PLEA AGREEMENT

The United States of America and Toyoda Gosei Co., Ltd. ("the defendant"), a corporation organized and existing under the laws of Japan, hereby enter into the following Plea Agreement pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure ("Fed. R. Crim. P.").

RIGHTS OF DEFENDANT

1. The defendant understands its rights:
  - (a) to be represented by an attorney;
  - (b) to be charged by Indictment;
  - (c) as a corporation organized and existing under the laws of Japan, to decline to accept service of the Summons in this case, and to contest the jurisdiction of the United States to prosecute this case against it in the United States District Court for the Northern District of Ohio;
  - (d) to plead not guilty to any criminal charges brought against it;

(e) to have a trial by jury, at which it would be presumed not guilty of the charges and the United States would have to prove every essential element of the charged offenses beyond a reasonable doubt for it to be found guilty;

(f) to confront and cross-examine witnesses against it and to subpoena witnesses in its defense at trial;

(g) to appeal its convictions if it is found guilty; and

(h) to appeal the imposition of sentence against it.

**AGREEMENT TO PLEAD GUILTY  
AND WAIVE CERTAIN RIGHTS**

2. The defendant knowingly and voluntarily waives the rights set out in Paragraph 1(b)-(g) above. The defendant knowingly and voluntarily waives any objection or defense it may have to the prosecution of Count Two of the Information against it in the United States District Court for the Northern District of Ohio based on venue. The defendant also knowingly and voluntarily waives the right to file any appeal, any collateral attack, or any other writ or motion, including but not limited to an appeal under 18 U.S.C. § 3742, that challenges the sentence imposed by the Court if that sentence is consistent with or below the recommended sentence in Paragraph 9 of this Plea Agreement, regardless of how the sentence is determined by the Court. This agreement does not affect the rights or obligations of the United States as set forth in 18 U.S.C. § 3742(b)-(c). Nothing in this paragraph, however, will act as a bar to the defendant perfecting any legal remedies it may otherwise have on appeal or collateral attack respecting claims of ineffective assistance of counsel or prosecutorial misconduct. The defendant agrees that there is currently no known evidence of ineffective assistance of counsel or prosecutorial misconduct. Pursuant to Fed. R. Crim. P. 7(b), the defendant will waive indictment

and plead guilty to a two-count Information to be filed in the United States District Court for the Northern District of Ohio. Count One of the Information will charge the defendant with participating in a conspiracy to suppress and eliminate competition in the automotive parts industry by agreeing to allocate sales of, to rig bids for, and to fix, stabilize, and maintain the prices of, certain automotive hoses (as defined in paragraph 5(a)(i) below, hereinafter "Certain Automotive Hoses") sold to Toyota Motor Corporation and certain of its subsidiaries, affiliates and suppliers (collectively, "Toyota") in the United States, from at least as early as February 2004 until at least September 2010, in violation of the Sherman Antitrust Act, 15 U.S.C. § 1. Count Two of the Information will charge the defendant with participating in a conspiracy to suppress and eliminate competition in the automotive parts industry by agreeing to allocate sales of, to rig bids for, and to fix, stabilize, and maintain the prices of, automotive airbags and steering wheels sold to Fuji Heavy Industries, Ltd., and certain of its subsidiaries, affiliates and suppliers (collectively, "Subaru") and to Toyota in the United States and elsewhere, from at least as early as September 2003 until at least September 2010, in violation of the Sherman Antitrust Act, 15 U.S.C. § 1.

3. The defendant will plead guilty to the criminal charges described in Paragraph 2 above pursuant to the terms of this Plea Agreement and will make a factual admission of guilt to the Court in accordance with Fed. R. Crim. P. 11, as set forth in Paragraph 5 below.

**ELEMENTS OF THE OFFENSES CHARGED**

4. The elements of each violation of 15 U.S.C. § 1, to which the defendant will plead guilty, are as follows:

First, that a conspiracy that amounted to an unreasonable restraint of trade or commerce

among the several States or with foreign nations was knowingly formed, and existed at or about the time alleged;

Second, that the defendant knowingly entered into the conspiracy; and

Third, that either acts taken in furtherance of the conspiracy were in the flow of interstate or foreign commerce, or the conspirators' general business activities infected by the conspiracy substantially affected interstate or foreign commerce.

**FACTUAL BASIS FOR OFFENSES CHARGED**

5. Had this case gone to trial, the United States would have presented evidence sufficient to prove the following facts beyond a reasonable doubt:

(a) As to Count One:

(i) For purposes of this Count, the "relevant period" is that period from at least as early as February 2004 until at least September 2010. During the relevant period, the defendant was a corporation organized and existing under the laws of Japan. The defendant had its principal place of business in Aichi, Japan, and U.S. subsidiaries in, among others, Troy, MI. During the relevant period, the defendant was a producer of Certain Automotive Hoses, was engaged in the sale of Certain Automotive Hoses to Toyota in the United States and elsewhere, and employed 5,000 or more individuals. Certain Automotive Hoses consist of low-pressure rubber hoses used in automobile engine compartments, and plastic and resin tubes used in automobile engine compartments and fuel tank modules. During the relevant period, the defendant's sales of Certain Automotive Hoses in

the United States affecting Toyota under U.S.S.G. § 2R1.1 totaled approximately \$61 million.

(ii) During the relevant period, the defendant, through its officers and employees, including high-level personnel of the defendant, participated in a conspiracy with other persons and another company engaged in the manufacture and sale of Certain Automotive Hoses, the primary purpose of which was to suppress and eliminate competition by agreeing to allocate sales of, to rig bids for, and to fix, stabilize, and maintain the prices of, Certain Automotive Hoses sold to Toyota in the United States. In furtherance of the conspiracy, the defendant, through its officers and employees, engaged in discussions and attended meetings with representatives of another company involved in the manufacture and sale of Certain Automotive Hoses. During such discussions and meetings, agreements were reached to allocate sales of Certain Automotive Hoses sold to Toyota, rig bids quoted to Toyota for Certain Automotive Hoses, and to fix, stabilize, and maintain the prices of Certain Automotive Hoses sold to Toyota in the United States.

(iii) During the relevant period, Certain Automotive Hoses sold by one or more of the conspirator firms, and equipment and supplies necessary to the production and distribution of Certain Automotive Hoses, as well as payments for Certain Automotive Hoses, traveled in interstate commerce. The business activities of the defendant and its co-conspirators in connection with the production and sale of Certain Automotive Hoses that were the subject of this

conspiracy were within the flow of, and substantially affected, interstate commerce.

(iv) Acts in furtherance of the conspiracy were carried out within the Northern District of Ohio, Western Division, and elsewhere. Certain Automotive Hoses that were the subjects of the conspiracy were sold to Toyota by one or more of the conspirators in the Northern District of Ohio.

(b) As to Count Two:

(i) For purposes of this Count, the "relevant period" is that period from at least as early as September 2003 until at least September 2010. During the relevant period, the defendant was a corporation organized and existing under the laws of Japan. The defendant had its principal place of business in Aichi, Japan, and U.S. subsidiaries in, among others, Troy, MI. During the relevant period, the defendant was a producer of automotive airbags and steering wheels, was engaged in the sale of automotive airbags and steering wheels to Subaru and Toyota in the United States and elsewhere, and employed 5,000 or more individuals. Airbags are occupant restraints designed to control the movement of an occupant inside a vehicle in case of an accident. An airbag consists of a light fabric air bag, an inflator, which through use of pressurized gas (typically generated by pyrotechnic materials), rapidly inflates the airbag upon deployment, and an initiator to initiate the deployment. It may also include, depending on the requirements of the vehicle manufacturer, an injection molded plastic decorative cover or other devices associated with the airbag. Steering wheels consist of a

die-cast armature (frame) covered by molded polyurethane and finished with leather, wood trim, or plastic, and may include various electronic features and controls, depending on the requirements of the vehicle manufacturer. During the relevant period, the defendant's sales of automotive airbags and steering wheels in the United States and elsewhere affecting Subaru and Toyota under U.S.S.G. § 2R1.1 totaled approximately \$3 million.

(ii) During the relevant period, the defendant, through its officers and employees, participated in a conspiracy with other persons and entities engaged in the manufacture and sale of automotive airbags and steering wheels, the primary purpose of which was to suppress and eliminate competition by agreeing to allocate sales of, to rig bids for, and to fix, stabilize, and maintain the prices of, automotive airbags and steering wheels sold to Subaru and Toyota in the United States and elsewhere. In furtherance of the conspiracy, the defendant, through its officers and employees, engaged in discussions and attended meetings with representatives of other companies involved in the manufacture and sale of automotive airbags and steering wheels. During such discussions and meetings, agreements were reached to allocate sales of automotive airbags and steering wheels sold to Subaru and Toyota, to rig bids quoted to Subaru and Toyota for automotive airbags and steering wheels, and to fix, stabilize, and maintain the prices of automotive airbags and steering wheels sold to Subaru and Toyota in the United States and elsewhere.

(iii) During the relevant period, automotive airbags and steering wheels sold by one or more of the conspirator firms, and equipment and supplies necessary to the production and distribution of automotive airbags and steering wheels, as well as payments for automotive airbags and steering wheels, traveled in interstate and foreign commerce. The business activities of the defendant and its co-conspirators in connection with the production and sale of automotive airbags and steering wheels that were the subject of this conspiracy were within the flow of, and substantially affected, interstate and foreign trade and commerce.

(c) The defendant agrees that the above summary fairly and accurately sets forth the defendant's offense conduct and a factual basis for the guilty pleas. The defendant further agrees that the facts set forth above are true and could be established beyond a reasonable doubt if the case were to proceed to trial. The defendant acknowledges that the above summary does not set forth each and every fact that the United States could prove at trial, nor does it necessarily encompass all of the acts which the defendant committed in furtherance of the offenses to which the defendant is pleading guilty.

**MAXIMUM SENTENCE**

6. The defendant understands that the statutory maximum penalty which may be imposed against it upon conviction for each violation of Section One of the Sherman Antitrust Act is a fine in an amount equal to the greatest of:

(a) \$100 million (15 U.S.C. § 1);

(b) twice the gross pecuniary gain the conspirators derived from the crime (18 U.S.C. § 3571(c) and (d)); or

(c) twice the gross pecuniary loss caused to the victims of the crime by the conspirators (18 U.S.C. § 3571(c) and (d)).

7. In addition, the defendant understands that, for each count:

(a) pursuant to 18 U.S.C. § 3561(c)(1), the Court may impose a term of probation of at least one year, but not more than five years;

(b) pursuant to U.S.S.G. § 8B1.1 of the United States Sentencing Guidelines ("U.S.S.G.," "Sentencing Guidelines," or "Guidelines") or 18 U.S.C. § 3563(b)(2) or § 3663(a)(3), the Court may order it to pay restitution to the victims of the offense; and

(c) pursuant to 18 U.S.C. § 3013(a)(2)(B), the Court is required to order the defendant to pay a \$400 special assessment upon conviction for each count.

#### SENTENCING GUIDELINES

8. The defendant understands that the Sentencing Guidelines are advisory, not mandatory, but that the Court must consider, in determining and imposing sentence, the Guidelines Manual in effect on the date of sentencing unless that Manual provides for greater punishment than the Manual in effect on the last date that the offense of conviction was committed, in which case the Court must consider the Guidelines Manual in effect on the last date that the offense of conviction was committed. The parties agree that there is no *ex post facto* issue under the November 1, 2013, Guidelines Manual. The Court must also consider the other factors set forth in 18 U.S.C. § 3553(a) in determining and imposing sentence. The defendant understands that the Guidelines determinations will be made by the Court by a

preponderance of the evidence standard. The defendant understands that although the Court is not ultimately bound to impose a sentence within the applicable Guidelines range, its sentence must be reasonable based upon consideration of all relevant sentencing factors set forth in 18 U.S.C. § 3553(a). Pursuant to U.S.S.G. §1B1.8, the United States agrees that self-incriminating information that the defendant provides to the United States pursuant to this Plea Agreement will not be used to increase the volume of affected commerce attributable to the defendant or in determining the defendant's applicable Guidelines range, except to the extent provided in U.S.S.G. §1B1.8(b).

#### SENTENCING AGREEMENT

9. Pursuant to Fed. R. Crim. P. 11(c)(1)(C), and subject to the full, truthful, and continuing cooperation of the defendant and its related entities, as defined in Paragraph 12 of this Plea Agreement, the United States and the defendant agree that the appropriate disposition of this case is, and agree to recommend jointly that the Court impose, a sentence requiring the defendant to pay to the United States a criminal fine of \$26 million, pursuant to 18 U.S.C. § 3571(d), payable in full before the fifteenth (15th) day after the date of judgment and no order of restitution ("the recommended sentence"). The parties agree that there exists no aggravating or mitigating circumstance of a kind, or to a degree, not adequately taken into consideration by the U.S. Sentencing Commission in formulating the Sentencing Guidelines justifying a departure pursuant to U.S.S.G. § 5K2.0. The parties agree not to seek at the sentencing hearing any sentence outside of the Guidelines range nor any Guidelines adjustment for any reason that is not set forth in this Plea Agreement. The parties further agree that the recommended sentence set forth in this Plea Agreement is reasonable.

(a) The defendant understands that the Court will order it to pay \$800 in special assessments, pursuant to 18 U.S.C. § 3013(a)(2)(B), in addition to any fine imposed.

(b) In light of the availability of civil causes of action, which potentially provide for a recovery of a multiple of actual damages, the recommended sentence does not include a restitution order for the offenses charged in the Information.

(c) Both parties will recommend that no term of probation be imposed, but the defendant understands that the Court's denial of this request will not void this Plea Agreement.

(d) The United States and the defendant jointly submit that this Plea Agreement, together with the record that will be created by the United States and the defendant at the plea and sentencing hearings, and the further disclosure described in Paragraph 10, will provide sufficient information concerning the defendant, the crimes charged in this case, and the defendant's role in the crimes to enable the meaningful exercise of sentencing authority by the Court under 18 U.S.C. § 3553. The United States and the defendant agree to request jointly that the Court accept the defendant's guilty pleas and impose sentence on an expedited schedule as early as the date of arraignment, based upon the record provided by the defendant and the United States, under the provisions of Fed. R. Crim. P. 32(c)(1)(A)(ii), U.S.S.G. § 6A1.1, and Local Criminal Rule 32.2(b)(5). The Court's denial of the request to impose sentence on an expedited schedule will not void this Plea Agreement.

10. Subject to the full, truthful, and continuing cooperation of the defendant and its related entities, as defined in Paragraph 12 of this Plea Agreement, and prior to sentencing in the case, the United States will fully advise the Court of the fact, manner, and extent of the defendant's and its related entities' cooperation, their commitment to prospective cooperation with the United States' investigation and prosecutions, all material facts relating to the defendant's involvement in the charged offenses, and all other relevant conduct.

11. The United States and the defendant understand that the Court retains complete discretion to accept or reject the recommended sentence provided for in Paragraph 9 of this Plea Agreement.

(a) If the Court does not accept the recommended sentence, the United States and the defendant agree that this Plea Agreement, except for Paragraph 11(b) below, will be rendered void.

(b) If the Court does not accept the recommended sentence, the defendant will be free to withdraw its guilty pleas (Fed. R. Crim. P. 11(c)(5) and (d)). If the defendant withdraws its pleas of guilty, this Plea Agreement, the guilty pleas, and any statement made in the course of any proceedings under Fed. R. Crim. P. 11 regarding the guilty pleas or this Plea Agreement, or made in the course of plea discussions with an attorney for the government will not be admissible against the defendant in any criminal or civil proceeding, except as otherwise provided in Federal Rule of Evidence 410. In addition, the defendant agrees that, if it withdraws its guilty pleas pursuant to this subparagraph of the Plea Agreement, the statute of limitations period for any offense referred to in Paragraph 14 of this Plea Agreement will be tolled for the period between the date of

signature of this Plea Agreement and the date the defendant withdrew its guilty pleas or for a period of sixty (60) days after the date of signature of this Plea Agreement, whichever period is greater.

**DEFENDANT'S COOPERATION**

12. The defendant and its related entities (for purposes of this Plea Agreement, the defendant's "related entities" are entities in which the defendant had a greater than 50% ownership interest as of the date of signature of this Plea Agreement, including, but not limited to Toyota Gosei North America Corp.), will cooperate fully and truthfully with the United States in the prosecution of this case; the current federal investigation of violations of federal antitrust and related criminal laws involving the manufacture or sale of Certain Automotive Hoses, automotive airbags, or steering wheels; and any litigation or other proceedings arising or resulting from such investigation to which the United States is a party (collectively, "Federal Proceeding"). Federal Proceeding includes, but is not limited to, an investigation, prosecution, litigation, or other proceeding regarding obstruction of, the making of a false statement or declaration in, the commission of perjury or subornation of perjury in, the commission of contempt in, or conspiracy to commit such offenses in, a Federal Proceeding. The full, truthful, and continuing cooperation of the defendant and its related entities will include, but not be limited to:

(a) producing to the United States all documents, information, and other materials, wherever located, not protected under the attorney-client privilege or the work-product doctrine, (and with translations into English), in the possession, custody, or

control of the defendant or any of its related entities, that are requested by the United States in connection with any Federal Proceeding; and

(b) using its best efforts to secure the full, truthful, and continuing cooperation, as defined in Paragraph 13 of this Plea Agreement, of the current and former directors, officers and employees of the defendant or any of its related entities as may be requested by the United States, but excluding the individuals listed in Attachment A filed under seal, including making these persons available in the United States and at other mutually agreed-upon locations, at the defendant's expense, for interviews and the provision of testimony in grand jury, trial, and other judicial proceedings in connection with any Federal Proceeding. Current directors, officers, and employees are defined for purposes of this Plea Agreement as individuals who are directors, officers, or employees of the defendant or any of its related entities as of the date of signature of this Plea Agreement.

13. The full, truthful, and continuing cooperation of each person described in Paragraph 12(b) above, will be subject to the procedures and protections of this paragraph, and will include, but not be limited to:

(a) producing in the United States and at other mutually agreed-upon locations all documents, including claimed personal documents and other materials, wherever located, not protected under the attorney-client privilege or the work-product doctrine, (and with translations into English), that are requested by attorneys and agents of the United States in connection with any Federal Proceeding;

(b) making himself or herself available for interviews in the United States and at other mutually agreed-upon locations, not at the expense of the United States, upon the request of attorneys and agents of the United States in connection with any Federal Proceeding;

(c) responding fully and truthfully to all inquiries of the United States in connection with any Federal Proceeding, without falsely implicating any person or intentionally withholding any information, subject to the penalties of making a false statement or declaration (18 U.S.C. §§ 1001, 1623), obstruction of justice (18 U.S.C. § 1503, *et seq.*), or conspiracy to commit such offenses;

(d) otherwise voluntarily providing the United States with any material or information not requested in (a) - (c) of this paragraph and not protected under the attorney-client privilege or work-product doctrine that he or she may have that is related to any Federal Proceeding;

(e) when called upon to do so by the United States in connection with any Federal Proceeding, testifying in grand jury, trial, and other judicial proceedings in the United States fully, truthfully and under oath, subject to the penalties of perjury (18 U.S.C. § 1621), making a false statement or declaration in grand jury or court proceedings (18 U.S.C. § 1623), contempt (18 U.S.C. §§ 401-402), and obstruction of justice (18 U.S.C. § 1503, *et seq.*); and

(f) agreeing that, if the agreement not to prosecute him or her in this Plea Agreement is rendered void under Paragraph 15(c), the statute of limitations period for any Relevant Offense as defined in Paragraph 15(a) will be tolled as to him or her for the

period between the date of signature of this Plea Agreement and six (6) months after the date that the United States gave notice of its intent to void its obligations to that person under this Plea Agreement.

**GOVERNMENT'S AGREEMENT**

14. Subject to the full, truthful, and continuing cooperation of the defendant and its related entities, as defined in Paragraph 12 of this Plea Agreement, and upon the Court's acceptance of the guilty pleas called for by this Plea Agreement and the imposition of the recommended sentence, the United States agrees that it will not bring further criminal charges against the defendant or any of its related entities for any act or offense committed before the date of signature of this Plea Agreement that was undertaken in furtherance of an antitrust conspiracy involving the manufacture or sale of Certain Automotive Hoses or automotive airbags or steering wheels. The nonprosecution terms of this paragraph do not apply to (a) civil matters of any kind; (b) any violation of the federal tax or securities laws or conspiracy to commit such offenses; (c) any crime of violence; or (d) any acts of subornation of perjury (18 U.S.C. § 1622), making a false statement (18 U.S.C. § 1001), obstruction of justice (18 U.S.C. § 1503, *et seq.*), contempt (18 U.S.C. §§ 401-402), or conspiracy to commit such offenses.

15. The United States agrees to the following:

(a) Upon the Court's acceptance of the guilty pleas called for by this Plea Agreement and the imposition of the recommended sentence and subject to the exceptions noted in Paragraph 15(c), the United States agrees that it will not bring criminal charges against any current or former director, officer or employee of the defendant or its related entities for any act or offense committed before the date of

signature of this Plea Agreement and while that person was acting as a director, officer or employee of the defendant or its related entities that was undertaken in furtherance of an antitrust conspiracy involving the manufacture or sale of Certain Automotive Hoses, automotive airbags, or steering wheels ("Relevant Offense"), except that the protections granted in this paragraph do not apply to the individuals listed in Attachment A (filed under seal);

(b) Should the United States determine that any current or former director, officer, or employee of the defendant or its related entities may have information relevant to any Federal Proceeding, the United States may request that person's cooperation under the terms of this Plea Agreement by written request delivered to counsel for the individual (with a copy to the undersigned counsel for the defendant) or, if the individual is not known by the United States to be represented, to the undersigned counsel for the defendant;

(c) If any person requested to provide cooperation under Paragraph 15(b) fails to comply with his or her obligations under Paragraph 13, then the terms of this Plea Agreement as they pertain to that person, and the agreement not to prosecute that person granted in this Plea Agreement, will be rendered void, and the United States may prosecute such person criminally for any federal crime of which the United States has knowledge, including, but not limited to any Relevant Offense;

(d) Except as provided in Paragraph 15(e), information provided by a person described in Paragraph 15(b) to the United States under the terms of this Plea Agreement pertaining to any Relevant Offense, or any information directly or indirectly derived from

that information, may not be used against that person in a criminal case, except in a prosecution for perjury or subornation of perjury (18 U.S.C. §§ 1621-22), making a false statement or declaration (18 U.S.C. §§ 1001, 1623), obstruction of justice (18 U.S.C. § 1503, *et seq.*), contempt (18 U.S.C. §§ 401-02), or conspiracy to commit such offenses;

(e) If any person who provides information to the United States under this Plea Agreement fails to comply fully with his or her obligations under Paragraph 13 of this Plea Agreement, the agreement in Paragraph 15(d) not to use that information or any information directly or indirectly derived from it against that person in a criminal case will be rendered void;

(f) The nonprosecution terms of this paragraph do not apply to civil matters of any kind; any violation of the federal tax or securities laws or conspiracy to commit such offenses; any crime of violence; or perjury or subornation of perjury (18 U.S.C. §§ 1621-22), making a false statement or declaration (18 U.S.C. §§ 1001, 1623), obstruction of justice (18 U.S.C. § 1503, *et seq.*), contempt (18 U.S.C. §§ 401-02), or conspiracy to commit such offenses; and

(g) Documents provided under Paragraphs 12(a) and 13(a) will be deemed responsive to outstanding grand jury subpoenas issued to the defendant or any of its related entities.

16. The United States agrees that when any person travels to the United States for interviews, grand jury appearances, or court appearances pursuant to this Plea Agreement, or for meetings with counsel in preparation therefor, the United States will take no action, based upon any Relevant Offense, to subject such person to arrest, detention or service of process, or to

prevent such person from departing the United States. This paragraph does not apply to an individual's commission of perjury or subornation of perjury (18 U.S.C. §§ 1621-22), making a false statement or declaration (18 U.S.C. §§ 1001, 1623), obstruction of justice (18 U.S.C. § 1503, *et seq.*), contempt (18 U.S.C. §§ 401-402), or conspiracy to commit such offenses.

17. The defendant understands that it may be subject to suspension or debarment action by state or federal agencies other than the United States Department of Justice, Antitrust Division, based upon the convictions resulting from this Plea Agreement, and that this Plea Agreement in no way controls what action, if any, other agencies may take. However, the Antitrust Division agrees that, if requested, it will advise the appropriate officials of any governmental agency considering such action of the fact, manner and extent of the cooperation of the defendant and its related entities as a matter for that agency to consider before determining what action, if any, to take. The defendant nevertheless affirms that it wants to plead guilty regardless of the suspension or debarment consequences of its pleas.

#### REPRESENTATION BY COUNSEL

18. The defendant has been represented by counsel and is fully satisfied that its attorneys have provided competent legal representation. The defendant has thoroughly reviewed this Plea Agreement and acknowledges that counsel has advised it of the nature of the charges, any possible defenses to the charges and the nature and range of possible sentences.

#### VOLUNTARY PLEAS

19. The defendant's decision to enter into this Plea Agreement and to tender pleas of guilty is freely and voluntarily made and is not the result of force, threats, assurances, promises, or representations other than the representations contained in this Plea Agreement and

Attachments A and B (filed under seal) and Attachment C. The United States has made no promises or representations to the defendant as to whether the Court will accept or reject the recommendations contained within this Plea Agreement.

**VIOLATION OF PLEA AGREEMENT**

20. The defendant agrees that, should the United States determine in good faith, during the period that any Federal Proceeding is pending, that the defendant or any of its related entities have failed to provide full, truthful, and continuing cooperation, as defined in Paragraph 12 of this Plea Agreement, or have otherwise violated any provision of this Plea Agreement, the United States will notify counsel for the defendant in writing by personal or overnight delivery, email, or facsimile transmission and may also notify counsel by telephone of its intention to void any of its obligations under this Plea Agreement (except its obligations under this paragraph), and the defendant and its related entities will be subject to prosecution for any federal crime of which the United States has knowledge including, but not limited to, the substantive offenses relating to the investigation resulting in this Plea Agreement. The defendant agrees that, in the event that the United States is released from its obligations under this Plea Agreement and brings criminal charges against the defendant or its related entities for any offense referred to in Paragraph 14 of this Plea Agreement, the statute of limitations period for such offense will be tolled for the period between the date of signature of this Plea Agreement and six (6) months after the date the United States gave notice of its intent to void its obligations under this Plea Agreement.

21. The defendant understands and agrees that in any further prosecution of it or its related entities resulting from the release of the United States from its obligations under this Plea

Agreement, because of the defendant's or any of its related entities' violation of this Plea Agreement, any documents, statements, information, testimony, or evidence provided by it, its related entities, or their current or former directors, officers, or employees to attorneys or agents of the United States, federal grand juries or courts, and any leads derived therefrom, may be used against it or its related entities. In addition, the defendant unconditionally waives its right to challenge the use of such evidence in any such further prosecution, notwithstanding the protections of Federal Rule of Evidence 410.

**ENTIRETY OF AGREEMENT**

22. This Plea Agreement and Attachments A, B, and C constitute the entire agreement between the United States and the defendant concerning the disposition of the criminal charges in this case. This Plea Agreement cannot be modified except in writing, signed by the United States and the defendant.

23. The undersigned is authorized to enter this Plea Agreement on behalf of the defendant as evidenced by the Resolution of the Board of Directors of the defendant attached to, and incorporated by reference in, this Plea Agreement.

24. The undersigned attorneys for the United States have been authorized by the Attorney General of the United States to enter this Plea Agreement on behalf of the United States.

25. A facsimile or PDF signature will be deemed an original signature for the purpose of executing this Plea Agreement. Multiple signature pages are authorized for the purpose of executing this Plea Agreement.
