UNITED STATES OF AMERICA * **CRIMINAL NO. 19-004**

v. * **SECTION: "M"**

RICARDO SALAZAR-ESQUIVEL *

* * *

FACTUAL BASIS

The defendant, **RICARDO SALAZAR-ESQUIVEL** ("SALAZAR-ESQUIVEL"), has agreed to plead guilty as charged to the one-count indictment charging him with illegal reentry of a previously removed alien in violation of Title 8, United States Code, Section 1326(a).

Should this matter have gone to trial, the government would have proven, through the introduction of competent testimony and other admissible evidence, the following facts, beyond a reasonable doubt, to support the allegations in the indictment now pending against the defendant:

On November 5, 2018, **SALAZAR-ESQUIVEL** was arrested by the St. Tammany Parish Sheriff's Office and charged with Driving While Intoxicated, Careless Operation of a Vehicle, and Disobeying a Police Officer. It was determined that **SALAZAR-ESQUIVEL** was previously removed from the United States on March 15, 2008 through Laredo, Texas. **SALAZAR-ESQUIVEL'S** previous removal order was reinstated and **SALAZAR-ESQUIVEL** was physically removed from the United States on the order of removal on September 16, 2008 from El Paso, Texas. At an unknown time, **SALAZAR-ESQUIVEL** re-entered the United States without inspection and has been residing in the United States.

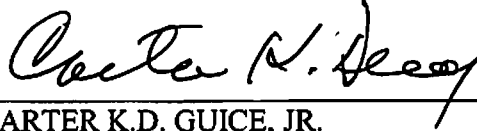

An ICE agent would testify that once **SALAZAR-ESQUIVEL** was inside of the ICE office, record checks were run through various U.S. Department of Homeland Security databases

in order to verify his citizenship and status. The defendant's biographic information was run through the Automated Biometric Identification System and showed that he was previously removed on September 16, 2008. These record checks further confirmed that the defendant was an alien, citizen of Mexico and illegally present in the United States.

Further documentation from ICE records contained in the defendant's Alien File, including a Warrant of Removal/Deportation, complete with the defendant's fingerprints, photographs and signature, would further demonstrate that the defendant, **SALAZAR-ESQUIVEL**, was removed from the United States to Mexico on September 16, 2008. A qualified ICE Fingerprint Specialist would testify that the fingerprints of the individual documented in the Alien File containing the Warrant of Removal/Deportation and the fingerprints of the defendant were a match. Documentation from the Alien File would further show that the defendant is an alien and not a citizen or national of the United States.

Testimony of an official from U.S. Citizenship and Immigration Services regarding record checks conducted through the Computer Linked Application Information Management System ("CLAIMS") would show that the defendant, **SALAZAR-ESQUIVEL**, did not receive consent from the U.S. Attorney General or his designated successor, the Secretary of the Department of

Homeland Security, to apply for readmission or receive permission to reenter the United States since the time of the defendant's previous removal.
