I. BACKGROUND

1. This Consent Decree (“Decree”) concerns the Ley Creek Deferred Media Operable Unit (“Site”) of the Onondaga Lake Superfund Site in Salina and Dewitt, Onondaga County, New York, as the “Site” is more particularly defined below, and the Upper Reach of Ley Creek, as more particularly defined below.

2. There have been releases or threats of releases of hazardous substances, as defined by section 101(14) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (“CERCLA”), at or from the Site.

3. In response to these releases or threatened releases of hazardous substances, the United States Environmental Protection Agency (“EPA”) has, under section 104 of CERCLA, performed response actions and has incurred response costs at the Site.

4. The United States of America (“United States”) filed on behalf of the Administrator of EPA a complaint in this matter under sections 107 and 113(g)(2) of CERCLA seeking recovery of response costs incurred regarding the Site from the Settling Defendants, as defined in ¶ 15, and a declaratory judgment on liability for future response costs.

5. The United States alleges that:

- a. The Site is a “facility” as defined by section 101(9) of CERCLA;
- b. Each Settling Defendant arranged for disposal or treatment of a hazardous substance owned or possessed by such Settling Defendant at the Site; and
- c. Each Settling Defendant is a responsible party under section 107(a) of CERCLA and is jointly and severally liable for response costs regarding the Site.

6. Settling Defendants do not admit to any liability arising out of the transactions or occurrences alleged by the United States.

7. Prompt settlement with Settling Defendants is practicable and in the public interest.

8. The EPLET Parties, as defined below, assert that they have incurred more than \$14 million in response costs in connection with investigating and remediating portions of the Site. In 2018 the EPLET Parties sued the Settling Defendants in the EPLET Matter, as defined below, seeking recovery of a portion of the costs that they assert they have incurred at the Site and contribution for additional costs of investigation and remediation under sections 107 and 113 of CERCLA. Settling Defendants have asserted counterclaims in the EPLET Matter under section 113 of CERCLA.

9. The EPLET Parties' participation in this matter is necessary to effectuate a complete resolution of this matter and is a benefit to the United States.

10. The United States, Settling Defendants, and the EPLET Parties agree, and this Court by entering this Decree finds, the following: (a) that this Decree has been negotiated by the Parties in good faith; (b) that settlement of this matter without further litigation and without any admission or adjudication of any issue of fact or law is appropriate and will avoid prolonged and complicated litigation among the Parties; and (c) that this Decree is fair, reasonable, and in the public interest.

NOW, THEREFORE, it is hereby ORDERED and DECREED:

II. JURISDICTION AND VENUE

11. This Court has jurisdiction over the subject matter of this action under 28 U.S.C. §§ 1331 and 1345 and section 113(b) of CERCLA, and personal jurisdiction over the Parties. Venue lies in this District under section 113(b) of CERCLA and 28 U.S.C. §§ 1391(b) and 1395(a) because the Site is located in this judicial district. This Court retains jurisdiction over the subject matter of this action and over the Parties for the purpose of resolving disputes arising under this Decree, entering orders modifying this Decree, or effectuating or enforcing compliance with this Decree. Settling Defendants and the EPLET Parties agree not to challenge the terms of this Decree or this Court's jurisdiction to enter and enforce this Decree.

III. PARTIES BOUND

12. This Decree is binding upon the United States, each Settling Defendant, and each EPLET Party, and upon each of their respective successors. Unless the United States otherwise consents, any change in ownership or corporate or other legal status of any Settling Defendant or any EPLET Party, including any transfer of assets, does not alter Settling Defendants' or the EPLET Parties' obligations under this Decree.

13. In any action to enforce this Decree, Settling Defendants and the EPLET Parties may not raise as a defense the failure of any officer, director, employee, agent, contractor, subcontractor, or any other person representing a Settling Defendant or EPLET Party to take any action necessary to comply with this Decree. Settling Defendants and the EPLET Parties shall provide notice of this Decree to each person representing them with respect to the Site and their obligations under this Decree.

IV. OBJECTIVES

14. The objective of the Parties in entering into this Decree is for each Settling Defendant to make a cash payment to resolve their alleged civil liability regarding the Site under sections 106 and 107 of CERCLA, subject to the Covenants and Reservations in

Sections IX and XI, and for the EPLET Parties and Settling Defendants to dismiss with prejudice all claims against each other in the EPLET Matter.

Plaintiff shall, upon the establishment of the CRA, send a notice via email to each Settling Defendant listed in Appendix B (“Lump Sum Settler”) that the CRA has been established. The notice shall include instructions for sending funds to the CRA. Each Lump Sum Settler shall acknowledge receipt of the notice via email and, within 15 days after the email notice has been sent, pay the amount specified for it in Appendix B to the CRA in accordance with Plaintiff’s instructions. Each Lump Sum Settler shall send notice of its payment to DOJ and EPA in accordance with ¶ 38.
- (2) **Payment to EPA:** After the Effective Date, upon and in accordance with the filing and approval of an appropriate motion by Plaintiff, the Court Clerk shall cause all funds in the CRA, less \$200,000, to be paid to EPA.
- (3) **Payment to the RACER Trust:** After the Effective Date, upon and in accordance with the filing and approval of an appropriate motion by Plaintiff, the Court Clerk shall cause \$200,000 of the funds in the CRA to be paid to the RACER Trust.

b. Installment Payments.

- (1) Each Settling Defendant listed in Appendix C (“Installment Payment Settler”) shall pay the amount specified for it in Appendix C, plus interest as described in this Paragraph to EPA. Each Installment Payment Settler’s payment shall be made in equal, consecutive quarterly payments, according to the number of and the amount of

installment payments specified for it in Appendix C. The first payment is due 30 days after the Effective Date and subsequent installment payments are due quarterly thereafter. Each Installment Payment Settler shall include with the first installment payment an additional amount for interest accrued at the rate of 4.4% per year on the total principal amount from the lodging date through the date of the first payment.

- (2) The FLU of the U.S. Attorney's Office for the Northern District of New York will provide to each Installment Payment Settler, in accordance with ¶ 38, instructions for making payments under this Section, including a CDCS reference number, and the additional amount for interest to be included with the first payment. Each Installment Payment Settler shall send notices of its payment to DOJ and EPA in accordance with ¶ 38.
- (3) If an Installment Payment Settler fails to make any payment required under ¶ 16.b by the due date, Plaintiff may send such settler a notice of late payment. If such settler fails to make the payment and to pay all interest and stipulated penalties owed within 30 days of receipt of the notice, or if the settler becomes the subject of a proceeding under the Bankruptcy Code, 11 U.S.C. § 101-1532, all remaining payments and all accrued interest will be due immediately. Interest will continue to accrue on any unpaid amounts until the Installment Payment Settler pays the total amount due. Interest required under this Paragraph is in addition to any stipulated penalties owed under ¶ 19.

c. Each payment required under Appendixes B and C includes an amount for the following: (a) past response costs regarding the Site; (b) estimated future response costs regarding the Site; and (c) a premium in consideration of the risks avoided by participating in this Decree including the risk that actual total response costs incurred at or in connection with the Site and the Upper Reach will be more than EPA's estimate of total response costs regarding the Site and the Upper Reach.

17. **Deposit of Payment.** EPA may deposit the amounts paid under ¶ 16 in the Fund and/or in the Special Account. Amounts deposited in the Special Account may be retained and used to conduct or finance response actions at or in connection with the Site or transferred by EPA to the Fund.

VII. DISMISSAL OF CLAIMS

18. The EPLET Parties shall move or otherwise commence other appropriate action in the EPLET Matter within 12 business days after the Effective Date to dismiss with

prejudice all claims asserted by the EPLET Parties against Settling Defendants, and simultaneously the Settling Defendants shall dismiss with prejudice all counterclaims filed by Settling Defendants against the EPLET Parties in the EPLET Matter. Settling Defendants and the EPLET Parties shall take all steps necessary to achieve the dismissal with prejudice of their claims against each other.

VIII. FAILURE TO COMPLY WITH CONSENT DECREE

19. If any amount due from any Settling Defendant under ¶ 16 (Payments) is not paid by the required date, that Settling Defendant shall pay to EPA as a stipulated penalty, \$500 per day that such payment is late. The Settling Defendant shall make payment of any stipulated penalty that is due at <https://www.pay.gov> using the link for “EPA Miscellaneous Payments Cincinnati Finance Center,” including references to the Site/Spill ID and DJ number listed in ¶ 38, and the purpose of the payment (*i.e.*, stipulated penalties). The Settling Defendant shall send a notice of any such payment of a stipulated penalty to DOJ and EPA. The payment of stipulated penalties and Interest, if any, does not alter any obligation by any Settling Defendant under the Decree.

20. Stipulated Penalties will accrue in accordance with Paragraph 19 regardless of whether EPA has notified the Settling Defendant of a violation or made a demand for payment, but stipulated penalties must only be paid upon demand. If the United States brings an action to enforce this Decree, the affected Settling Defendant shall reimburse the United States for all costs related to such action, including the costs of attorney time. Payments made under this Section are in addition to any other remedies or sanctions available to the United States by virtue of any Settling Defendant’s failure to comply with the requirements of this Decree.

21. The United States may, in its unreviewable discretion, waive any portion of stipulated penalties that have accrued under this Decree.

IX. COVENANTS BY UNITED STATES

22. **Covenants for Settling Defendants and the EPLET Parties.** Subject to ¶ 24, the United States covenants not to sue or to take administrative action under sections 106 and 107(a) of CERCLA (a) against Settling Defendants regarding the Site, OU1 of the GM-IFG Subsite, and the Upper Reach, and (b) against the EPLET Parties regarding the Site and the Upper Reach.

of the Settling Defendant or EPLET Party is based solely on its status as a successor of the Settling Defendant or of the EPLET Party; and (e) they do not extend to any other person.

24. **General Reservations.** Notwithstanding any other provisions of this Decree, the United States reserves, and this Decree is without prejudice to, all rights against Settling Defendants and the EPLET Parties regarding the following:

- a. liability for failure by a Settling Defendant or an EPLET Party, respectively, to meet a requirement of this Decree;
- b. liability arising from the past, present, or future disposal, release, or threat of release of Waste Material outside of the Site, OU1 of the GM-IFG Subsite, or the Upper Reach;
- c. liability of a Settling Defendant based on the ownership or operation at the Site, OU1 of the GM-IFG Subsite, or the Upper Reach by a Settling Defendant when such ownership or operation commences after such Settling Defendant signs this Decree, except where such ownership or operation is related to the provision of utility services, including but not limited to the construction, modification, maintenance, and/or removal of utility infrastructure, or access to same;
- d. liability of an EPLET Party based on the ownership or operation at the Site or the Upper Reach by an EPLET Party when such ownership or operation commences after such EPLET Party signs this Decree;

- f. liability of an EPLET Party based on the EPLET Party's transportation, treatment, storage, or disposal, or arrangement for transportation, treatment, storage, or disposal of Waste Material at or in connection with the Site or the Upper Reach after such EPLET Party signs this Decree;
- g. as to the EPLET Parties only, liability arising from the past, present, or future disposal, release, or threat of release by the EPLET Parties of Waste Material within OU1 of the GM-IFG Subsite;
- h. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments; and
- i. criminal liability.

X. COVENANTS BY SETTLING DEFENDANTS AND THE EPLET PARTIES

25. Covenants by Settling Defendants and the EPLET Parties.

a. Subject to ¶ 26, Settling Defendants and the EPLET Parties covenant not to sue and shall not assert any claim against the United States under CERCLA, section 7002(a) of RCRA, the United States Constitution, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, the State Constitution, State law, or at common law regarding the Site, OU1 of the GM-IFG Subsite, and the Upper Reach.

b. Subject to ¶ 26, Settling Defendants and the EPLET Parties covenant not to seek reimbursement from the Fund under CERCLA or any other law regarding the Site, the GM-IFG Subsite, and the Upper Reach.

c. Settling Defendants and the EPLET Parties further covenant not to sue and hereby agree to waive any and all claims against one another arising from or related to the matters addressed in this Decree and the EPLET matter, including OU1 of the GM-IFG Subsite and the Upper Reach.

26. Settling Defendants' and the EPLET Parties' Reservation. The covenants in ¶ 25 do not apply to any claim brought or order issued by the United States after the Effective Date to the extent such claim or order is within the scope of a reservation under ¶¶ 24.a through 24.h.

27. De Minimis/Ability to Pay Waivers. Each Settling Defendant and EPLET Party waives all claims (including claims under sections 107(a) and 113 of CERCLA) that it may have against any third party who enters or has entered into a *de minimis* or “ability-to-pay” settlement with EPA regarding the Site to the extent that the Settling Defendant’s or EPLET Party’s claims are within the scope of the matters addressed in the third party’s settlement with EPA, provided, however, that this waiver does not apply if the third party asserts a claim regarding the Site against any Settling Defendant or any EPLET Party. Nothing in the Decree limits any Settling Defendant’s or EPLET Party’s rights under section 122(d)(2) of CERCLA to comment on any *de minimis* or ability-to-pay settlement proposed by EPA.

XI. EFFECT OF SETTLEMENT; CONTRIBUTION

28. The Parties agree and this Court finds that the complaint filed by the United States in this action is a civil action within the meaning of section 113(f)(1) of CERCLA and that this Decree constitutes a judicially approved settlement under which each Settling Defendant and EPLET Party has, as of the Effective Date, resolved liability to the United States within the meaning of sub-section 113(f)(2) and 113(f)(3)(B) of CERCLA. Furthermore, each Settling Defendant and EPLET Party is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by section 113(f)(2) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this

Decree. The “matters addressed” in this Decree are (a) for Settling Defendants, all response actions taken or to be taken and all response costs incurred or to be incurred at or in connection with the Site, OU1 of the GM-IFG Subsite, and the Upper Reach by the United States or any other person, and (b) for the EPLET Parties, all response actions taken or to be taken and all response costs incurred or to be incurred at or in connection with the Site and the Upper Reach by the United States or any other person, provided, however, that (i) “matters addressed” do not include State Costs, and (ii) if the United States brings a claim against a Settling Defendant or an EPLET Party under a reservation in ¶¶ 24.a through 24.h, the “matters addressed” do not include those response costs or response actions to the extent they are solely within the scope of the reserved claim.

29. Each Settling Defendant and EPLET Party shall, with respect to any suit or claim brought by it for matters related to this Decree, notify EPA and DOJ in writing no later than 60 days prior to the initiation of such suit or claim. Each Settling Defendant and EPLET Party shall, with respect to any suit or claim brought against it for matters related to this Decree, notify EPA and DOJ within 15 days after proper service of the complaint on such Settling Defendant or EPLET Party. In addition, each Settling Defendant and EPLET Party shall notify EPA and DOJ within 15 days after service or receipt of any motion for summary judgment and within 15 days after receipt of any order from a court setting a case for trial.

30. **Res Judicata and Other Defenses.** In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of response costs, or other relief relating to the Site or the Upper Reach, Settling Defendants and the EPLET Parties shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case.

31. Nothing in this Decree diminishes the right of the United States under subsections 113(f)(2) and (3) of CERCLA to pursue any person not a party to this Decree to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to section 113(f)(2).

XII. RECORDS

32. **Settling Defendants’ Certification.** Each Settling Defendant certifies individually the following: (a) that it has implemented a litigation hold on documents and electronically stored information relating to its potential liability under CERCLA regarding the Site since the filing of suit against it regarding the Site; and (b) that it has fully complied

with any EPA requests for information regarding the Site under sections 104(e) and 122(e) of CERCLA.

33. Retention of Records and Information

a. Each Settling Defendant shall retain and instruct its contractors and agents to retain all documents and electronically stored data (“Records”) regarding the Site until 10 years after the Effective Date (“Record Retention Period”).

b. Settling Defendants shall maintain Records that were originally created in an electronic format in their native format or in a reasonably accessible format and shall keep them reasonably organized. Unmarked paper printouts of electronic records maintained in accordance with this paragraph will be considered duplicates or convenience copies and need not be preserved.

c. At the end of the Record Retention Period, each Settling Defendant shall notify EPA that it has 90 days to request the Settling Defendant’s Records subject to this Section. Each Settling Defendant shall retain and preserve its Records subject to this Section until 90 days after EPA’s receipt of the notice. These record retention requirements apply regardless of any corporate record retention policy.

34. If requested during the Record Retention Period, each Settling Defendant shall provide to EPA the originals or copies of all Records and information required to be retained under this Section. Each Settling Defendant shall also make available to EPA, for purposes of investigation, information gathering, or testimony, their employees, agents, or representatives with knowledge of relevant facts concerning the Site.

35. Privileged and Protected Claims

a. A Settling Defendant may assert that all or part of a record requested by the United States is privileged or protected as provided under federal law, in lieu of providing the record, provided Settling Defendant complies with ¶ 35.b.

b. If a Settling Defendant asserts a claim of privilege or protection, it shall provide the United States with the following information regarding such record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, of each addressee and of each recipient; a description of the record’s contents; and the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a record, Settling Defendant shall provide the record to the United States in redacted form to mask the privileged or protected portion only. Settling Defendant shall retain all records that it claims to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in Settling Defendant’s favor.

36. **Confidential Business Information (CBI) Claims.** A Settling Defendant may claim that all or part of a record provided to the United States under this Section is CBI to the extent permitted by and in accordance with section 104(e)(7) of CERCLA and 40 C.F.R. § 2.203(b). Such Settling Defendant shall segregate and clearly identify all records or parts thereof submitted under this Decree for which the Settling Defendant asserts a claim of CBI by labeling each page or each electronic file “claimed as confidential business information” or “claimed as CBI.” Records that such Settling Defendant identifies as CBI will be afforded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of CBI accompanies records when they are submitted to EPA, or if EPA has notified the Settling Defendant that the records are not entitled to confidential treatment under the standards of section 104(e)(7) of CERCLA or 40 C.F.R. Part 2, Subpart B, the public may be given access to such records without further notice to Settling Defendant.

37. Notwithstanding any provision of this Decree, the United States retains all of its information gathering and inspection authorities and rights, including enforcement actions related thereto, under CERCLA, RCRA, and any other applicable statutes or regulations.

XIII. NOTICES AND SUBMISSIONS

38. All approvals, notices, requests, and other deliverables specified in this Decree must be in an electronic writing. Whenever a notice is required to be given or a deliverable is required to be sent by one Party to another Party under this Decree, it must be sent via email as specified below. All notices under this Section are effective upon receipt. There is a rebuttable presumption that emailed notices are received on the same day that they are sent. Any Party may change the person or email address applicable to it by providing notice of such change to all Parties.
