ORDER SUMMARIZING PREHEARING CONFERENCE - DISCOVERY CONFERENCE 2

On July 17, 2025, the Court held a prehearing conference. This is the second Discovery Conference, with the first held on May 20, 2025. Based on the discussion with the parties, the Court will hold a third discovery conference on August 14, 2025 at 8:00am PST.

Since the May 2025 conference, Respondent has provided some responsive documents; Complainant has not retrieved those documents from the secure file sharing application. Complainant desired the provision of the documents in a different format (via email or via mail). The Court explained to the pro se Complainant that secure file sharing applications are an acceptable way to provide documents in discovery. Complainant has yet to provide documents requested by Respondent. Parties should continue to meet and confer on these, and other, issues.

The Court added a decision discussing damages to the list of cases for the parties' consideration (based on the discussion of issues at the conference). Those decisions are:

1. *United States v. Terrapower, LLC*, 19 OCAHO no. 1548f (2025)
2. *Saini v. Sheridan Cmty. Hosp.*, 21 OCAHO no. 1644c (2025)
3. *Sharma v. NVIDIA Corp.*, 17 OCAHO no. 1450d (2023)
4. *Sharma v. NVIDIA Corp.*, 17 OCAHO no. 1450l (2024)
5. *Zajradhara v. Ranni's Corp.*, 16 OCAHO no. 1426h (2024)
6. *Ogunrinu v. Law Rescs. & Arnold & Porter Scholer LLP*, 13 OCAHO no. 1332j (2021)
