INFORMATION AND INSTRUCTIONS

GENERAL INFORMATION

Catch-up contributions are in addition to your regular TSP contributions. Therefore, if you are not already contributing the maximum amount allowed (according to TSP and/or IRS elective deferral limits) through your regular TSP contributions or by contributing to an equivalent employer plan (e.g., a 401(k) plan), you must elect to contribute the maximum amount before you are eligible to make catch-up contributions. This catch-up election **will not** affect your regular TSP contributions.

You may start, stop, or change your catch-up contributions at any time. Your election will stay in effect subject to the conditions in Section II below. You must make a new election for each calendar year.

You do not receive matching contributions from your agency for any catch-up contributions.

Your catch-up contribution election will be effective no later than the first full pay period after your agency receives it. Contributions will be invested according to your most recent contribution allocation. If you wish to change your contribution allocation, you may do so on the TSP website at www.tsp.gov, the ThriftLine at 1-TSP-YOU-FRST (1-877-968-3778; outside the U.S. and Canada, call 404-233-4400), or Form TSP-50, Investment Allocation.

SECTION I

Complete all items in this section.

SECTION II

The IRS limit for catch-up contributions is **\$5,500 in 2010**. Thereafter, the amount may be adjusted for inflation. Check the TSP website, www.tsp.gov, for updated information.

Deductions will be made from your basic pay in the dollar amount you indicate. However:

- (1) Catch-up contributions will stop when you have reached the maximum allowable dollar amount for the calendar year.
- (2) The catch-up contribution amount you specified cannot exceed the amount of your pay after all other required deductions have been made. (Required deductions include regular TSP contributions and TSP loan payments.)
- (3) Your catch-up contributions will **not** continue into the next calendar year.

You are not eligible to make catch-up contributions if you are in nonpay status or if you are ineligible to make TSP contributions because you have made a financial hardship in-service withdrawal within the last 6 months. If you have elected to make catch-up contributions and you subsequently enter a noncontribution period, deductions will stop. Contributions will **not** restart automatically. You must make a new election when your noncontribution period ends.

You may stop your catch-up contributions at any time by submitting a new Form TSP-1-C to your agency indicating that you want your election to stop. (See Section III.)

You must sign this section or your request to start or change your catch-up contributions will be rejected.

SECTION III

If you choose to stop your catch-up contributions, you must complete and sign this section. Your election should be effective the first pay period after your agency receives it. You can restart your catch-up contributions at any time, subject to the conditions above.

SECTION IV

In Item 13, enter the receipt date. This is the date that a **properly completed** form is received by the agency personnel office. If the form has not been properly completed, it should be returned to the employee.

In Item 14, enter the effective date of the election. Elections should be made effective no later than the first full pay period after receipt of a properly completed form.

You should provide the participant with a copy of this completed election for his or her records.
