(“Central Petro” or “Settling Defendant”), enter into this Settlement Agreement (“Agreement” or “Settlement Agreement”) to resolve, without litigation, the Trustees’ civil claims under the Oil Pollution Act of 1990 (“OPA”), 33 U.S.C. § 2702, for injury to, impairment of, destruction of, loss of, diminution of value of, and/or loss of use of natural resources, including the reasonable costs of assessing the injuries resulting from the North Santiam River Oil Spill, as defined below.
- B. The Trustees have shared jurisdiction for the natural resources and their services injured as a result of the North Santiam River Oil Spill, and this Settlement Agreement is executed by the governmental agencies in their capacities as Natural Resource Trustees under OPA.

V. Covenant Not to Sue and Reservation of Rights by the Trustees

12. The covenants not to sue in Paragraph 11 are not effective until, and are conditioned upon, complete and satisfactory performance by Settling Defendant of its obligations under Section IV (Payment of Certain Costs and Damages) of this Settlement Agreement. These covenants not to sue extend only to Settling Defendant and do not extend to any other person.
13. General Reservations: Notwithstanding any other provisions of this Settlement Agreement, the Trustees reserve, and this Settlement Agreement is without prejudice to, any claims not expressly included in Paragraph 11, including, but not limited to:

Notwithstanding any other provision of this Settlement Agreement, each of the Trustees reserves the right to file claims against Settling Defendant seeking recovery of natural resource damages caused by the North Santiam River Oil Spill if conditions are discovered or information is received by the Trustees, not

known to the Trustees at the time of execution of this Settlement Agreement, that, together with any other relevant information, indicates that there is injury to, impairment of, destruction of, loss of, diminution of value of, or loss of use of natural resources of a type unknown or of a magnitude that is substantially greater than was known by the Trustees, as of the date of their execution of this Settlement Agreement. This reservation does not apply to the covenant granted to Clint Monchamp.

VI. Covenant Not to Sue by Settling Defendant

15. Settling Defendant hereby covenants not to sue and agrees not to assert any claims or causes of action against the Trustees, including their departments, agencies or instrumentalities, or their employees, agents, experts or contracts, for:

X. Execution

20. This Agreement may be executed in several counterparts, each of which shall constitute an original, and all of which shall constitute one and the same instrument.
