FACTUAL BASIS

The defendant, **JUAN VASQUEZ-ALVARADO** (hereinafter "**VASQUEZ-ALVARADO**"), has agreed to plead guilty as charged to the one-count indictment charging him with illegal reentry of a previously removed alien in violation of Title 8, United States Code, Section 1326(a).

Should this matter go to trial, the government would prove, through the introduction of competent testimony and other admissible evidence, the following facts, beyond a reasonable doubt, to support the allegations in the indictment now pending against the defendant:

On July 2, 2015, ICE officers received information that an illegal alien wanted for Indecent Behavior with a Juvenile was residing at 1755 Pace Street in New Orleans. Based on that information the ICE officers went to the address to conduct surveillance on the house in an effort to identify the subject. Sometime after they initiated their surveillance, the agents observed the subject enter a truck and drive off down the street. The officers conducted a stop of the vehicle and asked the subject if he any identification. The suspect advised the agents that he had a passport at his residence. The suspect agreed to return to his residence and let the agents review his passport. After entering the residence with the subject's consent, the officers encountered, **VASQUEZ-ALVARADO** in the front of the house. The officers advised

VASQUEZ-ALVARADO the reason for their presence. They then asked **VASQUEZ-ALVARADO** in Spanish for identification and he produced a Honduran passport. The officers then asked **VASQUEZ-ALVARADO** when he entered the United States and he advised that he entered the country in 2014 at an unknown location in Texas. The officers placed **VASQUEZ-ALVARADO** under arrest and transported him to the New Orleans Field Office for processing.

After his arrest, ICE ran **VASQUEZ-ALVARADO'S** prints through an immigration database and determined that he was an illegal alien from Honduras. The records check also revealed that **VASQUEZ-ALVARADO** had been removed from the United States on September 5, 2002.

Documentation contained in the defendant's Alien File, including a Warrant of Removal/Deportation, complete with the defendant's fingerprints, photographs and signature, would show that the defendant, **VASQUEZ-ALVARADO**, was removed from the United States to Honduras on September 5, 2002. A qualified Fingerprint Specialist would testify that the fingerprints of the individual documented in the Alien File containing the Warrant of Removal/Deportation and the fingerprints of the defendant are a match. Documentation from the Alien File would further show that the defendant is an alien and not a citizen or national of the United States.

Testimony of an official from U.S. Citizenship and Immigration Services regarding record checks conducted through the Computer Linked Application Information Management System would show that the defendant, **VASQUEZ-ALVARADO**, did not receive consent from the U.S. Attorney General or his designated successor, the Secretary of the Department of

Homeland Security, to apply for readmission or receive permission to reenter the United States since the time of the defendant's previous removal.
