2025-29929	02/04/2025	Hoppock Law Firm, LLC	<p>To Whom It May Concern:</p> <p>Pursuant to the Freedom of Information Act, I hereby request the following records:</p> <p>EOIR Policy Memo PM25-02 references says that despite prohibiting "secret" adjudications policies in 2021, the EOIR in the last five years has been "issuing secret operational policies related to case adjudications." That memo states that "As a result, any operational policy related to case adjudications issued in secret between February 1, 2021, and January 21, 2025, is no longer in effect." That memo is found here: https://www.justice.gov/eoir/media/1386541/dl?inline</p> <p>As I am sure you are aware, an understanding of what rules an adjudicator is following and is bound to follow is a cornerstone of due process. If the EOIR in the last four years has been operating based on an untold number of "secret" policies that have guided its case adjudications, that information is absolutely critical for the public to know. It may inform every decision the agency has issued in the last four years. So, pursuant to the FOIA, I am asking for two things.</p> <p>1. Please produce all of the "secret" adjudications policies that Acting Director Owen references in PM25-02. And</p> <p>2. Expedite the processing of this FOIA request. Expedited treatment is critical, because until these secret policies are known, individuals will be unable to determine if they were unlawfully removed or ordered removed as a result of such secret, unfair, and according to Acting Director Own likely illegal policies are known.</p> <p>The requested documents will be made available to the general public, and this request is not being made for commercial purposes.</p> <p>In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.</p> <p>Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires. Please promptly confirm receipt of this request, confirm that you have agreed to expedite it, and produce the records immediately.</p> <p>Thank you.</p> <p>Matthew Hoppock</p>	02/26/2025	Granted/Denied in Part	(b)(6)

2025-34153	02/18/2025	N/A	I am a recently terminated employee of EOIR. As a result of the sudden and quick removal from my employment, I do not have any personnel/official records. Also, I transferred from DHS to EOIR and have records spanning over several years with the federal government. I am submitting the following requests pursuant to FOIA: Request 1: My entire electronic official personnel file (eOPF), including my SF52, my SF-50 and termination notice. Request 2: Any and all records related to any and all complaints against me or reports of me in my official capacity as an Immigration Judge, including but not limited to any allegation that I was a Diversity-Equity-Inclusion employee. By accepting the IJ job, I resigned from my position as a vested DHS employee. I incurred significant expenses to move from my former duty station to my new assignment location, with the expectation that at the least I had a two-year tenure with EOIR. 2025-34178	02/18/2025	Democracy Forward Foundation	Democracy Forward Foundation (DFF) requests that your agency produce the following within twenty (20) business days: 1. All SF-50 Notifications for Personnel Action or SF-52 Requests for Personnel Action which were issued, sent, or signed from January 20, 2025 through the date of the search for any political appointees or special government employees.1 DFF expects that this request for readily identifiable form documents issued over the course of a short period of time can be assigned to the Simple processing track and produced expeditiously, in addition to receiving expedited processing. 1 This includes individuals serving in their roles through presidential appointment, noncareer appointment and Schedule C appointment, as well as any career civil servant acting in a political role and any Special Government employee placed in their role from January 20, 2025 to the date of the search. DF-MULTI-25-0289-0340 2. All appointment memoranda and removal memoranda appointing or removing individuals to or from positions within the agency issued or signed from January 20, 2025, until the date of the search. 3. Any document compiling or reflecting the incoming personnel actions to be taken by the incoming Trump Administration upon assumption of office, such as a list or spreadsheet designating individuals for appointment, assignment, removal, or demotion. Please include documents that were created or came into the agency's possession from November 7, 2024 until the date of the search. DFF recognizes that the above request seeks personnel records; however, most privacy interests implicated by this narrow subset of records are significantly outweighed by the public interest in disclosure. First, the requested information would inform the public about who the new administration has put in positions of power to lead vital government agencies in its first days in office.2 Second, there is a substantial public interest in understanding the Trump Administration's actions in seeking to remove civil service protections from career civil servants, and the responsive records will indicate the extent to which the administration has initially taken-or not taken-personnel actions affecting career civil servants.3 Consequently, DFF expects that your agency will produce the requested records with few or no exemption claims, though DFF would not object to the redaction of sensitive personal information like	02/19/2025	Other Reasons - Duplicate request	D(8)

2025-49211	03/31/2025	Woodbourne Correctional Facility	Not a FOIA?	04/04/2025	Other Reasons - Not Agency Record	D(7)
2025-52810	02/04/2025	Hoppock Law Firm, LLC	<p>To Whom It May Concern:</p> <p>Pursuant to the Freedom of Information Act, I hereby request the following records:</p> <p>EOIR Policy Memo PM25-02 references says that despite prohibiting "secret" adjudications policies in 2021, the EOIR in the last five years has been "issuing secret operational policies related to case adjudications." That memo states that "As a result, any operational policy related to case adjudications issued in secret between February 1, 2021, and January 21, 2025, is no longer in effect." That memo is found here: https://www.justice.gov/eoir/media/1386541/dl?inline</p> <p>As I am sure you are aware, an understanding of what rules an adjudicator is following and is bound to follow is a cornerstone of due process. If the EOIR in the last four years has been operating based on an untold number of "secret" policies that have guided its case adjudications, that information is absolutely critical for the public to know. It may inform every decision the agency has issued in the last four years. So, pursuant to the FOIA, I am asking for two things.</p> <p>1. Please produce all of the "secret" adjudications policies that Acting Director Owen references in PM25-02. And</p> <p>2. Expedite the processing of this FOIA request. Expedited treatment is critical, because until these secret policies are known, individuals will be unable to determine if they were unlawfully removed or ordered removed as a result of such secret, unfair, and according to Acting Director Own likely illegal policies are known.</p> <p>The requested documents will be made available to the general public, and this request is not being made for commercial purposes.</p> <p>In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.</p> <p>Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires. Please promptly confirm receipt of this request, confirm that you have agreed to expedite it, and produce the records immediately.</p> <p>Thank you.</p> <p>Matthew Hoppock</p>	-	-	-
