2026-00782	10/06/2025	EOIR Applicant	I was recently given a tentative offer of employment with EOIR as an IJ. Then, on Friday, Oct. 3, 2025, that offer was rescinded. The letter rescinding the offer indicated that I could obtain the reason behind that decision by requesting a FOIA and provided me a link to the site. Thus, above all, I ask that via this FOIA, EOIR provide me with the reason, evidence, and associated communications behind the decision to rescind the tentative employment offer extended to me as Immigration Judge. As needed and if pertinent, I also all seek all information and communications that all employees of EOIR, FBI, DOJ, and associated contractors obtained, received, made, or created during the entire pre-employment process, to include the record of the background check and the decision-making process. Thank you very much. (Date Range for Record Search: From 04/24/2025 To 10/04/2025)	-	-	-

2026-01300	10/07/2025	Brigham Young University	I am requesting anonymized, case-level data on immigration court decisions and hearings maintained by the Executive Office for Immigration Review (EOIR) for research purposes. Specifically, I seek records of immigration judge decision-making in removal proceedings and related hearings between January 20, 2020, and January 19, 2025. The requested dataset should include, to the extent available and non-exempt, the following variables: immigration judge identifier (name or ID), court location, case type (merits decision, in absentia, etc.), hearing and decision dates, case outcomes, and respondent representation status. I am not requesting Individual Record of Proceedings (ROPs) or DHS "A-files," but rather the aggregate, structured case-level data similar to that previously released by EOIR in response to FOIA requests (e.g., the dataset cited in U.S. Department of Justice 2022a, used by Blasingame & Boyd, How the Trump Administration's Quota Policy Transformed Immigration Judging). Please provide the data in a machine-readable format (e.g., CSV, Excel). I am willing to work with EOIR to refine or narrow the request as needed to facilitate processing. (Date Range for Record Search: From 01/20/2020 To 01/19/2025) I am an academic researcher studying the application of U.S. Court of Appeals precedent in BIA cases for both scholarly and practitioner use. I am requesting the circuit court of jurisdiction over Board of Immigration cases when that jurisdiction cannot be determined from the text of the case. The list of cases of BIA cases is below I do not necessarily need the IJ decision itself, but rather the cover page or information on the cover page that includes the location of the immigration judge making the trial level decision. I can infer the circuit with jurisdiction from that. The BIA decision will not consistently give me the A number or respondent's name, therefore, I cannot include that in a FOIA request. I do not need that information for my purposes. In re G---K---, 26 I. & N. Dec. 88 (2013) In re I---S--- & C---S, 24 I. & N. 2026-06889	11/07/2025	Alsaman Law Office PLLC	Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I respectfully request access to aggregate, non-case-specific statistical data maintained by the Executive Office for Immigration Review (EOIR) concerning Immigration Judge bond determinations.  Specifically, under § 552(a)(3)(A), I request agency records that "reasonably describe" the following information for the most recent three fiscal years (or as available):  1.The total number of bond hearings conducted before EOIR Immigration Judges; 2.The number of bond grants and denials by Immigration Judges; 3.The average, median, and range of bond amounts set; 4.Breakdowns by Immigration Judge identifier (as used in EOIR's published data); and 5.Any internal reports, summaries, charts, or datasets that track bond grant and denial rates for internal or oversight purposes.  This request is for aggregate statistical information only. I am not seeking any personally identifying information, A-numbers, names, or case files. Pursuant to § 552(a)(2) and § 552(b)(6), I consent to redaction of any details necessary to prevent an unwarranted invasion of personal privacy.  Under § 552(a)(3)(B), please produce the records in any form or format that is readily reproducible — preferably in Excel, CSV, or PDF. If the data exists in EOIR's internal case-management systems (e.g., CASE or ECAS), please provide existing extractions or summaries rather than new compilations.  Pursuant to § 552(a)(4)(A)(iii), I request a waiver of all search and duplication fees. Disclosure of this information is in the public interest because it "is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester." The requested data will enhance public understanding of EOIR bond practices and judicial decision-making trends in immigration detention cases.  This data is requested for the purpose of educating and informing members of the immigration legal community, including attorneys, advocates, and researchers, to promote transparency and consistent understanding of EOIR bond procedures and outcomes. The information will be shared in a professional and public-interest capacity to contribute to broader awareness of immigration court operations.  Pursuant to § 552(a)(6)(A), please notify me within twenty (20) business days of the determination whether the agency intends to comply with this request. If the request is denied in whole or in part, please specify each exemption relied upon and release all reasonably segregable non-exempt portions of records as required by § 552(b).
