

and wire connect, the origin of each component must be identified. Please note that if you wish to mark the stimulating probes, the insulated stimulating probe, or the packaging containing these products to indicate that they are “Made in the USA”, the marking must comply with the requirements of the Federal Trade Commission (FTC). We suggest that you direct any questions on this issue to the FTC.

HOLDING:

Based on the information provided, with the exception of the insulated stimulating probe with a removable handle, the country of origin of the stimulating probes is the United States. With regard to the insulated stimulating probe with a removable handle, which is only packaged in China, the country of origin of the individual packaged components remains unchanged.

Notice of this final determination will be given in the *Federal Register*, as required by 19 C.F.R. § 177.29. Any party-at-interest other than the party which requested this final determination may request, pursuant to 19 C.F.R. § 177.31, that CBP reexamine the matter anew and issue a new final determination. Pursuant to 19 C.F.R. § 177.30, any party-at-interest may, within 30 days after publication of the *Federal Register* notice referenced above, seek judicial review of this final determination before the Court of International Trade.

Sincerely,
