

UNITED STATES DEPARTMENT OF JUSTICE
EXECUTIVE OFFICE FOR IMMIGRATION REVIEW
IMMIGRATION COURT

NOTICE: NO CASE CURRENTLY PENDING BEFORE
THE EXECUTIVE OFFICE FOR IMMIGRATION REVIEW

You are receiving this notice because you appeared at the immigration court on the date and time provided on the Notice to Appear (NTA), which you received from the Department of Homeland Security (DHS). At this time, the immigration court has not received a copy of your NTA from DHS and no hearing is scheduled for you. DHS is required to file your NTA with the immigration court to initiate removal proceedings. Because DHS has not filed your NTA, you currently do not have a case pending before any immigration court.

Only DHS has the legal authority to file an NTA and initiate removal proceedings. You may not file your own NTA. The immigration court also cannot accept any other filings from an individual who does not have a pending case at the court.

Currently, you are not scheduled for any future hearings at any immigration court. However, DHS may serve you with a new NTA. If you receive a new NTA from DHS or receive a Notice of Hearing from the immigration court, you will be required to appear for the scheduled hearing.

If you receive a new NTA, you are encouraged to call EOIR's Automated Case Hotline at 800-898-7180 (toll free), 304-625-2050, or 800-828-1120 (TDD), or visit the Automated Court Information System at <https://acis.eoir.justice.gov> for the latest information about any scheduled hearing. Please note that until DHS files an NTA with the immigration court, there will not be any available information at the phone numbers or website listed above.

*This is an administrative communication. No record of this communication will be maintained by the immigration court.
