2024-65408	07/01/2024	N/A	Recientemente mi familia y yo hemos experimentado una situación extremadamente preocupante donde hemos recibido amenazas directas contra nuestras vidas. Esto comenzó ocurriendo el día 8 de febrero del 2024 cuando yo me encontraba repartiendo pan, llegan llamadas entrantes a mi teléfono celular de un numero desconocido al cual no contesto, al no contestar estas llamadas comienzan a llegar mensajes de WhatsApp. Las amenazas fueron específicas y claras, incluyendo fotos de mi domicilio y del domicilio donde trabajo que es una panadería, datos de horarios de trabajo de mi esposa, hijas y padres, incluyendo información de donde se encuentra cada una de las personas anteriormente mencionadas pidiendo una cantidad de \$500, 000 pesos mexicanos para no atentar contra la vida de ninguno de mis familiares, con estos hechos me presento ante las autoridades correspondientes en mi país a presentar una denuncia, pero desafortunadamente no se tuvo respuesta por parte de las autoridades. Con la necesidad de seguir trabajando y sacar adelante a mi familia regresamos a nuestra vida habitual pensando que solo es un intento de extorsión. Posteriormente tres meses después el día 28 de mayo del 2024 por la noche, llegan a mi domicilio dos personas en moto completamente tapadas de la cara a darme un celular exigiendo que le conteste al jefe y gritando explícitamente que matarán a mi familia y a mi. Cuando suena una llamada entrante al celular que van y me dejan estas personas me dicen que ya me habían dado mucho tiempo para juntar el dinero que me habían pedido meses anteriores y que ahora querían \$1, 5000, 5000 pesos para no atentar contra ninguna de las vidas de los integrantes de mi familia y entregar el dinero en 17 horas posteriores a la	07/02/2024	Other Reasons - Records not Reasonably Described	D(5)

2024-65611	07/01/2024	N/A	Dear FOIA Officer: I am requesting all organization charts, hierarchies and employee directories for the Department of Justice's Executive Office for Immigration Review ("Agency") that together identify all of the Agency's component offices and the subsidiary work units comprising them, at all levels of the Agency bureaucracy, if such records have been created, updated, shared or stored within the Agency since January 1, 2020. Please note: I seek records offering greater organizational detail than the organization charts currently available on the Agency's web pages, if such records exist. For clarity, I do not seek the names, identities, nor contact information of any individual employees if such information reasonably qualifies for FOIA exemption. Rather, I seek the names of all offices and their subsidiary work units, by any nomenclature, that together comprise the Agency at all levels of its bureaucracy. For purposes of this request, the words "all offices" shall be construed to include every bureaucratic entity and the work units comprising them, at all levels of the organization, in which one or more Agency employee has worked at any time since January 1, 2020. If a bureaucratic entity or work unit within the Agency is in any way differentiated by name, abbreviation, number, code, function, location, hierarchical position or any other means, consider such differentiating information to fall within the scope of this request. In the plainest terms, I seek a complete, comprehensive and detailed understanding of the Agency's current organizational structure, at all	08/07/2024	Granted in Full	-

2024-74284	08/06/2024 -	Good morning everyone, I want to ask a question that came up here for me! Today I am taking an English course. There is a college seminary in the state of WA that is inviting me to take a course with them. I have verified that they issued the I-20 and that they have a course approved by you. KPCA Northwestern Presbyterian Theological Seminary INSTRUCTIONAL SITE Y N TACOMA WA 5092262 KPCA Northwestern Presbyterian Theological Seminary KPCA NWPTS Y N SHORELINE WA 111677. My question is, can I transfer my I-20 to study with them? I looked at the website (School Search Study in the States (dhs.gov)) and saw that everything is fine with them, but I need confirmation so that I don't do anything that will harm me or make me lose my student visa. 2024-74502	08/06/2024 -		Questions regarding day trading by individuals on F1 OPT visa. 1) Is day trading or short-term trading legal/allowed ? Do the rules allow for an individual to perform day trading as a hobby, provided that they hold a full time job related to their degree/field of study. 2) If frequent trades aren't allowed, what is? Mixed /varying advice online. Some say nothing is allowed, some say 3 trades a week are fine as long as you don't become a Pattern Day Trader. 3) Does volume, time, monetary investment make a difference? How much is too much? Do returns need to be lower than monthly income from the full-time job? 4) Citizens from other countries can day-trade in US markets through international broker firms. Would it be legal if I have an international broker account as an Non-resident Indian, and then traded in the US markets? Or does my visa status disbar me from any short-term trading activities? 5) If day trading is not allowed or limited for people on F1 OPT visa, is there any other legal way to perform short-term trades as being a US resident without violating any laws? People outside US can invest in US markets, so can US citizens but are there any laws for people who are alien residents? The question is specifically for short-term trading (buying and selling within a single day)- not about F&O, short selling etc. 6) Please provide a link or document which has comprehensive laws and regulations related to	08/07/2024	Other Reasons - Improper FOIA Request for Other Reason	D(6)

Several months ago I requested a change of student status and I was approved, I studied for a few months and I already returned to Colombia.
