AGENCY: Federal Bureau of Investigation, Department of Justice.

ACTION: 30-Day notice.

SUMMARY: The Department of Justice (DOJ), Federal Bureau of Investigation (FBI), Criminal Justice Information Services (CJIS) Division will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection was previously published in the **Federal Register** on April 24, 2023, allowing a 60-day comment period.

DATES: Comments are encouraged and will be accepted for 30 days until August 11, 2023.

FOR FURTHER INFORMATION CONTACT: If you have comments especially on the estimated public burden or associated response time, suggestions, or need a

copy of the proposed information collection instrument with instructions or additional information, please contact: Mr. Edward L. Abraham, Unit Chief, FBI, CJIS Division, Module D-1, 1000 Custer Hollow Road, Clarksburg, West Virginia 26306, phone number 304-625-4830.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and/or
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Written comments and recommendations for this information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the information collection. This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view Department of Justice, information collections currently under review by OMB.

DOJ seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOJ notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

On July 7, 2023, the Department of Justice lodged a proposed consent decree with the United States District Court for the District of Massachusetts in *United States and Commonwealth of Massachusetts v. Massachusetts Electric*

Company, d/b/a National Grid, 1:23–cv–11524 (D. MA).

The United States, together with the Commonwealth of Massachusetts, filed a complaint under the Comprehensive Environmental Response, Compensation, and Liability Act (“Act”) against Massachusetts Electric Company, d/b/a National Grid (“National Grid”), for recovery of damages for injury to, loss of, or destruction of natural resources under the trusteeship of National Oceanic and Atmospheric Administration (“NOAA”), the United States Department of the Interior (“DOI”), through the United States Fish and Wildlife Service (“FWS”), and Massachusetts Department of Environmental Protection (“MassDEP”). In the complaint, the United States seeks damages relating to the releases of hazardous substances to soils, sediments, groundwater, and surface water from the former Gloucester Gas Light Company Manufactured Gas Plant, located in Gloucester, Massachusetts. The proposed consent decree provides \$5.38 million to the federal and state natural resources trustees to undertake habitat restoration work in the coastal area in the vicinity of the National Grid’s plant.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States and Commonwealth of Massachusetts v. Massachusetts Electric Company, d/b/a National Grid*, D.J. Ref. No. 90–11–3–11881. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

To submit comments:	Send them to:
By email	pubcomment-ees.enrd@usdoj.gov.
By mail	Assistant Attorney General, U.S. DOJ—ENRD, P.O. Box 7611, Washington, DC 20044–7611.

During the public comment period, the proposed consent decree may be examined and downloaded at this Justice Department website: <https://www.justice.gov/enrd/consent-decrees>. We will provide a paper copy of the proposed consent decree upon email

request to pubcomment-ees.enrd@usdoj.gov.

SUPPLEMENTARY INFORMATION:

I. Background

The NRTL Program recognizes organizations that provide product-safety testing and certification services to manufacturers. These organizations perform testing and certification for purposes of the program, to U.S. consensus-based product-safety test standards. The products covered by the NRTL Program consist of those items for which OSHA safety standards require “certification” by a NRTL. The requirements affect electrical products and 36 other types of products. OSHA does not develop or issue these test standards, but generally relies on standards development organizations (SDOs), which develop and maintain the standards using a method that provides for input and consideration of views of industry groups, experts, users,
