defendant and others entered into a combination and conspiracy to suppress and eliminate competition by rigging bids and quotes for the award and performance of contracts to supply janitorial chemicals to the University of Southwestern Louisiana (USL) in unreasonable restraint of interstate trade and commerce, in violation of Section 1 of the Sherman Act (15 U.S.C. § 1).

3. During the period covered by this Information, USL, at various times, invited janitorial chemical companies, including the defendant and its corporate co-conspirators, to submit competitive bids or quotes for the award and performance of contracts to supply janitorial chemicals. The successful bidders were awarded contracts to furnish janitorial chemicals to USL for a specified quantity. As a result of the charged combination and conspiracy, the defendant was awarded contracts and furnished janitorial chemicals to USL.

4. The charged combination and conspiracy consisted of a continuing agreement, understanding, and concert of action among the defendant and co-conspirators, the substantial terms of which were:

- (a) to allocate all or part of certain contracts to supply janitorial chemicals to USL;
- (b) to refrain from submitting bids or quotes, or to submit collusive, noncompetitive, and rigged bids or quotes to USL for contracts to supply janitorial chemicals; and
- (c) to supply janitorial chemicals to USL at noncompetitive prices and receive compensation therefor.

5. For the purpose of forming and carrying out the charged combination and conspiracy, the defendant and co-conspirators did those things that they combined and conspired to do, including, among other things:

- (a) discussing among themselves the submission of prospective bids or quotes on contracts to supply janitorial chemicals to USL;

- (b) designating which corporate co-conspirator would be the low responsive bidder for the contracts to supply janitorial chemicals to USL;
- (c) discussing and agreeing upon prices to be contained within the bids or quotes for contracts to supply janitorial chemicals to USL;
- (d) refraining from bidding or submitting intentionally high, complementary bids or quotes for the contracts to supply janitorial chemicals to USL;
- (e) supplying janitorial chemicals to USL at noncompetitive prices and receiving compensation therefor; and
- (f) discussing and agreeing among themselves on the future allocation of other janitorial chemical supply contracts at other colleges and universities located throughout the State of Louisiana.
