DEPARTMENT OF JUSTICE

Notice Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

On March 12, 2024, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Eastern District of Missouri in the lawsuit entitled *United States v. Ameren Corporation, et al.*, Civil Action No. 1:24-cv-00047. See Docket No. 2-1.

The proposed Consent Decree resolves claims brought by the United States under the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) against thirty-six defendants for the recovery of costs that the United States incurred responding to releases of hazardous substances at the Missouri Electric Works Superfund Site in Cape Girardeau, Missouri.

The settlement requires defendants to pay \$6,074,739 of the United States' response costs and requires certain settling federal agencies to pay further \$600,798 of the United States' response costs. In return for the defendants' commitments, the United States agrees not to sue the defendants under sections 106 and 107 of CERCLA. The Environmental Protection Agency also covenants not to take administrative action against the settling Federal agencies under sections 106 and 107 of CERCLA.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and

Natural Resources Division, and should refer to *United States v. Ameren Corporation, et al.*, D.J. Ref. No. 90-11-2-614/4. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:

SUPPLEMENTARY INFORMATION:

I. Background

The Department of Labor, as part of the continuing effort to reduce paperwork and respondent (i.e., employer) burden, conducts a preclearance consultation program to provide the public with an opportunity to comment on proposed and continuing information collection requirements in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)). This program ensures that information is in the desired format, reporting burden (time and costs) is minimal, the collection instruments are clearly understood, and OSHA's estimate of the information collection burden is accurate.
