I. BACKGROUND

A. The United States of America (“United States”), on behalf of the Administrator of the U.S. Environmental Protection Agency (EPA), filed a complaint in this matter under Section 107 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. § 9607 (“CERCLA”), seeking reimbursement of response costs incurred or to be incurred for response actions taken at or in connection with the release or threatened release of hazardous substances at or from a parcel of property owned and operated at all relevant times by Hillcrest Industries, Inc., which is located at 40 Favor Street, Attica, New York, and is within the Westinghouse Foundry (a.k.a. Hillcrest Recycling) Superfund Site (“Site,” as defined below).

B. Defendant Hillcrest Industries, Inc. (“Settling Defendant”) has entered into this Consent Decree, but does not admit any liability to Plaintiff arising out of the transactions or occurrences alleged in the complaint.

C. The United States and Settling Defendant agree, and this Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the United States and Settling Defendant in good faith, that settlement of this matter without further litigation and without any further admission or adjudication of any issue of fact or law is appropriate and will avoid prolonged and complicated litigation between the Parties, and that the terms of this Consent Decree are fair, reasonable, and in the public interest.

THEREFORE, with the consent of the Parties to this Decree, it is ORDERED, ADJUDGED, AND DECREED:

II. JURISDICTION

1. This Court has jurisdiction over the subject matter of this action under 28 U.S.C. §§ 1331 and 1345 and 42 U.S.C. §§ 9607 and 9613(b), and has personal jurisdiction over Settling Defendant. The first payment of \$20,000 shall be due on or before June 30, 2019, or within 30 days of the Effective Date, whichever is later. 6. **Deposit of Payment.** The total amount to be paid under Paragraph 4 shall be deposited by EPA in the EPA Hazardous Substance Superfund.

7. **Notice of Payment.** At the time of payment, Settling Defendant shall send notice that payment has been made to EPA and DOJ in accordance with Section XII (Notices and Submissions) and to the EPA Cincinnati Finance Center by email or by regular mail at:

Email: cinwd_acctsreceivable@epa.gov

Cincinnati, Ohio 45268

Such notice shall reference the CDCS Number, Site/Spill ID Number 02-ME, and DJ Number 90-11-3-11525.

VI. FAILURE TO COMPLY WITH CONSENT DECREE

8. **Interest on Late Payments.** If Settling Defendant fails to make any payments under Paragraph 4 (Payment by Settling Defendant for Past Response Costs) by the required due dates, Settling Defendant shall pay an additional sum for Interest on any unpaid balance or late payments calculated from the Effective Date through the date of payment.

9. **Stipulated Penalty**

a. If any amounts due to EPA under Paragraph 4 (Payment by Settling Defendant for Past Response Costs) are not paid by the required due dates, Settling Defendant shall be in violation of this Consent Decree and shall pay to EPA, as a stipulated penalty, in addition to the Interest required by Paragraph 8, \$1,500 per violation per day that such payments are late.

b. Stipulated penalties are due and payable within 30 days after the date of the demand for payment of the penalties by EPA. All payments to EPA under this Paragraph shall be identified as “stipulated penalties” and shall be made by Fedwire EFT to:

Federal Reserve Bank of New York
ABA = 021030004
Account = 68010727
SWIFT address = FRNYUS33
33 Liberty Street
New York NY 10045
Field Tag 4200 of the Fedwire message should read

“D 68010727 Environmental Protection Agency”

c. At the time of payment of any stipulated penalty, Settling Defendant shall send notice that payment has been made to EPA and DOJ as provided in Paragraph 7 (Notice of Payment). Such notice shall reference the CDCS number, Site/Spill ID number 02-ME, and DJ number 90-11-3-11525.

d. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Defendant of the violation or made a demand for payment, but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing in this Consent Decree shall prevent the simultaneous accrual of separate penalties for separate violations of this Consent Decree.

10. If Settling Defendant fails to make any installment payment by the required due date under Paragraph 4 (Payment by Settling Defendant for Past Response Costs), all remaining installment payments and all accrued Interest shall become due immediately upon such failure. Interest shall continue to accrue on any unpaid amount until the total amount due has been received.

11. If the United States brings an action to enforce this Consent Decree, Settling Defendant shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

12. Payments made under this Section shall be in addition to any other remedies or sanctions available to Plaintiff by virtue of Settling Defendant’s failure to comply with the requirements of this Consent Decree.

13. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of any stipulated penalties that have accrued under this Consent Decree. Payment of stipulated penalties shall not excuse Settling Defendant from payment as required by Section V (Payment of Response Costs) or from performance of any other requirements of this Consent Decree.

VII. COVENANT BY PLAINTIFF

14. **Covenant for Settling Defendant by United States.** Except as specifically provided in Section VIII (Reservation of Rights by United States), the United States on behalf of EPA covenants not to sue Settling Defendant under Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. This covenant shall take effect upon the Effective Date. This covenant is conditioned upon the satisfactory performance by Settling Defendant of its obligations under this Consent Decree. This covenant extends only to Settling Defendant and does not extend to any other person.

VIII. RESERVATIONS OF RIGHTS BY UNITED STATES

15. The United States reserves, and this Consent Decree is without prejudice to, all rights against Settling Defendant with respect to all matters not expressly included within Paragraph 14 (Covenant for Settling Defendant by United States). Notwithstanding any

other provision of this Consent Decree, the United States reserves all rights against Settling Defendant with respect to:

- a. liability for failure of Settling Defendant to meet a requirement of this Consent Decree;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and
- e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

IX. COVENANTS BY SETTLING DEFENDANT

16. **Covenants by Settling Defendant.** Settling Defendant covenants not to sue and agrees not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs and this Consent Decree, including but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claim arising out of response actions at or in connection with the Site for which the Past Response Costs were incurred, including any claim under the United States Constitution, the New York State Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; or
- c. any claim under Sections 107 or 113 of CERCLA, 42 U.S.C. §§ 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law for Past Response Costs.

17. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

18. Waiver of Claims by Settling Defendant.

a. Settling Defendant agrees not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that it may have:

- (1) **De Micromis Waiver.** For all matters relating to the Site against any person where the person's liability to Settling Defendants with respect to the Site is based solely on having arranged for disposal or

treatment, or for transport for disposal or treatment, of hazardous substances at the Site, or having accepted for transport for disposal or treatment of hazardous substances at the Site, if all or part of the disposal, treatment, or transport occurred before April 1, 2001, and the total amount of material containing hazardous substances contributed by such person to the Site was less than 110 gallons of liquid materials or 200 pounds of solid materials; and

(2) **MSW Waiver.** For all matters relating to the Site against any person where the person's liability to Settling Defendants with respect to the Site is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of MSW at the Site, if the volume of MSW disposed, treated, or transported by such person to the Site did not exceed 0.2 percent of the total volume of waste at the Site; and

b. Exceptions to Waivers

(1) The waivers under this Paragraph 18 shall not apply with respect to any defense, claim, or cause of action that a Settling Defendant may have against any person otherwise covered by such waivers if such person asserts a claim or cause of action relating to the Site against such Settling Defendant.

(2) The waiver under Paragraph 18.a(1) (De Micromis Waiver) shall not apply to any claim or cause of action against any person otherwise covered by such waiver if EPA determines that: (i) the materials containing hazardous substances contributed to the Site by such person contributed significantly or could contribute significantly, either individually or in the aggregate, to the cost of the response action or natural resource restoration at the Site; or (ii) such person has failed to comply with any information request or administrative subpoena issued pursuant to Section 104(e) or 122(e)(3)(B) of CERCLA, 42 U.S.C. § 9604(e) or 9622(e)(3)(B), or Section 3007 of RCRA, 42 U.S.C. § 6927, or has impeded or is impeding, through action or inaction, the performance of a response action or natural resource restoration with respect to the Site; or if (iii) such person has been convicted of a criminal violation for the conduct to which the waiver would apply and that conviction has not been vitiated on appeal or otherwise.

(3) The waiver under Paragraph 18.a(2) (MSW Waiver) shall not apply to any claim or cause of action against any person otherwise covered by such waiver if EPA determines that: (i) the materials containing MSW contributed to the Site by such person contributed significantly or could contribute significantly, either individually or in the aggregate, to the cost of the response action or natural resource restoration at the Site; or (ii) such person has failed to comply with any information request or administrative subpoena issued pursuant to Section 104(e) or 122(e)(3)(B) of CERCLA, 42 U.S.C. § 9604(e) or 9622(e)(3)(B), or Section 3007 of RCRA, 42 U.S.C. § 6927, or has impeded or is impeding, through action or inaction, the

performance of a response action or natural resource restoration with respect to the Site.

X. EFFECT OF SETTLEMENT/CONTRIBUTION

19. Except as provided in Paragraph 18 (Waiver of Claims by Settling Defendant), nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Except as provided in Section IX (Covenants by Settling Defendant), each of the Parties expressly reserves any and all rights (including, but not limited to, under Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that it may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Consent Decree diminishes the right of the United States, under Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection under Section 113(f)(2).

20. The Parties agree, and by entering this Consent Decree this Court finds, that this Consent Decree constitutes a judicially approved settlement under which the Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), and is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Consent Decree. The “matters addressed” in this Consent Decree are Past Response Costs.

21. The Parties further agree, and by entering this Consent Decree this Court finds, that the complaint filed by the United States in this action is a civil action within the meaning of Section 113(f)(1) of CERCLA, 42 U.S.C. § 9613(f)(1), and that this Consent Decree constitutes a judicially approved settlement under which the Settling Defendant has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

22. Settling Defendant shall, with respect to any suit or claim brought by it for matters related to this Consent Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Settling Defendant also shall, with respect to any suit or claim brought against it for matters related to this Consent Decree, notify EPA and DOJ in writing within 10 days after service of the complaint or claim upon it. In addition, Settling Defendant shall notify EPA and DOJ within 10 days after service or receipt of any Motion for Summary Judgment, and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

23. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case;

provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by Plaintiff set forth in Section VII.

XI. RETENTION OF RECORDS

24. Until 5 years after the Effective Date, Settling Defendant shall preserve and retain all non-identical copies of records, reports, documents, and other information (including records, reports, documents, and other information in electronic form) (hereinafter referred to as “Records”) now in its possession or control or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to the Site, provided, however, that Settling Defendant must retain, in addition, all Records that relate to the liability of any other person under CERCLA with respect to the Site. The above record retention requirements shall apply regardless of any corporate retention policy to the contrary.

25. At the conclusion of the above record retention period, Settling Defendant shall notify EPA and DOJ at least 90 days prior to the destruction of any such Records, and, upon request by EPA or DOJ, and except as provided in Paragraph 26 (Privileged and Protected Claims), Settling Defendant shall deliver any such Records to EPA.

26. Privileged and Protected Claims

a. Settling Defendant may assert that all or part of a Record is privileged or protected as provided under federal law, provided it complies with Paragraph 26.b, and except as provided in Paragraph 26.c.

b. If Settling Defendant asserts a claim of privilege or protection, it shall provide Plaintiff with the following information regarding such Record: (1) its title; (2) its date; (3) the name, title, affiliation (e.g., company or firm), and address of the author; (4) the name and title of each addressee and recipient; (5) a description of the Record’s subject; and (6) the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a Record, Settling Defendant shall provide the Record to Plaintiff in redacted form to mask the privileged or protected information only. Settling Defendant shall retain all Records that it claims to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in Settling Defendant’s favor.

c. Settling Defendant may make no claim of privilege or protection regarding:

(1) any data regarding the Site, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record that evidences conditions at or around the Site; or

(2) the portion of any Record that Settling Defendant is required to create or generate under this Consent Decree.

27. **Business Confidential Claims.** Settling Defendant may assert that all or part of a Record submitted to Plaintiff under this Section or Section XI (Retention of Records) is

business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. § 2.203(b). Settling Defendant shall segregate and clearly identify all Records or parts thereof submitted under this Consent Decree for which Settling Defendant asserts a business confidentiality claim. Records that Settling Defendant claims to be confidential business information will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA, or if EPA has notified Settling Defendant that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Settling Defendant.

28. Settling Defendant certifies that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States and that it has fully complied with any and all EPA requests for information regarding the Site under Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927, and state law.

XII. NOTICES AND SUBMISSIONS

29. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice to a Party by email (if that option is provided below) or by regular mail in accordance with this Section satisfies any notice requirement of the Consent Decree regarding such Party.
