Updates to the EOIR Payment Portal

FALLS CHURCH, Va. – The Executive Office for Immigration Review (EOIR) announced today that it has expanded the functionality of the [EOIR Payment Portal](#) to enable the electronic payment of certain filing fees for applications and motions before the immigration courts and the Board of Immigration Appeals (BIA) and appeals before the BIA.

The EOIR Payment Portal is a web-based application that allows 24/7 self-service access for parties to:

- Pay immigration court and BIA filing fees electronically with a debit or credit card, PayPal account, Amazon pay, or a checking or savings account (ACH);
- View, download, and print a receipt that shows proof of payment to be included with the filing as required for the immigration court or the BIA Clerk's Office; and
- Receive a Payment Tracking ID, which is required to retrieve and print a copy of the receipt.

The Portal also saves time and minimizes expenses by reducing paper processing. With the EOIR Payment Portal, electronic payments are processed immediately.

The Portal is part of an overarching information technology modernization effort at EOIR. Use of the EOIR Payment Portal is mandatory and does not change any legal requirements or obligations related to filings or payments by the user.

For fee schedule information, please reference EOIR's [Types of Appeals, Motions, and Required Fees](#) and [EOIR Forms](#) webpages.
