2025-74710	07/29/2025	-	I am seeking any and all records indicating the number of Motions to Change Hearing Format (from in person to internet-based (Webex) pursuant to 8 CFR § 1003.25(c)) that were filed with the Chicago Immigration Court between April 1, 2025 (4/1/2025) and June 24, 2025 (6/24/2025). This includes Motions to Change Hearing Format which were filed in the given timeframe both by counsel and pro se immigration respondents. Additionally, I am seeking any and all records indicating how many of the Motions to Change Hearing Format filed with the Chicago Immigration Court in the given timeframe were granted by the court, and how many were denied. I am not seeking any personal identifying information associated with any motion filed with the Chicago Immigration Court; only the number of Motions to Change Hearing Format filed, the number of those relevant motions that were granted and the number of those relevant motions which were denied.	07/29/2025	Granted in Full	-
2025-75371	07/25/2025	N/A	Any mention of ██████████ in all e-mails and/or Teams messages of Human Resources Officer Timothy Sullivan, ██████████@usdoj.gov, from 01/20/2025 to 06/26/2025. 7/22/25 Requester narrowed search to: emails of Timothy Sullivan, please add these 2 subject matters: 1. "Termination". Any and all emails related to my termination 2/14/25 in which Sullivan was involved. For example, if your search yields an email between Sirce Owen and Timothy Sullivan where the topic was whether I was a permanent employee and/or when I was converted to a permanent employee, I would intend that to be responsive to this request even though it does not use the word "termination"; however a standard email from Sullivan to his HR team listing out all the employees of the New Orleans Immigration Court for paperwork purposes would not be responsive. 2. Benefits, including but not limited to severance, retirement, health insurance, and any and all other benefits incidental to my position as a permanent federal employee. This one is also related to EOIR making an error on my FERS retirement refund for which Mr. Sullivan's office was ultimately responsible, but I intend to construe this broadly to discuss all benefits and how they were handled after my termination.	09/26/2025	Granted/Denied in Part	(b)(2);(b)(5);(b)(5) Attorney Work-Product Privilege;(b)(5) Deliberative Process Privilege;(b)(6)

For IJs who are posted to a particular immigration court, we ask that locational information include their specific court posting - for example, "EL PASO SPC, TX" versus "EL PASO, TX." For IJs that serve in an administrative capacity - OCIJs and Field Immigration Judges -- we also request information on their current administrative role (CIJ, DCIJ, ACIJ, etc.) (2) For those Immigration Judges who have left that position since December 31, 2018, their names, appointment date, their termination date - date they stopped being on EOIR's payroll as an Immigration Judge, the termination reason (retirement, resignation, transfer to another position within the federal government, etc.), and their location at the time they left. 2025-82314	07/18/2025	self	hello, My name is [REDACTED], and I am seeking urgent guidance regarding my 74-year-old father, [REDACTED]. He has been homeless for over 30 years, ever since my mother passed away. I was taken in by another family at the age of 12 and have been searching for him ever since. The family I lived with had paperwork on him but it was lost in a fire. I do have his social security number and Alien number. Recently, I was contacted by a nursing home where he is now residing. The facility is currently facing difficulties verifying his immigration status. My father and I entered the United States in 1980 through the Cuban-Haitian Entrant Program (CHEP) as part of the Mariel boatlift. As Cuban nationals, we were also eligible for adjustment of status under the Cuban Adjustment Act of 1966. I later became a U.S. citizen through the naturalization process in New York City. We are in urgent need of assistance to verify his legal status so he can qualify for Medicaid. This is critical for him to receive the medical care he desperately needs and, ultimately, for me to bring him home. My father suffers from severe arthritis and schizophrenia and is currently wheelchair-bound. I am asking for help in locating and completing any necessary forms or documentation to help expedite his case.	08/18/2025	Other Reasons - Improper FOIA Request for Other Reason	D(6)

2025-91724	08/20/2025	Protect Democracy Project	Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, the Protect Democracy Project hereby requests that your office produce within 20 business days the following records: From January 27, 2025, through the date on which searches are conducted for records responsive to this request: Any petition, and any accompanying justification or analysis, that the Executive Office for Immigration Review (EOIR) submitted to the Office of Personnel Management (OPM) recommending the placement of position[s] into Schedule Policy/Career ("P/C"). Schedule P/C is the schedule in the excepted service created by President Trump's Executive Order No. 14,171, 90 Fed. Reg. 8,625 (Jan. 20, 2025). According to a January 27, 2025, memorandum, OPM instructed federal agency heads to submit interim recommendations for reclassification of positions into Schedule P/C on or before April 21, 2025. The memo provided agencies an additional 120 days (i.e., until August 19, 2025) to "finalize their review [of positions] and submit any remaining petitions." These petitions would likely have been submitted to OPM via email at employ@opm.gov with the email header reading "SUBJECT: Schedule Policy/Career." The petitions may have been submitted on a rolling basis and this request seeks all submissions of petition to OPM. If the petition(s) submitted to OPM and any accompanying justification or analysis did not set forth the reasons EOIR believed these position[s] met the criteria for placement into Schedule P/C, documents sufficient to explain why agency officials believed the position[s] met those criteria, whether or not the agency sent such documents to OPM. Executive Order 13,957, as amended, requires all agency petitions to "include a written explanation documenting the basis for the agency head's determination that such position[s] should be placed in Schedule Policy/Career." 2. In addition to the records requested above, we also request records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched, and any tracking sheets used to track the processing of this request. If your agency uses FOIA questionnaires or certifications completed by individual custodians or components to determine whether they possess responsive materials or to describe how they conducted searches, we also request any such records created in connection with the processing of this request.	08/26/2025	Other Reasons - No Records	D(1)

2025-98593	09/15/2025	-	Hello, I am writing to formally request assistance in obtaining official court documents related to a car accident that occurred in Naha, Okinawa, Japan, in which I was involved as a United States Marine veteran during my time of service. As a proud veteran who served honorably in the Marines, I have since transitioned to civilian life and am currently employed in a position that requires thorough background checks and verification of past incidents to ensure compliance with professional standards and security protocols. This particular accident, which was caused by circumstances beyond my control and took place in the vibrant city of Naha on the island of Okinawa, has become a point of inquiry for my employer, who is mandating the submission of all relevant legal records to confirm the details, resolutions, and any associated outcomes from the proceedings. Given the international nature of the event—occurring on Japanese soil while I was stationed there under military duties—I understand that accessing these documents may involve navigating specific channels, such as through the Japanese court system, possibly the Naha District Court or equivalent local authorities, or even coordinating with U.S. military archives if the case was handled under the Status of Forces Agreement (SOFA) between the United States and Japan. My goal is to compile a complete set of records, including but not limited to police reports, court documents to provide my job with the necessary transparency and closure on this matter, thereby allowing me to continue contributing effectively in my role without any unresolved administrative hurdles. I appreciate any guidance or support you can offer in this process, whether it involves directing me to the appropriate forms, contact information for relevant offices, or steps for international document retrieval, as I am committed to handling this responsibly and in full accordance with all applicable laws and regulations.	09/17/2025	Other Reasons - Not Agency Record	D(7)
