

UNITED STATES OF AMERICA,
Complainant,

v.

GOLD MOUNTAIN, INC.,
D/B/A CASA DE ORO #4,
Respondent.

ORDER GRANTING UNOPPOSED MOTION TO EXTEND CASE DEADLINES

On July 3, 2026, Respondent filed a motion seeking to extend the case deadlines (by 32 days). Specifically, the Respondent informs the Court the motion was unopposed (indeed Complainant filed no opposition). Respondent informs the Court the parties are actively engaged in discovery and may seek to enter the Settlement Officer Program (SOP). The additional time will permit the parties to complete exchange of documentary discovery, and potentially make their request for SOP prior to approaching the summary decision deadline.

“Good cause requires a demonstration of good faith on the part of the party seeking an enlargement of time and some reasonable basis for noncompliance within the time specified in the rules.” *G2*, 19 OCAHO no. 1569, at 2 (quoting *Lowden v. Ann Arbor Elec. JATC Training Ctr.*, 18 OCAHO no. 1490, 2 (2023) (internal quotation marks omitted)).

In considering the propriety of granting the motion, the Court considered the relatively short duration of the requested extension, that it is unopposed, and that the rationale is reasonable.

Accordingly, the case schedule is revised as follows:

Discovery Ends	August 21, 2026
Dispositive Motions ¹	October 30, 2026
Responses to Dispositive Motion	30 days from date motion is filed
Hearing	Spring 2027

SO ORDERED.

Honorable Andrea R. Carroll-Tipton
Administrative Law Judge
