APPENDIX

CHRISTIAN NATIONALIST CRUSADE

A source advised on August 12, 1959 that the Christian Nationalist Crusade (CNC) was organized in St. Louis, Missouri, in 1947, and moved its headquarters to Glendale, California, in 1953, where it continues to be located; that from the parent CNC, subsidiary organizations, including the Christian Nationalist Party (of America), have developed; that these organizations all reflect in their literature the imprint of their chief organizer and director, GERALD L. K. SMITH, whose basic argument has been that this nation, traditionally Christian, and racially segregated, is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry which controls this country financially and politically; and that these organizations are not membership organizations, but represent followers who contribute to them or subscribe to their literature. Although GERALD L. K. SMITH and his associates are not known to have appealed to illegal action, the tenor of their statements and program is anti-Semitic, as indirectly indicated by the slogan of the Christian Nationalist Party, announced in 1950, which was "One Faith - One Race - One Nation".

K. SMITH and edited by CHARLES F. ROBERTSON at 1200 South Central Avenue, Glendale, California.
