<p>2024-25048</p>	<p>01/30/2024</p>	<p>N/A</p>	<p>I respectfully request the entire record of proceedings, including all legal briefs, memoranda, statements, transcripts, and/or supporting evidence submitted to or by legacy INS, the subject alien or her counsel, and/or the Board of Immigration Appeals or any other relevant adjudicative body/individual in connection with the BIA's decision in Matter of T- C- F- F- C-, 5 I&N, Dec. 454 (1953), related to the petition filed by Twentieth Century Fox Film Corporation on behalf of Ms. Bajla Wegier, aka Bella Darvi (Petition No. VP 16-1795), including a copy of the visa petition in question and all supporting evidence. We attach a copy of that decision for your reference.</p> <p>We note that Ms. Darvi is deceased as of September 11, 1971 (see copy of article announcing her death with our attachments).</p> <p>Please note that we have already tried requesting these documents from Department of Homeland Security / U.S. Citizenship and Immigration Services seeking these records. In response, we were provided a copy of Ms. Darvi's alien file (Alien No. 8573731), but it did not include the requested materials (please find a copy of Ms. Darvi's alien file as provided by USCIS in response to our FOIA request with that agency). Subsequently, we contacted Mr. Elliot Viker, who was then the Service's FOIA Operations Chief as of August 2018, asking why Ms. Darvi's file was missing the items we had requested. On August 14, 2018, Mr. Viker sent an email informing us that "USCIS does not control the record" and recommended that submit a FOIA request with EOIR (we are attaching a copy of that email correspondence for your review). In the portal, I indicated that we were seeking representation rates for the Imperial detained docket from 2016 to the present. However, in the letter I had referenced and which I believe I attached, we also sought representations rates for the detained docket for people detained at Otay Mesa Detention Center over the same period. EOIR responded promptly, for which we are grateful. However, due to the inadvertent confusion, only the data for Imperial was produced in EOIR's response. I am now resubmitting my original letter (attached), and asking specifically for the same data for Otay Mesa (whether classified as Otay Mesa, San Diego Detained, or otherwise) from 2016 to the present. 2024-33795	03/04/2024	-	<p>Hello FOIA, I applied for an H1b work visa in 2023, and it was approved. The original i797A approval notice was sent out by the immigration office in November last year. However, until now, neither my company nor the law firm has received it. My lawyer attempted to contact the immigration office, but they only received the i797C notice, not the original one. Can you please resend the original document to me? This approval notice is crucial for me personally. Thank you! I hope you can assist me in resolving this matter!</p>	03/11/2024	Other Reasons - Not Agency Record	D(7)

2024-37326	03/14/2024	CAIR Coalition	<p>I am requesting data on applications for amelioration of conditions of release filed with Immigration Judges pursuant to 8 C.F.R. § 1236.1(d), as well as appeals to the BIA relating to the same regulation. This regulation allows a respondent to request amelioration of their conditions of release with the IJ within 7 days of release from custody, and with ICE thereafter. The regulation also allows for appeals to the BIA from an unsatisfactory IJ or ICE decision. I am not sure how these requests are categorized in EOIR's system, but they should all reference the above regulation, and typically include the word "ameliorate" or "amelioration" and the phrase "Conditions of release." I am requesting the following information about each record that EOIR has that falls into this category:</p> <p>For IJ/ICE requests:</p> <ol style="list-style-type: none"> 1.
